Dirge: We should use an Elemental Phoenix on Mondo

Tommy Oliver: Good idea!

Sam Oliver: Can I help on that? I am known also Zeo Ranger Light. I am the White Zeo Ranger.

Me: Cool! This will be interesting to see.

Evil Star: Wait who's the new girl?

Tommy Oliver: Oh my sister Sam.

Sam Oliver: I have 50 years of Rangers in me and like my brother I have more than one series in me.

Me: She has 50 years of Sentai Rangers and 30+ Years of Rangers in her.

Evil Star: WOW! That is so awesome! Glad to have you with the team.

Sam Oliver: It's gonna be cool!

Blizzard: Me, Evil Star, and several of us have some of the Rangers as archenemies

Sam Oliver: I heard all about that! And Mary Jane I heard you have an evil version of Tommy as your archenemy.

Mary Jane: That's right.

Me: That was the one from when Rita brainwashed him back 30 years ago. That was one I'll never forget there. That was intense.

Jason: It sure was. Tommy really put up an amazing fight.

Me: He sure did. And Sam, I have Lord Drakkon as my archenemy. He's from the Power Rangers comic books.

Sam Oliver: Oh wow! That is amazing!

Me: It sure is. In fact many of us have monsters from the Ranger and Sentai series from over the course of 50+ Years.

Riley: It's true.

Sam Oliver: Boy I have a lot of catching up to do.

Me: Yeah.

Metal Man: Good thing Angel Grove healed from the damage Zedd caused it last year

Me: I know. That was intense.

Connor: It sure was. And Sam, Dr. Oliver has been an amazing help to the Dino Thunder team too.

Me: He sure has. And he taught Connor and team everything back in 2004.

Sam Oliver: I heard all about that. That was intense. Mesogog gaveyou guys a hard challenge.

Kira Ford: He sure did.

Me: Mesogog and Zeltrax are both dead and gone forever. We destroyed many of the Rangers big baddies.

Bonz: Vypra's our boss.

Sam Oliver: Oh man! Queen Bansheera's former right hand monster.

Me: Yep.

Luan: And she is my archenemy.

Me: Yeah. Also Vypra has a MAJOR personal vendetta to settle with Bansheera.

Sam Oliver: Because of her killing Vypra.

Me: Bingo. And on Carter's day she is definitely going to make sure she pays for it. And we're going to help Vypra do that.

Nico: We sure are.

Sam Oliver: Wow! J.D. do you have any grudge against King Mondo?

Me: Unfortunately no I don't. King Mondo is one of the monsters I don't have any personal history against.

Nico: Yeah. But there have been instances where J.D. does have some.

Me: Like Lothor of Ninja Storm. I've been wanting to test the limits of my ultimate power against him.

Sam Oliver: Oh wow! I heard you were eager back then to destroy him.

Me: You heard right.

Qin: Yeah no kidding.

Me: All the monsters back when I was leader of Team Loud Phoenix Storm before, I've been wanting to test the ultimate extent of my power against.

Nico: Yeah.

Sam Oliver: I see. Wow! You really showed them that you can take them on no problem.

Me: Yep.

Plug Man: We still have to kill Mondo all the same.

Me: Yep.

Sam Oliver: What about an evil version of Ransik?

Me: That thought has not left me thank goodness. I'm hoping we face him on a rescue with whatever akuma is coming our way.

Ransik: An evil version of me will be interesting on Wes's day too.

Me: I agree.

Wes: And we'll destroy Venomark too.

Me: Yeah. But just in case, Lisa, Jen, We're going to need lots of that serum just in case there are people poisoned by him.

Lisa Loud: Noted.

Jen Scott: We'll get right on that.

Harpymon: He's not fooling us with a disguise this time

Me: No he's not! Mark Venue. That was a clever twist of words. But this time we're ready for him.

Qin: Yep.

Tecna: (British Accent) Indeed it was.

Wes: I remember some mutants can disguise themselves as humans

Me: That I remember too.

Qin: Yeah no kidding.

Lincoln then gasped!

Me: What is it Lincoln?

Lincoln: J.D. you have huge trouble coming your way. I just had a huge premonition. You are the target of Tommy Oliver's Akuma, Emerald Drakkon! The Hypothetical Akuma of Tommy Oliver and he has all the powers of all the Green Rangers from over the course of 50 Years and he can turn into any of them. His true form is a ginormous five headed green dragon. He was made because of Rita Repulsa brainwashing him into being evil. He vowed to kill him but he got word that J.D. killed her first and he vowed to kill J.D.

WE GASPED!

He showed a sketch of him and he looked very much like Evil Green Ranger but had Dragon Wings!

Me: WHOA! He looks exactly like Tommy did when he was brainwashed 30 years ago. But the Dragon Wings give him a REALLY nice touch.

Nico: They sure do.

Grinnade beeped.

Nicole: Grinnade said that is shocking and he agrees too!

Me: No kidding there!

Qin: Where is he?

?: J.D.! Prepare to die!

I looked and saw EMERALD DRAKKON!

Me: Tommy Oliver A.K.A. Emerald Drakkon.

I went over to him.

My aura flared up.

Me: I've been wanting to have a showdown with you like this ever since you became like this 30 years ago. Boy how can I forget. Even though I wasn't born back then.

Emerald Drakkon: Well you killed Rita! Now I'm going to kill you!

Me: (Laughs) I would like to see you try.

Nico: My god! Tommy is that you!?

Emerald Drakkon: You all stay out of this! This is between me and J.D.!

Evil Star: You need to calm...

Me: No Evil Star! This is my fight. It's me he wants.

Puff: Hey, it's mandatory for Evil Star to have a shot to participate

Me: I know but this is one Akuma that is not going to let anyone get in his way of killing me.

Nico: WHOA! He really means business! Evil Star let J.D. have his fun.

Evil Star: Okay.

Me: Lets dance!

I unsheathed my sword and we went at each other!

We clashed ferociously and sparks flew all over the place!

I kicked him and he then jumped and fired green energy beams.

I fired energy blasts and the blasts collided and massive and intensely powerful fiery explosions blasted out!

KRABBBBBBOOOOOOOOOOOMMM!
KRABBBBBBOOOOOOOOOOMMM!
KRABBBBBBBBOOOOOOOOOOOOOMMM!
KRABBBBOOOOOOOOOOMMM!
KRABBBBOOOOOOOOOOOOMMM!
KRABBBBBOOOOOOOOOOOMMM!

Qin: WHOA! HOLY CRAP! That is powerful!

Lincoln: His power is 100 times more powerful than Lord Drakkon!

Qin: WHOA! This is gonna be a challenge!

Emerald Drakkon turned into the Green Jetman Ranger!

Jeffery Kenzaki: He turned into me from 1991!

Nico: WOW!

He flew into the air and I followed!

I fired waves of energy and blasted him all over the place!

We went at each other more and landed and he turned into Green Lightspeed Rescue!

Joel Rawlings: Now he is me! There is only one Sky Cowboy!

He fired spark blasts from his battlizer and I deflected them all over!

Then he turned into the Green Ninja Storm Ranger!

Cam Wattanabe: Now he is me!

Me: WOW! You have amazing moves!

Emerald Drakkon: SHUT UP!

Me: Make me!

He went at me and we clashed more!

I punched and kicked him all over!

I punched him again!

He turned into the Green Mystic Force Ranger!

Xander Bly: (Australian Accent) Now he is me! Not cool mate!

He smashed the ground and trees came out!

I punched the ground and more trees came out and they collided and exploded!

MASSIVE TREE EXPLOSIONS!

They shattered and splinters spread all over!

Xenia: HOLY CRUD!

He turned into the Green Zyuohger!

Tusk: He's me now! Wow!

He stomped the ground and sent a wave of earth at me!

Me: From the handbook of Big Slammu: SEISMIC SLAM 10.5!

I punched the ground and shook the area and the waves of earth collided and exploded!

MASSIVE AND INTENSELY POWERFUL EXPLOSION!

Nico: HOLY SHIT!

Qin: WHAT POWER!

Then he turned into the 2017 Green Ranger!

Qin: WHOA! He's the 2017 Green Ranger!

Sam Oliver: I remember that one! That was brutal!

Lola: YEAH!

We clashed more and I kicked him and smashed him into the ground!

Qin: YEAH!

Then he turned into the Green Gozyuger!

Me: WHOA!

Nico: That's the green Gozyuger from the upcoming Gozyugers!

Professor Paradox then appeared.

Professor Paradox: His name is Kinjiro Takehara, Nicholas and he is known as Gozyu Eagle.

Nico: Wow! Amazing!

We clashed more.

I activated my Sentai Ring and fired energy blasts and blasted him all over!

Me: YEAH! Now Evil Star!

Evil Star: About time!

He threw cars and smashed him all over!

Evil Star: Want some more?!

He threw more cars and smashed him all over the place!

Me: Tommy, Zeo Rangers, power up!

Tommy Oliver: You got it!

Sam Oliver: Lets do it!

Zeo Rangers: IT'S MORPHIN TIME!

They transformed!

Kat: "Zeo Ranger I - Pink!"

Tanya: "Zeo Ranger II - Yellow!"

Rocky: "Zeo Ranger III - Blue!"

Adam: "Zeo Ranger IV - Green!"

Tommy: "Zeo Ranger V - Red!"

Sam Oliver: ZEO RANGER LIGHT - WHITE!

Jason: "Gold Ranger Power!"

They transformed!

All: POWER RANGERS ZEO!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMM!

A massive fiery explosion blasted off behind them and they were ready!

Me: COOL!

Qin: WOW! Sam looks awesome as the White Zeo Ranger!

Nico: COOL!

Emerald Drakkon: My turn!

He went at us!

Me: Lets get him!

Rangers: ZEO CANNON!

They charged it up!

Me: FIRE!

We fired a massive blast of energy and it hit him and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

He was down but not out!

Me: It's over Emerald Drakkon!

Emerald Drakkon: I'm not done yet!

He then revealed his TRUE FORM HE WAS A HUGE 5 HEADED DRAGON!

WE GASPED!

Nico: Mommy!

Me: Like I wasn't ready for that!

I pulled out a call horn that was aqua blue and had jewels on it!

I blew a tune.

(MUSICAL TUNE)

Nico: Is something supposed to happen?

Me: Watch.

Then a roar was heard and flying through the sky was an AMAZING AND INTENSELY COOL AND AWESOME COLOSSUS! IT WAS A 10 HEADED DRAGON ZORD AND IT HAD 10 HEADS OF RED, BLUE, GREEN, YELLOW, PINK, ORANGE, BLACK, PURPLE, SILVER AND GOLD AND ON ITS BACK WAS A HUGE ATLANTIS STYLE CASTLE FORTRESS!

I jumped in.

Me: ATLANTIS ZEO RAVANA ULTRAZORD ONLINE!

Sam Oliver: WOW! That is amazing!

Me: You haven't seen anything yet! Watch what it can do.

I pressed some buttons and the heads fired elemental blasts of Fire, Water, Wind, Lightning, Earth, Darkness, Light, Time, Stars and Ice and blasted Emerald Drakkon all over the place and it even fired comet shower blasts from its wings! The blasts hit him with intense force and the blasts blasted him down!

Sam Oliver: WOW! That is cool!

Me: Oh it gets better! Combine Sequence Activate!

The Zords and Pyramidas and Warrior Wheel merged with it and it formed into an amazing and awesome new FORTRESS STYLE SUPER ULTRAZORD! IT WAS CALLED THE EONS ZEO ALTANTIS ZORD!

Me: EONS ZEO ATLANTIS ZORD ONLINE!

Sam Oliver: WHOA! This is intensely awesome!

Nico: J.D. made this zord for the Sevens Day!

Me: Long story! Now watch this! Now for the grand finale! Brace yourselves guys! This is gonna pack quite a wallop! ATLANTIS ZEO FINAL STAGE!

The Zord formed a HUGE SUPERCANNON FROM ITS CHEST AND IT WAS ANCHORED TO THE GROUND BY CHAINS!

Me: FIRE!

WE FIRED AN INTENSELY MASSIVE AND INCREDIBLY POWERFUL BLAST OF ENERGY AND IT SLAMMED INTO EMERALD DRAKKON AND IT EXPLODED WITH INCREDIBLY INTENSE AND UNBELIEVABLE POWER!

EXTREMELY INTENSE AND ULTRA MASSIVE POWERFUL BLAST OF INCREDIBLE POWER OF NOVA PROPORTIONS!

THE EXPLOSION WAS SO MASSIVE AND POWERFUL THAT EMERALD DRAKKON WAS COMPLETELY OBLITERATED IN AN INSTANT!

When the smoke cleared he was gone!

Nico: YEAH! Emerald Drakkon you have failed this city!

Me: YEAH!

Sam Oliver: HOLY COW! That was intense!

Bruiser Cruiser: It sure was!

Sam Oliver: WOW! J.D. did you build new zords like that all the time?

Nico: He sure did! Made them for all the big day missions we had.

Me: I have a lot of free time on my hands.

Tommy Oliver: It's awesome.

Lincoln: Alright, we're here in Angel Grove, so before we go after King Mondo, here's my battle plan.

Lincoln pulls up a hologram of Angel Grove and Cybertron and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is King Mondo, and he wants revenge on us for destroying him last year. But, if he thinks he's gonna get his way, he's about to be proven wrong. However, he's got a massive army of Cogs with him, so he's not going to make this easy, but he's not going to get out of this alive. So, we're destroying his armies of Cogs, and then, we destroy King Mondo. First was the Akuma here in Angel Grove. Next we go to Cybertron.

Me: Yep.

Scorponok: Predacons, TERRORIZE!

Optimus Prime: Autobots TRANSFORM AND ROLL OUT!

Nico: Decepticons, TRANSFORM AND RISE UP!

Georgina: Rescue Bots! GO TEAM GO!

We were off to Cybertron!

We flew out through a portal and we arrived, and we saw King Mondo and many massive hordes of Cogs causing havoc in Cybertron.

Nico: There's King Mondo and he and his armies of Cogs are causing havoc.

Me: That overgrown monster. But, since Queen Machina and Prince Sprocket are already in The M.O.E., this is gonna be painful for King Mondo.

Lincoln: First, I better get rid of his armies of Cogs.

Lincoln fired powerful absorption beams of energy which hit the armies of Cogs and they were all suddenly pulled to

Lincoln as he absorbed them into his body making him even stronger.

Nico: Absorbing evil robots is one thing, but absorbing Cogs, that's bound to piss off King Mondo big time.

Lincoln: Hey, it's not our fault he decided to come after us again for revenge, he did this to himself.

Then, we looked to see Zachary Hart, Alexander Michaelson, and Adrian Acmetropolis taking down the last of Darkseid's troops with their drill lance, greatsword, and death scythes, and we saw Aodhan Vulcania firing massive blasts of fire and lava at more of them and slashing all of them into slivers with his massive greatsword and blasting more of them with his gun, and they were punching, kicking, and slashing at them with unimaginable power and strength!

Eli: Looks like they're sweeping things up.

Then, we saw them about to fight King Mondo who fired Lightning Beams at them, but Lincoln formed powerful gem shields around Zachary Hart, Alexander Michaelson, Adrian Acmetropolis, and Aodhan Vulcania. But, as they hit the gem shields, the lightning beams were absorbed by the shields and the lightning beams went right into Lincoln as he sucked them into his body and he grew even stronger.

Nico: Alright, let's get in there.

Lincoln: And turn that guy into scrap metal.

Me: Good idea.

Krankcase: This won't be the last time we'll come here either

Nico: Nope.

Suddenly, the spirits of The Zeo Rangers appeared and they attacked King Mondo with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

A massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared and that pissed off King Mondo.

King Mondo: (ENRAGED SCREAM) Damn you, Team Loud Phoenix Storm, how dare you show up again to ruin my plans to rule the world!

King Mondo charged at me, but I blocked his sword with my massive greatsword, and we were clashing like crazy as fires sparked all over the place, but I overpowered him and slashed him hard which broke his sword in half. Then, he fired Lightning Beams at me, but I deflected them with my massive greatsword and gem shields and sent them right back at King Mondo.

Me: Hello Mondo! Long time no punch!

King Mondo: Impossible! How?! How have you gotten that much stronger?!

Me: Seriously? You never stood a chance against us before, King Mondo. Also we battled you less than a year ago!

Lincoln: And now, we're gonna make sure we put an end to you once and for all.

Then, Lincoln, Nico, Super Brother, Eli, and I morphed the tips of our 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf tails into Cell's stingers and we stabbed them into King Mondo and we began sucking out his powers and assimilated King Mondo's Strength in Normal and Super Form, Finger Lightning Beam, Force Field, Teleportation Negation, Teleportation, Longevity, Boxing Combat, Lightning Wave, Lightning Rain, Lightning Beam, Lightning Bolts, Strength, Enhanced Durability, Enlarging, and Laser Barrage, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and our enormous angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large angel wings underneath our enormous white angel wings spread out and our large gold halos and second smaller halos of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind our heads and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on our obliques and sides and the rainbow flame patterns on our forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on our 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoos on our bare chests glowed.

Lincoln: Ooh yeah, this feels incredible. RRGH!

And Lincoln, Nico, Super Brother, and I also flexed our muscles even more which really aroused our harems even more, and at the same time, King Mondo began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln, Nico, Super Brother, Eli, and I.

King Mondo: (Groans) They're sucking me dry, I can't take much more of this!

Me: That's just for starters!

I punched him in his face and knocked him down!

Then, when Lincoln, Nico, Super Brother, Eli, and I were done and the stingers changed back, King Mondo was severely weakened to a degree and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire burst out of his massive biceps and massive muscles same with me, Nico, Eli, and Super Brother!

Lincoln also made sure to absorb King Mondo's Machine Staff and Damocles Sword into his massive greatsword.

You're finally done for, King Mondo! Time to die.

Lincoln went wild on King Mondo as he punched, kicked, and slashed at him like a wild beast, and he left scars on him, and I also did the same as well.

Then, Lincoln held out his left hand and fired 999 massive balls of fire at King Mondo, and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT KING MONDO AND PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT HIM AND HE GOT BURNED!

Well, it's about to get a lot worse for you.

Lincoln and I went at King Mondo and we began brutally smashing him all over the place with our immense massive godly superhuman strength, and it was even more brutal than ever. Then, we punched him hard in the face and kicked him in the stomach and we sent him flying into a wall, he got back up and Lincoln and I fired massive

elemental energy balls and beams of light at him and he really got scorched and burned.

She summoned Jellyfish (Zak Storm), Spark-I, Zoos (Kirby), Jennifer Pierce A.K.A. Lightning (DC Comics), Living Lightning and Universe 666 Lightning!

Me: YEAH!

Qin: Lets get him!

Dragonite charged at him and fired a Hyper Beam blast and smashed him down!

I teleported and kicked him in his stomach and punched him all over his face!

Paddy: Yeah so what! Starscream made him hurt! Big whoop! Wanna fight about it?

Me: What the? Paddy would you get outta here!

Nico: Not a good time for you to butt in.

Nico teleported him back to Earth.

Sam Oliver: Is that normal?

Red X: Not until recently!

Me: Nasty story.

I fired waves of energy and blasted King Mondo!

Sam Oliver: Top this!

She formed her staff of light and blasted him all over with energy beams!

King Mondo: What the!? A White Ranger!?

Same with the others.

Maiya: NO! We control the power. It doesn't control us!

They concentrated and Maiya, Etienne and Natasa reigned in the powers of Manaphy, Earth Crab and Copperajah and transformed and blasted and smashed King Mondo all over.

Tommy Oliver: All I'm missing is a Battilizer.

Me: That can be arranged!

Qin: YEAH!

Me: You'll love what we have in store after the usual battles.

Tommy Oliver: Looking forward to it!

I fired waves of energy and blasted King Mondo.

Nico: J.D. wants to do it after.

Me: It's part of my finisher I want to make it awesome.

Electrocutioner: Can't argue with that.

Billy Numerous: We heard you fought Animan.

Nico: We sure did.

Mumbo: (to Arkayna) You should take care of that Seadra

Arkayna: I will.

?: Awesome!

A figure came out and it was SHOWBIZ MONSTER from episode 33 of Mighty Morphin Season 2!

When the Power Rangers are going on Harvey Garvey's TV show to promote education, Lord Zedd sees it as a chance to get rid of them once and for all.

After an evil twin idea falls through, due to Goldar and the Putty Patrol failing to capture the real Power Rangers, Zedd creates the Showbiz Monster from a television show camera outside of the studio. The Showbiz Monster attacks the center of Angel Grove where he starts to rampage in order to force the Rangers to fight him.

When the Rangers arrive, the monster summons the Putty Patrol but they are defeated by the Rangers. Lord Zedd then makes the Showbiz Monster grow with a Growth Bomb with the monster now being equipped with a sword.

However, before the Rangers can summon the Thunderzords, Goldar arrives to fight Tommy and he is forced to sit out the Zord fight to fight Goldar. The other Rangers form the Thunder Megazord and the Showbiz Monster charges before jumping high into the air to finish them off. However, at the last second, the Thunder Megazord pulls out the Thunder Saber and defeats him.

Tommy Oliver: Showbiz Monster!

Showbiz Monster: Been a long time rangers!

Me: I remember you! You were made from a television camera and you were sent to destroy Angel Grove after Goldar's idea for evil twin rangers failed!

Showbiz Monster: That's right! Good memory.

Me: That would have been a good challenge though. Battle evil twins of the rangers.

Showbiz Monster: That sure would have been cool!

Me: I know.

Showbiz Monster: But now that I'm here, the show must go on!

Me: And it will be great!

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

Lincoln did one final powerful energy slash that hit Gerard Valkyrie hard, and a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Gerard Valkyrie was on his last legs.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and stabbed them into the chest of Gerard Valkyrie and he began absorbing him, and he assimilated Gerard Valkyrie's muscle mass, The

RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Gerard Valkyrie began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln.

Gerard Valkyrie: (Groans) He's sucking me dry, we can't take much more of this!

Then, when Lincoln was done and the stingers changed back, nothing was left of Gerard Valkyrie, and Lincoln sucked out all of the remaining energy in Gerard Valkyrie's soul and banished him to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Michelle Augustus' new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold star ring-shaped frame around it with embedded green gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold star ring-shaped frames around them with embedded green gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large purple planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller green planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized green planets orbiting around her wrists and ankles, and enormous brown angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large brown angel wings underneath her enormous brown angel wings are permanent.

Michelle Augustus: And this where it ends for you, Gerard Valkyrie, and this is goodbye and good riddance. Thanks for helping me get rid of Gerard Valkyrie, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Michelle.

Me and Nico: Our pleasure, Michelle.

Suddenly, Michelle Augustus wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Michelle Augustus' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Michelle Augustus sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Rukia: I certainly didn't expect Gerard to show up once more, but at least, he got what he deserved.

Lincoln: You said it, Rukia.

Me: That guy paid for what he's done. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Volcanic Laval Masters of Courage and Laval Dual

Slasher.

Lincoln: (GASPS) The symbol of The Volcanic Laval Masters of Courage and Laval Dual Slasher.

Adara Vulcania: There's only one person who fits this: Apollonia Vulcania, Avatar and Gene-Slammer of Laval Slasher, and you guys are going to love meeting her, Apollonia Vulcania, Avatar and Gene-Slammer of Laval Slasher, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lava Slasher. She's The Volcanic Lava Slash Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Apollonia Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Slasher, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Slasher, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Apollonia Vulcania despises that stupid no-good Bubble Bass with a blazing passion!

WE GASPED!

Me: Uh oh!

Lincoln: She burned his bubble butt many times, and she swore if he ever crossed the line, she was going to charbroil him and burn him to death.

Nico: Damn, talk about brutal.

Vortex: That's another Ranger villain down.

Captain Boomerang: Next one won't need a Battilizer.

Mr. Fizz: But the team weapon is still needed.

Me: That is true.

Evilseed: Think we did Jason David Frank proud here.

See-More: I bet we did

Me: He would be really proud too.

Qin: Yeah!

Nico: Great job today everyone.

Tommy Oliver: (To the viewers) This was an epic adventure. And it was fun too.

Me: It sure was.

We went back home.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, King Mondo is finally gone forever!

Anna Anyanova: He got what he deserved, and we really pissed off Lord Zedd in The Book of Vile Darkness.

?: And when Jason's big day comes, Lord Zedd will finally get what he deserves.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her

and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile, Tech E Coyote was looking out into the night sky.

Tech E Coyote: King Mondo's finally been taken care of, good riddance to that guy.

THE CROW OST: BIRTH OF THE LEGEND PLAYS

Suddenly, a glowing green mark started manifesting on his right arm, the green mark was a coyote, but there was also The Crow as well.

Tech E Coyote: It's been seven years since Lincoln found out about this, and he's gonna tell the rest of the team, same with Girl Jordan. Ace, Lexi, Duck, Slam, Rev, I know the same marks are gonna manifest on you guys as well, just hope the rest of the team can handle this dark secret.

DBZ NARRATOR: JUST WHAT WAS THE MYSTERIOUS MARK OF THE COYOTE AND THE CROW THAT APPEARED ON TECH E COYOTE'S RIGHT ARM, AND WHAT HE ALSO SAID, COULD IT ALSO BE TRUE? WHAT WAS THIS DARK SECRET HE HAD HIDDEN FOR SEVEN YEARS, AND HOW DID LINCOLN

BECOME PART OF THIS SAME WITH GIRL JORDAN, AND HOW IT ALSO AFFECTS ACE BUNNY, LEXI BUNNY, REV RUNNER, DANGER DUCK, AND SLAM TASMANIAN? THE ANSWERS WILL BE REVEALED SOON NEXT TIME!

THE END

Another awesome chapter done.

Alright, and now, for tomorrow, the match-up scene is for Estelle Madison, Avatar and Gene-Slammer of Witchcrafter Madame Verre, and she and Lincoln are going to destroy Lei Shen and Shan Bu from World of Warcraft

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to Acmetropolis, but this is part of a six-day rescue arc, and it'll concern a secret The Loonatics and even Lincoln and Girl Jordan knew. Last night, a green mark of a coyote and The Crow appeared on Tech E Coyote's right arm, and he sensed something was about to happen. See, seven years ago, The Loonatics met Lincoln thanks to Adrianne Acmetropolis and they'd been connected through the time they'd spent with him and Girl Jordan and they kept their identity a secret especially from Lori, Lynn, Lola, Lisa, and Luan, the untrustworthy, rotten, mean Loud Sisters. But, the day Adrianne Acmetropolis was killed by Carly Kasady, they swore to make her pay, however that led to six marks appearing on Ace Bunny, Tech E Coyote, Lexi Bunny, Danger Duck, Rev Runner, and Slam Tasmanian. Lincoln found out the marks were The Dark Marks of The Aztec Gods, they're like The Mark of The Shadows that Rex Goodwin, Roman Goodwin, Carly Atlas-Carmine, Misty Tredwell, Kalin Kessler, Greiger, and Devack possess, but they're not like with The Earthbound Immortals in Peru, rather, they are linked with the powerful Aztec Gods that match The Loonatics, but they are far more powerful than The Earthbound Immortals, Zorc Necrophades, and The Great Leviathan combined, in fact, during The Nazca Battle in 3,000 B.C., these six incarnations of The Aztec Gods helped The Crimson Dragon and The Signer Dragons imprison The Earthbound Immortals in The Underworld, and since then, that story had been lost and forgotten.

But, when Adrianne Acmetropolis was murdered by Carly Kasady and swearing to make her pay, The Dark Marks of The Aztec Gods appeared on Ace Bunny, Tech E Coyote, Lexi Bunny, Danger Duck, Rev Runner, and Slam Tasmanian, and they also gained even more incredible powers, but Tech E Coyote also had The Mark of The Crow, and it turns out, he wound up getting the same powers as Eric Draven A.K.A. The Crow, but he didn't get killed and brought back from the dead.

So, for Day 1, we're going to go after an old enemy of Tech E Coyote, his name is Andrew Furukawa, he's a dangerous and unhinged lunatic with a lust for blood and he gets off on killing young girls in the very institute Tech went in order to slake his bloodlust. One day, he tried to murder a young female coyote college student named Akira Furukawa, the one from our universe, but unlike the one from Super Brother's world, the one from the Prime Universe had a secret, not only was she a smart and beautiful female coyote, but it turns out she's a princess from a distant planet. Tech stopped Andrew Furukawa, who was actually her murderous older brother, and he wrapped a steel girder around him to restrain him and sent him to prison. She fell in love at first sight with Tech and he also fell in love with her as well, and she knew he's a member of The Loonatics, and he promised to marry her. But, Andrew didn't want that to happen, he wanted to get revenge. Now, years later, he's broken out of prison, and he wants revenge, but Tech's going to rip him apart and send his soul to the depths of Hell forever, and we're going to meet Apollonia Vulcania, Avatar and Gene-Slammer of Laval Slasher, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lava Slasher. Next up is Leo Corbett's day to shine and we're going after Scorpius.

See you all next time

Revenge of Scorpius

The Revenge of Scorpius of Lost Galaxy

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a swamp green planet of nausea, and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nausea, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nausea, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Vomitairaira, a green swamp planet of nausea and protected by powerful omnipotent angels known as The Vomitairairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nausea, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the male Burritolairairans and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of naysea, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Vomitairaira and its core into his body and Vomitairaira's Sun into his body to preserve their legacy.

Lincoln: Gross, but that's still incredible!

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Vomitairaira.

Lincoln landed on Planet Vomitairaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: Whoa! So, this is Vomitairaira, it truly is a swamp planet of nausea.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as gross as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 620'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a dark green sun and moon on his chest, he has long green hair going down to his shoulders, dark green eyes, green angel wings, he has on a green loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Vince Vomitairaira, King of The Vomitairairans of Planet Vomitairaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Vicky Vomitairaira. (GASPS) Now, I remember, I've been here before to Vomitairaira eight years ago.

Then, all of the other male Vomitairairans came to Lincoln.

Vince Vomitairaira: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Vince Vomitairaira chuckled.

Lincoln: And there's something I need to tell you.

Vince Vomitairaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Vince Vomitairaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Vince Vomitairaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Vince Vomitairaira and the other septillion male Vomitairairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nausea, and the ability to grow even stronger, and incredible godly powers and immense excessive virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a green aura with green drops surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome!

Alan Almightairaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Vomitairaira, the inner and outer cores of the planet and the million other planets consisted primarily of iron and nickel and are extremely infernally hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Vomitairaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Vomitairaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained

another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning)(Thinking) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Vomitairaira, a green swamp planet of nausea and protected by powerful omnipotent angels known as The Vomitairairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nausea, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the male Burritolairairans and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of naysea, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Vomitairaira and its core into his body and Vomitairaira's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room, but we were immediately stunned.

Me: WHOA! So, there was a planet of nausea in The Forbidden Zone! Wow! But, that's also gross!

Vince Vomitairaira: (Through the rainbow Thunderbird and animals on Lincoln's forehead) That is correct, J.D., Lincoln came to Vomitairaira eight years ago, and years later, I saw the kind of man he would grow up to become.

J.D. 2: Vince Vomitairaira! Your Majesty, it's been vast eons since we last met.

Suddenly, we saw the glowing green mark reappearing on Tech E Coyote's right arm.

Nico: Tech, you okay?

But, he wasn't the only one, we soon saw a glowing yellow mark appear on Ace Bunny's right arm, a glowing pink mark appear on Lexi Bunny's right arm, a glowing orange mark appear on Danger Duck's right arm, a glowing red mark appear on Rev Runner's right arm, and a glowing purple mark appear on Slam Tasmanian's right arm.

Then, as the glows faded, we saw it: the green mark was a green coyote, but there was also The Mark of The Crow on Tech E Coyote's right arm, the yellow mark was a yellow bunny on Ace Bunny's right arm, the pink mark was a pink bunny on Lexi Bunny's right arm, the orange mark was an orange duck on Danger Duck's right arm, the red mark was a red roadrunner on Rev Runner's right arm, and the purple mark was a purple Tasmanian Devil on Slam Tasmanian's right arm.

Eli: Whoa! What on Earth is that?!

Lincoln: Oh God, no way.

Me: Lincoln, you know those marks? They look familiar to The Marks of The Shadows on The Dark Signers.

Lincoln: They do, but not entirely.

Lincoln got out his book of legends, and he turned to the page and we saw the entry.

Lincoln: The marks we just saw, those are The Dark Marks of The Aztec Gods, and you're right, they are like The Mark of The Shadows that Rex Goodwin, Roman Goodwin, Carly Atlas-Carmine, Misty Tredwell, Kalin Kessler, Greiger, and Devack possess, but like I said, it's not like with The Earthbound Immortals in Peru. In fact, they are linked with the powerful Aztec Gods and the animals that match The Loonatics.

Then, we saw two cards appear in the hands of The Loonatics that are like The Signer Dragons and The Earthbound Immortals, but more to the theme of The Loonatics.

Ace Bunny: the first card was an anthropomorphic white rabbit with Chinese clothes and massive white wings and the second card was a black rabbit with massive black angel wings and yellow eyes and yellow Aztec markings on its body similar to Earthbound Immortal Cusillu.

Lexi Bunny: the first card was an anthropomorphic peach rabbit with Egyptian clothes and massive peach wings and the second card was a black rabbit with massive black angel wings and pink eyes and pink Aztec markings on its body similar to Earthbound Immortal Qhoa.

Tech E Coyote: the first card was an anthropomorphic brown coyote with Aztec clothes and massive brown angel wings and the second card was a black coyote with massive black angel wings and green eyes and green Aztec markings on its body similar to Earthbound Immortal Ccarayhua.

Danger Duck: the first card was an anthropomorphic black duck with Greek clothes and massive black angel wings and the second card was a black duck with massive black angel wings and orange eyes and orange Aztec markings on its body similar to Earthbound Immortal Aslla Piscu.

Rev Runner: the first card was an anthropomorphic blue roadrunner with Native American clothes and massive blue angel wings and the second card was a black roadrunner with massive black angel wings and red eyes and red Aztec markings on its body similar to Earthbound Immortal Uru.

And Slam Tasmanian: the first card was an anthropomorphic brown Tasmanian Devil with aboriginal clothes and massive brown angel wings and the second card was a black Tasmanian Devil with massive black angel wings and purple eyes and purple Aztec markings on its body similar to Earthbound Immortal Wiraqocha Rasca.

Me: WHOA! Those are Signer Cards and Earthbound Immortal Cards matching you guys, but the Signer Cards have themes in Chinese, Egyptian, Aztec, Greek, Native American, and the aboriginal tribes of Australia, but The Earthbound Immortal Cards are flat out Aztec.

Lincoln: I'd recognize the Signer like cards from anywhere, those are The Holy Gods of Dawn, they're incarnations of The Chinese Rabbit God, Tu'er Shen, The Egyptian Rabbit God, Unut, The Aztec Coyote God, Huehuecoyotl, The Duck Greek Goddess, Penelope, The Roadrunner Native American God, Hopi, and The Aboriginal Tasmanian Devil God, Rageowrapper, and they're really powerful in the same league as The Crimson Dragon and The Signer Dragons.

Yusei: I didn't know that.

Jack Atlas: Same here, but that's incredible.

Lincoln: And the Earthbound Immortal like cards, those are The Dark Gods of Dusk, they're the six incarnations of The Aztec Rabbit God, Macuiltochtli, The Aztec Coyote God, Tezcatlipoca, The Aztec Duck-Billed God, Ehecatl-Quetzalcoatl, The Aztec God of Running, Paynal, and The Aztec God of The Dead, Mictlāntēcutli, and they're far more powerful than The Earthbound Immortals, Zorc Necrophades, and The Great Leviathan combined. In fact, during The Nazca Battle in 3,000 B.C., these six incarnations of The Aztec Gods helped The Crimson Dragon and The Signer Dragons imprison The Earthbound Immortals in The Underworld, and since then, that story had been lost and forgotten.

Nicole: Whoa!

Misty Tredwell: This is indeed quite a shocker.

Ace Bunny: Same here. (Looks at his cards) Still, this is amazing. Look at this, The Rabbit Signer Card of Light for me is named God of Dawn Tu'er Shen and The Rabbit Dark Signer Card of Darkness is named Dark God of Dusk Macuiltochtli.

Lexi Bunny: (Looks at her cards) The Rabbit Signer Card of Light for me is named Goddess of Dawn Unut and The Rabbit Dark Signer Card of Darkness is named Dark God of Dusk Macuiltochtli, but hers has pink markings.

Tech E Coyote: (Looks at his cards) The Coyote Signer Card of Light for me is named God of Dawn Huehuecoyotl and The Coyote Dark Signer Card of Darkness is named Dark God of Dusk Tezcatlipoca.

Danger Duck: (Looks at his cards) The Duck Signer Card of Light for me is Goddess of Dawn Penelope and The Duck

Dark Signer Card of Darkness is Dark God of Dusk Ehecatl-Quetzalcoatl.

Rev Runner: (Looks at his cards) The Roadrunner Signer Card of Light for me is God of Dawn Hopi and The Roadrunner Dark Signer Card of Darkness is Dark God of Dusk Paynal.

Adrianne Acmetropolis: (Looks at Slam Tasmanian's cards) And The Tasmanian Devil Signer Card of Light for Slam Tasmanian is God of Dawn Rageowrapper and The Tasmanian Devil Dark Signer Card of Darkness is Dark God of Dusk Mictlāntēcutli.

Nico: (WHISTLES) That is so awesome! If you guys get a chance, can we get a chance to see them in action?

Ace Bunny: Sure.

Me: If I remember right, Yusei and the others became The Signers because each of them bears The Mark of The Dragon and I became The Signer of The Phoenix, and Rex Goodwin, Roman Goodwin, Carly, Misty Tredwell, Kalin Kessler, Greiger, and Devack became The Dark Signers due to the wish for revenge.

Ace Bunny: That's true, but you were also chosen to save the world from The Earthbound Immortals.

Then, they showed us The Mark of The Rabbit, The Coyote, The Duck, The Roadrunner, and The Tasmanian Devil on their left arms.

Tech E Coyote: It's true we're heroes, so we'd get these Holy Marks on our left arms, but, when Adrianne Acmetropolis was murdered by Carly Kasady and because we swore to make her pay, The Dark Marks of The Aztec

Gods also appeared on us on our right arms, and we also gained even more incredible powers, such as immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of light and darkness, The Holy Arts, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, colored fire, and the powers of The Chinese Rabbit God, Tu'er Shen, The Egyptian Rabbit God, Unut, The Aztec Coyote God, Huehuecoyotl, The Duck Greek Goddess, Penelope, The Roadrunner Native American God, Hopi, and The Aboriginal Tasmanian Devil God, Rageowrapper, The Aztec Rabbit God, Macuiltochtli, The Aztec Coyote God, Tezcatlipoca, The Aztec Duck-Billed God, Ehecatl-Quetzalcoatl, The Aztec God of Running, Paynal, and The Aztec God of The Dead, Mictlāntēcutli.

OUR JAWS DROPPED TO THE FLOOR!

CLANG!

LINCOLN CLOSED OUR JAWS!

Nico: And Lincoln found out about it the day of Adrianne's death.

Ace Bunny: Yep.

Me: But, how does that also explain Tech E Coyote also having The Mark of The Crow?

Lexi Bunny: Turns out, he wound up getting the same powers as Eric Draven A.K.A. The Crow, but he didn't get killed and brought back from the dead.

Me: Wow...!

Suddenly, Tech E Coyote's green eyes turned neon green and he was surrounded by a black and green, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, Holy Light, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, green fire, green lightning, black and green darkness, coyotes, phoenixes, and angels.

Oh, and Lincoln and Girl Jordan had to keep our identities a secret when we first came to Royal Woods seven years ago, we didn't have anything against you or their families, J.D., (Points to Lori, Lynn, Lola, Lisa, and Luan) it's against the five who made their brother's life a living Hell.

Nico: Uh oh...! Busted!

Tech E Coyote holstered his massive greatsword on his back and powered down, and his new body, clothes, jewelry, Third Eye, massive and long brown tail, large gold halo and large Amaterasu's Heavenly Mirror of Four Holy Beasts with crescent moon ring-shaped frame with embedded green gems behind the large gold halo and second smaller halo of light behind his head and four large orbiting gold rings on each corner with four large Amaterasu's Heavenly Mirrors of Four Holy Beasts with crescent moon ring-shaped frames with embedded green gems on each corner behind the four large orbiting gold rings and six halos with second smaller halos of light above his Bracers, ankles, and beside his thighs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large black and green planets orbiting around his legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller black and green planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and green planets orbiting around his wrists and ankles and enormous brown angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large brown angel wings underneath his enormous brown angel angel wings are permanent.

Lexi Bunny: Well, it couldn't be helped. You five did do a lot of hideous atrocities towards your own brother, and at that time, we knew it was Dark Chase Young's doing thanks to Adrianne, but even before that, you five were so absolutely evil towards Lincoln! I wanted to put the cuffs on you five and send you to prison.

Ace Bunny: But, Lincoln stopped us, though he made sure if you five ever tried to attack us again, he would report you five to the cops and get you five in so much trouble, your futures would end.

Rev Runner: And he was serious. With all the evidence of all your wrongdoings, you're basically done for.

Lincoln: But, ever since finding out Dark Chase Young was behind it, I kept their crime files only to use them if we ever run into evil versions of them.

Nico: Nice.

Me: Be right back.

I went to check on Crackhouse Goofy and Minnie at the hospital. I saw them in full body casts and they were a bloody and mangled up mess.

Me: HOLY SHIT! Varie, Qin and Mickey and Donald did a number on you both.

Crackhouse Goofy: (Groans)

Me: Well you deserved this. It's for all the shit you put Mickey and Donald through so I don't blame them one bit for beating the living shit out of you.

Crackhouse Minnie: I still own Mickey! He will do what I say and that is final!

Me: Mickey is a person not a piece of property! Also he is not going to do chores as long as he has anything to say about it. As far as I can he doesn't need you or does he need to be bossed around like a kid! He's over 100 years old and he doesn't take crap even from you!

Crackhouse Goofy: Well he needed to be put in his place! I run the Club Bitch now! Ahyuck!

Me: Not on our watch you will. And the doctors said you'll never be able to walk or move again and Vypra is going to make sure of that.

Crackhouse Goofy: YOU SON OF A BIT... (CRUNCH)

HE SCREAMED AS HIS BONES WERE BREAKING!

Me: (WINCES) Ouch! Well good luck trying to get out of those casts because you're going to be in them forever.

I turned.

Crackhouse Goofy: FIX US RIGHT NOW YOU MOTHERFUCKER!

Me: (Flips them off) MAKE ME FATASS!

I left!

Leo woke up to see Luxio staring at him.

Luxio: Morning Leo!

Leo Corbett: Morning Luxio.

Luxio: Time for breakfast!

Leo Corbett: Be right down.

He went and got dressed and went to the table.

We were having eggs and toast and steaks.

Me: Morning Leo.

Leo Corbett: Morning guys. What was all that fighting we heard yesterday as you were looking through those photos?

Me: Oh that was Crackhouse Mickey and Donald smashing the living daylights out of Goofy and Minnie. They got well deserved payback on them.

Nico: Nice.

Me: Yep. I went to the hospital and found them mangled up on them.

Sally Stomach: They had it coming.

Nico: Oh crud, Guitar Villain's here.

Marinette: That's not good! Where's he at?

Lincoln: Oh boy, he's on the planet Norarc!

Me: Norarc!? Whoa!

LINCOLN'S GUARDIAN ANGELS GASPED!

Selene Arcangela: NORARC?! OH GOD!

Nico: Wait, it's not a...!

Me: (Smirks) Nope, it's not a Forbidden Zone planet, it's a planet that Lincoln and I discovered while discussing the plans for the newest prison there, and we even asked its Keyblade Knight, one of his Guardian Angels, to be the warden there!

NICO AND EVERYONE ELSE FREAKED OUT!

Ace Bunny: What kind of prison did you two build on that planet?

Me and Lincoln: (Smirks) Oh, you'll see soon enough.

Nico: Where is the planet Norarc?

Me: It's located in the distant galaxy of JADES-GS-z14-0 over 34 billion lightyears away from Earth.

Nico: WHOA! That is REALLY far away.

Qin: It sure is.

The rest of the team gulped, and after we finished breakfast, we headed out to Norarc to help Babs Seed unlock her Rainbow Power and take down Guitar Villain.

We were off to Planet Norarc.

Qin: That is so funny!

Lily: YEAH!

Lily tazed Homer.

Me: Never gets old.

Poliwag: Are we there yet?

Lisa Loud: Actually we are. We have arrived at our destination.

Nico: On screen.

We saw that we were at a cold mountainous planet.

Me: So that's Norarc.

Lola: Wow!

Lincoln: It's really cold there guys. So bundle up.

Me: Okay.

We got our warmest coats and gear on.

We got to landing.

We arrived on Norarc.

We saw that it was a scary mountainous and cold stormy planet.

Cleopatra Federal Gulag - Planet Norarc

It was everything Lincoln told us about and his rainbow energy aura exploded as he grew stronger, same with all of

us.

Me: Whoa! So, this is Norarc, man this place is really a desolate place of eternal cold and darkness!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) I haven't been here to Norarc before, but it's a lot like Glaciaira.

Lincoln: And the perfect spot for this!

Nico: WOW! It is cold!

Qin: Brutal!

Xenia: What's the temperature?

I looked.

Me: WHOA! -145° Fahrenheit and has a -190° Fahrenheit Windchill!

Horsea: COLD!

Qin: It's worse than Antarctica!

Kate Lloyd: No kidding! I don't know how ANYTHING can live on a planet this cold!

Lincoln: Lets head for that mountain there.

We went there and then Suddenly, we saw a hellish looking Labor Camp prison, it looked far worse than the labor camps in North Korea and the Concentration Camps of Germany during World War II!

Nico: W-WHAT THE HELL IS THAT PLACE?!

Lincoln: This is our newest prison, The Cleopatra Heights Federal Correctional Institution for Karens.

Me: It's a dangerous prison labor camp gulag for the meanest and most evil Karen women ever, they are women that think they are so entitled and think they are so much better than everyone else, that they think they can get away with everything including breaking the law.

Lincoln: Well, in this prison they are not going to live to even get out or even see the light of day ever again. This prison is for the worst of the worst, and it's home to the most grueling and most horrific conditions of all! And we're not talking normal prison conditions.

Me: Oh no, we're talking NAZINO ISLAND HORRIBLE INSANE CONDITIONS! This is a prison no one escapes from and if they do they will freeze to death in seconds!

EVERYONE FREAKED OUT!

Qin: OH MY GOD...!

Poromon: Those Karen women are nothing more than entitled bitches and absolute parasites! And Absolute Menaces to Society! I think they deserved to be sent there and the world is better off without them!

Lincoln: We've also had some male Karens sent here too, except for a certain douchebag from years ago when The Mayor went bonkers thanks to that miserable night maid. I made sure he got sent to The Black Abyss.

Me: Nice one, Lincoln.

We went inside The Cleopatra Heights Federal Correctional Institution for Karens, It was warm and perfect.

Me: Nice and warm in here.

We took off our jackets and tied them around our waists and we saw it: it was the utter definition of a living Hell: we saw the countless Karens that were arrested being put through nasty and horrible Nazino Island level torture sessions without compassion or mercy!

Lexi Bunny: Oh man! This place is literally horrific!

Ace Bunny: The utter definition of a living Hell.

Tech E Coyote: This is even worse than the other prisons Lincoln's built.

Manaphy: GEEZ!

Qin: YIKES!

?: GET UP, MAGGOT! DID I SAY YOU CAN TAKE A BREAK!

?: (SCREAMS) STOP THIS!

?: DIE, BITCH!

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, short grey hair, grey eyes, a black coat, grey sweater, grey skirt, grey pants, black legwarmers, black sneakers, black angel wings, and grey gloves, and she has an ice greatsword in hand.

Lincoln: I knew that this was you, Angelina Arkhangelskaya, Keyblade Knight of Norarc.

Angelina Arkhangelskaya: (GASPS) Lincoln, it's you!

Nico: The famed Karen Hater herself! And you know her, Lincoln?

Lincoln: Indeed I do, Nico.

Me: And so do I and the rest of his Guardian Angels, this is Angelina Arkhangelskaya, Keyblade Knight of Norarc, she's Lincoln's Guardian Angel of the cold icy world of Norarc, and she's also a big time Karen Hater! She's a powerful and extremely deadly angel of ice and darkness who was born with immense superhuman strength, immense superhuman speed, immense superhuman agility, immense superhuman durability, immense superhuman endurance, immense regeneration, immense endurance to the absolute zero temperatures of Norarc and many other places that have absolute zero temperatures and cold climates, Cosmic Cryokinesis, Cosmic Umbrakinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, cold, Absolute Zero temperatures, darkness, and all the creatures of ice and darkness, and the powers of Norarc times infinity. Angelina's also The Warden of The Cleopatra Heights Federal Prison for Karens, a very dangerous prison labor camp gulag for the meanest and most evil Karen women ever, they are women that think they are so entitled and think they are so much better than everyone else that they think they can get away with everything including breaking the law. Well in this prison they are not going to live to even get out or see the light of day ever again. This prison is for the worst of the worst. And it's home to the most grueling and most horrific conditions of all! And we're not talking normal prison conditions. We're talking NAZINO ISLAND HORRIBLE INSANE CONDITIONS! This is a prison no one escapes from and if they do they will freeze to death in seconds. Angelina's a girl that no one messes around with! She ABSOLUTELY LOATHES AND HATES Karens with a vengeance and she inflicts nasty and horrible Nazino Island level torture sessions on the inmates there without compassion or mercy! Angelina Arkhangelskaya moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of immense superhuman strength, immense superhuman speed, immense superhuman agility, immense superhuman durability, immense superhuman endurance, immense regeneration, immense endurance to the absolute zero temperatures of Norarc and many other places that have absolute zero temperatures and cold climates, Cosmic Cryokinesis, Cosmic Umbrakinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, cold, Absolute Zero temperatures, darkness, and all the creatures of ice and darkness, and the powers of Norarc times infinity, and over time, Lincoln gained even more incredible immense superhuman strength, immense superhuman speed, immense superhuman agility, immense superhuman durability, immense superhuman endurance, immense regeneration, immense endurance to the absolute zero temperatures of Norarc and many other places that have absolute zero temperatures and cold climates, Cosmic Cryokinesis, Cosmic Umbrakinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, cold, Absolute Zero temperatures, darkness, and all the creatures of ice and darkness, and the powers of Norarc times infinity, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she hated Lori, Lynn, Lola, Lisa, and Luan with a blazing passion, in fact, she swore if those five deceitful jealous bitching banshees dared to try and kill Lincoln again along with everyone around him, Angelina was going to make absolutely sure their reputations in Royal Woods are ruined, and she also said she'd have a special prison cell inside The Cleopatra Heights Federal Prison for Karens on Norarc, and she would make those five stupid bitches pay for every last horrible thing they have done to Lincoln and everyone around him!

Qin: Yikes, talk about one brutal Karen hater. (To The Loonatics) You guys saw exactly what she was capable of, right?

Danger Duck: (Shudders) It was horrid!

Ace Bunny: We saw what she did, it's not pretty.

Lexi Bunny: Lori, Lynn, Lola, Lisa, and Luan tried to launch a smear campaign on her, but when Lincoln found out, he told Angelina, and she got so pissed off, she charged into The Loud House and beat the daylights out of them.

Tech E Coyote: We went with Lincoln to Gus' Games and Grub when that happened. But, as soon as we got back, the whole house was trashed and Lori, Lynn, Lola, Lisa, and Luan had two black eyes, a split lip, and broken arms and legs, not to mention some missing teeth. Take a look.

Tech got out his phone and played the video of the incident seven years ago.

Past Ace Bunny: That was a really fun day.

Past Tech E Coyote: And Gus really outdid himself with that Four Meats Pizza.

Past Lexi Bunny: You got that right. I tried to beat you in Dance Battle, Lincoln, but you had me beat. I'm gonna have to start getting some lessons from you.

Past Lincoln: I've got just the place for that, but we got keep it secret from the...!

Past Rev Runner: Yep, from them.

Then, they arrived at The Loud House, but when Lincoln opened the door, he came back to an utter scene of horror: the house was absolutely trashed!

Past Lincoln: What the?!

Past Danger Duck: Did a wildebeest come charging in here?

Past Ace Bunny: Did those five go on another rampage again?

Then, they felt the house go cold.

Past Lincoln: No, they didn't. Uh oh, come on.

They ran to Lori's room, and they saw Lori, Lynn, Lola, Lisa, and Luan with two black eyes, a split lip, and broken arms and legs, not to mention some missing teeth, and Angelina Arkhangelskaya had them in armlocks.

Past Angelina Arkhangelskaya: I HOPE YOU LIKE THE TASTE OF YOUR OWN BLOOD, BITCHES!

Past Lexi Bunny: Whoa! It wasn't those five who trashed the house, it was Angelina! What did they do this time?

Past Lincoln: They tried to launch a smear campaign against her, but I overheard them and I called her here. She sent me out to join you guys at Gus' Games and Grub, and from the looks of it, this is what happened.

Slam Tasmanian grunted and pointed downstairs.

Past Rev Runner: Slam's right, how are we going to get the house cleaned up before your parents get back? Aren't they picking up Leni, Luna, Laney, Lana, and Lily up from their friends' houses?

Past Lincoln: Leave that to me, Rev.

Lincoln got on some cleaning equipment.

Past Lincoln: Angelina, keep an eye on those five. I'm heading downstairs to get the house cleaned up.

Past Angelina Arkhangelskaya: On it, Linky.

Lincoln and the Loonatics went downstairs.

Past Danger Duck: How are you going to clean up a whole house?

Past Lincoln: I've had experience cleaning up the various messes here, and with the training I'd gotten from my Guardian Angels, it made it much easier. Watch.

Suddenly, Lincoln turned into a white tornado, and he went all over the house cleaning up every single room in The

Loud House, and in less than ten seconds, he was done.

Past Ace Bunny: (WHISTLES) Impressive.

Past Tech E Coyote: It took less than ten seconds to clean the house up.

Past Lexi Bunny: (Sees Vanzilla) Uh oh, and just in time too, Vanzilla's back! We're heading to your room, Lincoln, see you there.

They headed for Lincoln's room. Then, Lynn Sr., Rita, Leni, Luna, Laney, Lucy, Lana, and Lily came inside accompanied by me and Varie.

Past Rita: Honey, did you deep clean the entire house?

Past Lynn Sr.: A deep cleaning of the house could mean one thing. What did those five do this time?

Lincoln explained the whole thing, and they ran up to Lori's room to see Angelina tie up Lori, Lynn, Lola, Lisa, and Luan with nylon rope.

Past Lynn Sr.: I should've known! What the heck were you five thinking?!

Lincoln was in his room with The Loonatics, but they heard Lynn Sr. yelling.

Past Ace Bunny: Wow...! Your dad's pretty angry.

Past Lexi Bunny: Wonder how long those five are going to be grounded for this time?

Past Lincoln: I can guess five months.

Past Tech E Coyote: Which means, Lisa's not gonna participate in her science competitions again.

Past Lexi Bunny: Lori's gonna be cut off from her boyfriend and club activities again,

Past Ace Bunny: Lynn's gonna be missing some games again for her violence.

Past Rev Runner: Lola's not going to be participating in any pageants.

Past Danger Duck: And Luan's gonna be cut off from her comedy and theater clubs.

Past Lincoln: Yep, but actions have consequences, and ever since my Guardian Angels came, Mom and Dad along with Leni, Luna, Laney, Lucy, Lana, and Lily are no longer afraid of those five mean sisters. They're still my sisters, but they're starting to become toxic.

Past Ace Bunny: Hope you find out what the problem is, or we'll have to ask Zadavia for help.

The video ends.

Me: HOLY GEEZ! She really smashed their faces in!

Nico: Mess with a Karen hater, and there's gonna be consequences.

Me: And that explains how Lincoln was able to get the house cleaned up in less than ten seconds, impressive.

Ace Bunny: It wasn't easy, and he had to be careful especially in...Lori's room. Since Angelina was still beating those five up, there was the off chance that Lynn would break free to kill Lincoln, we stood in to help.

Angelina Arkhangelskaya: That you did, guys, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Lincoln: I know. And now that we're here.

Suddenly, Lincoln pinned Angelina Arkhangelskaya to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The

Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Angelina Arkhangelskaya with grey gems on the gold lightning bolts and grey crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Poliwag was about to lick the ice

Nico grabbed him.

Nico: Poliwag this ice is cold here.

Angelina Arkhangelskaya: You don't want to lick the ice here. It's cold enough to freeze your entire tongue off in an instant.

Me: Ouch!

Angelina Arkhangelskaya: Let me show you guys around.

We followed her.

Angelina Arkhangelskaya: J.D. and Lincoln helped me model this entire prison after the Rura Penthe Gulag that they remembered seeing on Star Trek VI. Here we use all kinds of torturous methods on Karen women that think they are so much better than everyone else that they think they can get away with anything. Even breaking the law.

Me: They do everything. They lash Karens with whips, beat them with mace clubs, smash their fingers with hammers, break their toes off, everything.

Nico: (GULPS) YIKES!

Qin: Brutal!

Angelina Arkhangelskaya: Brutal is one of my favorite words to use.

Me: Yep.

Laney: But how do you fund a prison this far away from Earth?

Angelina Arkhangelskaya: We often times use some of the prisoners to mine the planet for precious gems like diamonds and sapphires and rubies.

Mining carts came and they were FULL of gems.

Me: (WHISTLES) Nice!

Xenia: Wow!

Rarity: Can I have some?

Angelina Arkhangelskaya: Help yourself. I already have more than enough to run the prison for 20 lifetimes.

Rarity: (Squeals!) Thank you darling!

Me: I knew Rarity was going to ask that.

Rarity got some gems.

We then saw a big fight arena.

Angelina Arkhangelskaya: This is our arena. It's where we have Karens fight to the death. They fight with other Karens that don't like each other and they kill each other brutally.

Me: WOW!

Xenia: Nasty!

Angelina Arkhangelskaya: I know. See the skeletons and bones there?

Ymir: Yeah.

Angelina Arkhangelskaya: Those are all Karens that died there and we left them there to rot.

Me: Wow!

Lucy Loud: Wicked. What happens to Karens that don't obey you?

Angelina Arkhangelskaya: That's easy Lucy. We'll show you right now

We saw a Karen woman be brought out in nothing but her underwear and she was enraged.

Angelina Arkhangelskaya: We take them and throw them outside and they freeze to death in seconds.

They took her and threw her outside and in seconds she froze and turned into an ice block!

Nico: Chilly!

Lola: Yeah!

Lana: But don't these people have homes on Earth?

Angelina Arkhangelskaya: Not anymore Lana. Not anymore. After the Karens get sent here they are declared as nothing more than useless and totally erased pieces of trash that society threw away. They never go back home and are stuck here till death.

Qin: Geez!

Earth: Boy serves them right.

Angelina Arkhangelskaya: That is for sure.

Poromon: Karens are absolute parasites and menaces to society!

Eli: Puh-lease! They think they are so much better than everyone and can get away with everything. But they are just pathetic dirt poor losers that are worthless pieces of shit!

Angelina Arkhangelskaya: Well said Poromon and Eli. Well said.

Lincoln: Okay, guys, now for the big mission, we're here on Norarc to help Babs Seed unlock her Rainbow Power and take down Guitar Villain.

Nico: It's been a long time since I last fought him, but he's in for a much worse surprise if he thinks I'm still the same person from long ago.

Me: That's for sure.

We had all of TLPS and The M.O.E. with us.

Me: A Mega Jolteon!

Maya: Perfect for me.

Poromon: That would be gross!

Maya: Here.

She gave Mega Jolteon apples.

Mega Jolteon: Thanks.

Mega Jolteon ate them.

Maya: Want to come with me?

Mega Jolteon: I would be honored.

Me: Awesome!

Then there was a rumble!

Me: Whoa!

We saw a huge creature come out of the Arena center and it was a worm creature!

Me: WHOA MAN!

Angelina Arkhangelskaya: What is that!?

Me: Drillerpillar!

Shanan: Oh man! That's a Nereisarian Halicephalobusian Worm. They come from the planet Nereisara and they look like giant version of the Alpha Sand Diggers of planet Aether.

WE GASPED!

2003 Mikey screamed like a little girl

2012 Mikey screamed like a little girl!

Me: Really nasty story we discovered a while back.

Nico: Yeah.

Ed turned into Edzilla!

Edzilla: ED SMASH WORM!

He jumped and smashed and pulverized it all over.

I fired waves of energy and blasted it.

I then took a vial and injected it.

Me: There!

She reverted back and was a girl with brown hair and purple eyes.

We wrapped her in a blanket and brought her over.

Edzilla: ED STRONGEST THERE IS! (ROARS!)

Me: YEAH!

Nico: I hope the prison didn't get damaged

Me: I got this.

I used my powers and sealed up the hole.

Nico: There we go.

Angelina Arkhangelskaya: Don't worry guys. Escape from this place is completely impossible.

Qin: Good.

She woke upl

Girl: (Groans) What happened?

Me: Are you okay?

Girl: I think so.

Me: What's your name?

Charisma Tetherby: Charisma. Charisma Tetherby. Great Granddaughter of Lord Tetherby.

We gasped!

Me: Oh man! I remember seeing a picture of you on Lord Tetherby's wall. He told me you disappeared years ago.

Charisma Tetherby: Oh man! I hope he's alright.

Chandler: Cousin Charisma?

Charisma Tetherby: Chandler? Oh man!

Me: Wait you guys are cousins?

Charisma Tetherby: We don't know the full extent of the family tree though. So we'll go with that.

Me: Okay.

Sydney: I'm glad you're okay Charisma.

Charisma Tetherby: Me too Sydney.

Me: The High Mage is dead. You don't want to know how he died.

Nico: It's horrifying.

Charisma Tetherby: Oh man. Where am I?

Me: You're in a prison on the planet Norarc.

Qin: 34 billion lightyears from Earth.

Lola: Long story on that.

Shanan: You were turned into what's called a Nereisarian Halicephalobusian Worm.

She showed a hologram of it.

Charisma Tetherby: Oh man! That is scary.

Me: I know.

Rarity: Lets get you some new clothes darling.

The Fashion brigade gave her new brown clothes.

Charisma Tetherby: Wow I look amazing.

Me: You sure do,

But then...

SPLAT!

A blast of honey hit me in my face!

Me: HEY! (Slurps) Mmm! Honey!

Qin: Whoa!

Lola: Where did that come from?

Laney: LOOK!

We saw a Mega Vespiquen!

Me: Whoa! Mega Vespiquen!

Qin: Honey?

Cheryl: Vespiquen can produce amazingly enchanted honey that is so incredibly good.

Ash: Oh yeah! I remember that! We met a hive of Combee and Vespiquen and helped Cheryl find the Enchanted Honey.

Dawn: That was awesome.

Me: I heard all about that. That was incredible.

Laney: Amazing. But where did that Mega Vespaquen come from?

Me: Must be one of Dark Gale's work.

Sheena: She's a girl named Honey Kamizuru.

Suzumebachi gasped!

Suzumebachi: That's my sister!

Me: Whoa man! She must not have gotten the memo on the Rock and Leaf being friends.

Suzumebachi: And she is also a master of a rare form of bloodline in our clan called Honey Style.

Me: Honey Style? Wow that explains the honey. Pooh would love eating all her honey.

We went to help her.

Suzumebachi: Honey it's me Suzume!

She fired honey but Horsea ate it

Horsea: (SLURPS) Delicious!

Nico: Cool.

She fired some honey at May. But May ate it too.

May: (Slurps) Yummy!

Manaphy: Wow that must be really good honey.

She fired some honey at Manaphy and she ate it too.

Manaphy: WOW! That is tasty stuff.

Me: Boy no kidding.

I snapped my fingers and she reverted back. She was a girl with dark yellow hair and blue eyes and had yellow butterfly wings and had Mega Vespiquen on her forehead and had a beehive with a honey pot and the Hidden Rock Symbol on her arm.

We wrapped her in a blanket and brought her over.

Me: There. Suzume are there any honey producers in the Hidden Rock?

Suzumebachi: We haven't been keeping track of how many clan members there are.

Me: Oh.

She woke up.

Honey Kamizuru: (Groans) I feel like I was hit all over by the Yellow Flash.

Suzumebachi: Honey?

Honey Kamizuru: Suzume! You're alive!

She hugged her.

Suzumebachi: I'm glad you're okay.

Honey Kamizuru: I am too. I thought the Leaf killed you.

Me: No we didn't kill her Honey.

Honey Kamizuru: J.D. knudson!

Me: But Honey you don't have to fight with the Leaf anymore.

Suzumebachi: We put aside all of our differences long ago. Now the Hidden Leaf and the Rock are friends and we buried the hatchet.

Me: It's a very complicated story. But we'll tell you all about it once we get back to Earth.

Xenia: Yeah.

Me: Also you were turned into a Mega Vespiquen by Dark Gale.

Honey Kamizuru: Oh man. I was busy looking for a document treasure that belonged to our grandfather the First Tsuchikage when everything went black.

Me: You're still searching for that after all this time? Boy that must be really well hidden.

Nico: What was it?

Me: Some clan secrets of the Kamizuru clan hidden by Suzumebachi's grandfather the First Tsuchikage.

Roshi: He hid them really well long ago and no one knows where they are even to this day.

Nico: Wow those must be really hard to find secrets.

Horsea: Your honey was delicious

Honey Kamizuru: Oh thank you very much.

Me: I liked it. Also when we get home I got to report this to the Hokage.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new purple and yellow clothes and a honey stir stick sword.

Honey Kamizuru: I look amazing.

Me: You sure do.

Qin: Yeah.

Lincoln: (Sensed for Guitar Villain) AHA! Gotcha! I just spotted Animan, he's 20 yards away in the arena and he's fighting some of the guards there.

RAIN BY MADONNA PLAYS

(THUNDERCLAPS)

Lightning strikes and rainclouds formed and rain drenched him all over.

Qin: (SINGING DIVINELY AS STORMS AND LIGHTNING SWIRLED AROUND HER)

I feel it

It's coming

Rain

Feel it on my fingertips

Hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow

Take away my pain

Your love's coming down like rain

When your lips are burning mine

And you take the time to tell me how you feel

When you listen to my words

And I know you've heard

I know it's real, rain is what the thunder brings

For the first time I can hear my heart sing

Call me a fool, but I know I'm not

I'm gonna stand out here on the mountain top

'Til I feel your

Rain

Feel it on my fingertips

Hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow

Take away my pain

Your love's coming down like rain

When you looked into my eyes

And you said goodbye, could you see my tears?

When I turned the other way

Did you hear me say

I'd wait for all the dark clouds bursting in a perfect sky?

You promised me when you said goodbye

That you'd return when the storm was done

And now I'll wait for the light, I'll wait for the sun

'Til I feel your

Rain

Feel it on my fingertips

Hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow

Take away my pain

Your love's coming down like

Here comes the sun

Here comes the sun

And I say, never go away

Waiting is the hardest thing (it's strange)

(I feel like I've known you before) I tell myself that if I believe in you

In a dream of you (and I want to understand you)

With all my heart and all my soul (more and more and more)

That by sheer force of will (when I'm with you)

(I feel like a magical child) I will raise you from the ground

(Everything strange) and without a sound, you'll appear

(Everything wild) and surrender to me, to love

Rain is what the thunder brings

For the first time I can hear my heart sing

Call me a fool, but I know I'm not

I'm gonna stand out here on the mountain top

'Til I feel your

Rain

I feel it, it's coming

Qin floated and blasted him with intense lightning and elements.

Poromon flew at him...only to get eaten by Fang.

Nico: Fun fact, that's really Fang, Jagged Stone's Crocodile. But here, he's Akumatized into a dragon!

Me; He is huge!

Qin: Wow!

But then Fang smiled and then...

SMASH!

Poromon blasted out of his mouth and shattered his teeth.

Poromon: NO ONE EATS ME! (ECHOING) LIGHTNING JAVELIN!

He blasted him with lightning and electrocuted him all over!

Lilja: (Icelandic Accent) I love the band Sigur-Rós! It's my favorite Icelandic band.

Me: That is cool!

Mega Jolteon charged at him and blasted him with intense lightning.

Me: YEAH!

Hunter: (German Accent) Let me give you a good lesson on World War I.

(THE ATTACK OF THE DEAD MEN BY SABATON PLAYS)

IMAGES OF THE 1915 BATTLE OF OSOWIEC FORTRESS FROM WORLD WAR I APPEARED

Hunter: (SINGING DIVINELY)

Turmoil at the front, Wilhelm's forces on the hunt

There's a thunder in the east, it's an attack of the deceased

They've been facing poison gas, 7000 charge en masse

Turn the tide of the attack and force the enemy to turn back

And that's when the dead men are marching again

Osowiec then and again

Attack of the dead, hundred men

Facing the lead once again

Hundred men, charge again, die again

Osowiec then and again

Attack of the dead, hundred men

Facing the lead once again

Hundred men, charge again, die again

Two combatants spar, Hindenburg against the Tsar

Move in 12 battalions large, into a Russian counter-charge

They'll be fighting for their lives as their enemy revives

Russians won't surrender, no, striking fear into their foe

And that's when the dead men are marching again

Osowiec then and again

Attack of the dead, hundred men

Facing the lead once again

Hundred men, charge again, die again

Osowiec then and again

Attack of the dead, hundred men

Facing the lead once again

Hundred men, charge again, die again

And that's when the dead men are marching again

Osowiec then and again

He fired waves of energy and blasted Guitar Villain and fang all over the place!

Ymir: WHOA! That was intense!

Me: What you saw were images from the Battle of Osowiec Fortress during World War I. On August 6th, 1915, German troops bombed a fortress in Russia with Chlorine Gas and the Germans were rerouted by it and the Russian's beat them in that battle. That battle brought us into the age of chemical weapons.

Ymir: That is scary!

Me: I know.

Fang tried to eat Mevya but Gatomon snatched him back.

Gatomon: No! Mevya is mine to eat! (ECHOING) LIGHTNING PAW!

SLASH!

She slashed Fang's eyes and blinded him!

Nico: Nice one!

Eli: Now lets see you survive my ultimate power! CHAOS CONTROL!

HE WENT HYPER AND HIS POWER WAS INTENSE!

Me: WHOA!

(LIVE AND LEARN BY CRUSH 40 PLAYS)

Can you feel life movin' through your mind?

Ooh, looks like it came back for more, yeah!

Can you feel time slippin' down your spine?

Ooh, you try and try to ignore, yeah!

But you can hardly swallow

Your fears and pain

And you can't help but follow

It puts you right back where you came

(Live and learn!) Hanging on the edge of tomorrow

(Live and learn!) From the works of yesterday

(Live and learn!) If you beg or if you borrow

(Live and learn!) You may never find your way

Woah-oh-oh-oh yeah

Can you feel life tangle you up inside?

Yeah, now you're facedown on the floor, oh!

But you can't save your sorrow

You've paid in trade

And you can't help but follow

It puts you right back where you came

(Live and learn!) Hanging on the edge of tomorrow

(Live and learn!) From the works of yesterday

(Live and learn!) If you beg or if you borrow

(Live and learn!) You may never find your way

Hey, woah, woah, oh yeah!

Yeah, yeah, yeah, yeah, yeah

There's a face searching far, so far and wide

There's a place where you dreamed you'd never find

Hold on to "what if"! Hold on to "what if"!

(Live and learn!) Hanging on the edge of tomorrow

(Live and learn!) From the works of yesterday

Live and learn!

Yeah, yeah, yeah, yeah, yeah!

Eli flared up his power and went at him with intense force and power and blasted and smashed Guitar Villain and Fang all over with intense and incredible speed!

Me: WHOA! WHAT POWER!

Qin: WOW!

Carol: WAY TO GO ELI!

Fang ate Mevya anyway.

But his overwhelming stench was too much and then...

ZOOM!

He spit him out and ran.

YIKE YIKE YIKE YIKE YIKE YIKE!

HE CRASHED INTO A WALL AND KNOCKED HIMSELF OUT!

Me: NICE!

Qin: WOW!

Mevya: YEAH!

Mevya hopped and got into Guitar Villain's face.

Mevya: SMELLOGRAM!

LOUD NASTY BELCH!

He belched in his face and knocked him down!

Poromon pecked him.

POINK POINK POINK POINK POINK!

Brittney: Time for some darkness. From the Seeds of Darkness, Bloom the Flowers of Evil.

(GOTHICA AND FLEURS DU MAL BY SARAH BRIGHTMAN PLAYS)

(Thunder crashes and lightning flashes)

The Souls of the Damned and the Fires of Hell swirled around her.

Brittney: (SINGING DIVINELY AS DARKNESS, FIRE AND EVIL FLOWERS SWIRLED AROUND HER)

Is it you I keep thinking of?

Should I feel like I do?

I've come to know that I miss your love

While I'm not missing you

We run

Til it's gone

Et les fleurs du mal

Won't let you be

You hold the key to an open door

Will I ever be free?

Les fleurs du mal unfold

Comme les fleurs du mal

Dark demons of my soul

Un amour fatal
Been tryin' hard to fight
Comme les fleurs du mal
Les fleurs du mal inside
Un amour fatal
All my life I've been waiting for
In this perfume of pain
To forget when I needed more
Of love's endless refrain
We live
And we pray
Pour les fleurs du mal
I've lost my way
What is done will return again
Will I ever be free?
Les fleurs du mal
Comme les fleurs du mal
Un amour fatal
Comme les fleurs du mal

Shotaro: That is for sure!

Manaphy hopped over to him.

BASH!

She bashed him in his face!

Honey Kamizuru: Stick around! HONEY STYLE NINJA ART: HONEY ARROW BARRAGE!

Starlight Glimmer: (SINGING DIVINELY AS DARKNESS AND SKULLS SWIRLED AROUND HER)

Mossy velvet of the marble grave is my delight

I don't believe that she is dead

(she's waiting for the night)

I know she returned to the woods

To join her wolfish friends

In the ivy grove I see her face,

Those snow-white hands…

Her naked body's robed in ice web,

Spangled with blood,
Blessed by The Necronomicon
She sold her scarlet heart
Frostwork, it slowly writes her name
She's an infinite nightmare
The midnight romance of witches
Is seen through gossamer…
At the crossroads of twilight,
the love is coffined,
truth is striding
upon fields of endless blight
These arrows have sunk deep inside
Reminding the way he used to lay with me,
His bride...
To the forest heart,
To the altar of last wish
That whitest trampled lily
Is buried beyond you
Where were you when it took my hand,
when he ordered me to stand,

stuffed me with sand?!

And now, when all the angels die

Do you have something to remember me by?

From desires to freedom

Come to me my worthless slave,

Not to be my cross,

But to feed my erotic

Aditum nocendi perfido praestat fides

Yield to temptation,

Yield to your weird dreams

You know we can

Fall aye

The kiss hides a bite,

Caress covers embrace of death

Within your feelings

You doomed yourself

From the forest's heart,

Away from the succub's feast

…Dew on this gossamer

is only dew

We were scared by that one and she fired waves of darkness and energy and smashed Guitar Villain all over the place.

Qin: WHOA!

Nico: WOW!

Brittney: I taught her that one.

Marinette: Lucky Charm!

She formed a guitar!

Marinette: I am Judgement and Heaven is nigh.

(JOAN BY HEATHER DALE PLAYS)

Crosses and light swirled around her.

Marinette: (SINGING DIVINELY AS IMAGES OF THE HUNDRED YEARS WAR APPEARED)

I am as God made me,

I have no desire for a mouth at my breast or a pot on the fire

I heed the high voices, I go where I'm sent

To mow down the men who refuse to repent

I'm a scythe in a field full of briars

And they won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

They'll know me as Joan

The courage of Catherine, the flames of the forge

The sword of St. Michael, the blood of St. George

I take what I'm given, I follow my truth

I gladly abandon the bloom of my youth

I'm the lashing that falls from the scourge

And they won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

They'll know me as Joan

Christem ducem

Poena fortis

Et sanguinis effusio

Corda terant

Ut te quaerant

Ieso, nostra redemptio

I fight where God tells me, I never ask why

I've bloodied the Devil with steel from on high

I kill without consequence, heed no man's law

I sift out the righteous like grain from the straw

I am judgment and heaven is nigh

They won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

They won't call me Mother or Sister or Wife

She fired waves of darkness and blood and blasted him all over!

Poromon: YEAH!

Me: Lila Rossi had better start praying with her maker because the sins of the past have caught up to her and she will be judged for all of them!

Nico: Well said!

Guitar Villain: Wait did you say Lila Rossi?

Me: Yeah why?

Guitar Villain: Have you heard that her real name isn't Lila Rossi?

Me: Yeah. Cat Blanc and Queen Banana told us that her real name is Cerise Blanca and she is also an enigmatic villainess named Chrysalis.

Guitar Villain: Well we learned that Chrysalis took Hawk Moth's place after he sacrificed himself.

WE GASPED!

Me: WHAT!? Hawk Moth sacrificed himself!? Why?

Guitar Villain: He eventually uses the Ladybug and Cat Miraculouses to make his wish come true, sacrificing himself and surrendering all other jewels in the process. This effectively ends Hawk Moth's reign of terror.

Me: So it costed him his life!

Gabriel paled.

Me: He succeeded in bringing Emile back. But in doing so it destroyed him! That is another huge bullet we dodged big time!

Nico: NO SHIT! He paid the ultimate price!

Adrien: Oh dad! Thank goodness we stopped you from doing so.

Gabriel: Thank goodness you did son.

Poliwag: Thank God!

Nico: It's good we stopped him just in time!

Lily: Thank goodness I healed Emile and brought her back!

Xenia: No kidding there!

Me: Oh man! When we face Hawk Moth on Marinette's day in a rescue, we are going to have to give him the ultimate awful truth. Which is not going to be easy to do.

Camie: Yeah no kidding.

Me: So using the Miraculous to do that is a double-edge sword. It'll grant your wish but at a terrible price.

Lola: Your life.

Nico: Yep.

Me: Thanks for telling us this.

Guitar Villain: You're welcome.

Arkayna: We got to use these now.

Arkayna, Zarya, Emerald, Piper, Aerrow, Ben 10, Julie, Gwen, Mallow and Ash Used their rings and blasted him all over the place.

Qin: YEAH!

Nico punched him!

Nico: How's that for the power of a Saiyan.

Nicole fired waves of stars and blasted him.

Me: Nico make a note. Never use the Miraculous for that purpose.

Nico: Noted!

Qin: So using the Miraculous like that is playing with fire!

Camie: Big time!

Ymir: And it will kill you in the end!

Xenia: Yeah!

Chloe Bourgeois: I didn't know it was that dangerous in the wrong hands.

Camie: Me neither!

Me: None of us did.

Queen Chrysalis: I wonder if Lila knew about the truth in that.

Me: Probably not and probably never will.

Nico: She won't get the chance.

Me: We'll make sure of that.

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Guitar Villain and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 620'11" massive, wide, double-edged gold blade of his massive greatsword, I formed a very massive glowing rainbow energy blade surrounding the 620'11" massive, wide, double-edged gold blade of my massive greatsword, and Nico formed a very massive glowing rainbow energy blade surrounding the 620'11" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, GO TO HELL, GUITAR VILLAIN!

Lincoln, Nico, and I did one final powerful energy slash that hit Guitar Villain hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Guitar Villain was on his last legs and he was really really mangled.

God of Dawn Huehuecoyotl, Dark God of Dusk Tezcatlipoca, take him down.

God of Dawn Huehuecoyotl and Dark God of Dusk Tezcatlipoca fired blasts of green fire that knocked down Guitar Villain. Then, Lincoln, Nico, and I punched Guitar Villain so hard in the face, he got two swollen black eyes and Lincoln tied him up with rainbow energy chains, and as he opened up a portal that led to The M.O.E., Nico and I kicked him hard in the stomach and sent him flying in as the portal closed! We cheered as we holstered our weapons and powered down.

Nico: That should do it, Guitar Villain is now in The M.O.E., and we also met your Guardian Angel, Lincoln.

Lincoln: You sure did.

Nico: I can't believe that you guys built that gulag for Karens on that cold planet.

Me: Lincoln chose that planet because no ordinary human on Earth can survive a place of eternal cold.

Lincoln: And Angelina was the perfect choice to be warden, she's the one person who not only hated Karens, but she also wanted to make them suffer and make them die a slow and painful death.

Ace Bunny: That's of course the very fate she planned for Lori, Lynn, Lola, Lisa, and Luan should they finally cross the line. Plus, you did awesome unleashing your new Signer and Dark Signer Duel Monsters on that rocker Akuma, Tech.

Tech E Coyote: It was perfect for me to do so, and for my Duel Deck, I'd use Cyber and Machine Duel Monsters especially The Cyber Dragons and Cyber Angels, for The Cyberdark Duel Monsters, just like Syrus, I overcame the problem Zane had and respected them, and they also became part of my deck.

Me: I knew that would be your deck, and with the brand-new Signer and Dark Signer Duel Monsters you have, those are considered your top cards.

Lincoln: That's right, for the Cyber and Machine Duel Monsters, the top card is God of Dawn Huehuecoyotl, and for your Cyberdark Duel Monsters, the top card is Dark God of Dusk Tezcatlipoca when you go into your Dark Signer of The Coyote form. You'll also need some Spell Cards and Trap Cards as well, I'll find those for you.

Nico: WOW!

Tech E. Coyote: Wow!

Me: No offense Chloe, but I don't think you would make it in politics.

Chloe Bourgeois: You're right.

King Kai: (Telepathically) Nico, J.D., Everyone! Can you hear me!?

Me: Loud and clear King Kai, what's wrong?

King Kai: I'm afraid it's not good J.D. and I found out where all those future Akumas are coming from. They are from another Earth located in the Cartwheel Galaxy and that one is set in a time that you haven't touched.

Me: WHOA!

Qin: So that will be the place where we battle the future Hawk Moth there.

Me: Yeah!

King Kai: And I'm afraid Chloe spoiled the moment there. She became an akuma named Queen Mayor and tried to take over Paris. But after Marinette and Adrien stopped her, she became the most hated girl in all of Paris and was exiled from Paris forever to live with her mother in London.

WE GASPED!

Me: HOLY CRAP! So that's another reason she never learned her lesson there and resorted to extreme measures!

King Kai: That's right. But if you meet Chloe there, tell her that she is better than this and deserves redemption.

Me: We will King Kai.

Nico: Thanks for telling us that.

King Kai: You're welcome.

Nico: WOW! This is gonna take a lot of work.

Mega Jolteon: No kidding.

Nico: Nice job, Mega Jolteon.

Mega Jolteon: Thanks. That was fun.

Poromon: Want some beer?

Mega Jolteon: No thanks. Gives me gas.

Me: Oh boy.

Poromon: Okay.

Poliwag: (Does Puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Mega Jolteon: Nice try though pipsqueak.

Poliwag: HEY!

Chloe Bourgeois: Oh man! You guys saved me from that too.

Me: We sure did.

Nico: Yeah.

Me: Starlight like how we helped with the Live Action Transformers universe, I'm afraid we're going to have our work cut out for us as we help that version of Earth.

Starlight Glimmer: I feel the same way there.

Xenia: Yeah.

Poromon: We're going somewhere later

Nico: Is it a whorehouse?

Poromon: NO WAY! We're going to the Forest Moon of Endor.

Qin: Cool!

Lola: Wow!

Eowyn Endor: You guys are going to love my home planet. I can't wait to show you around.

Poliwag: Looking forward to it.

Me: Why do I get this feeling that there's a bunch of Empire Enemies we overlooked.

Anakin: There are and there are a few of them that aren't as big a threat as Palpatine.

Me: Yeah.

Nico: Oh, Pharaoh Man, what do you like to do in your free time?

Pharaoh Man: I teach at the museum what all the history of Egypt was like. Thousands of years of history is there for me to share with everyone.

Me: So much history to share.

Pharaoh Man: It sure is.

Nico: Now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and The Anothers are coming.

Eli: (Sensed The Anothers) Lincoln's right, I sense them. One of them is Another Leo.

Leo Corbett: Oh man! This will be fun.

Me: Yep. So Pharaoh Man, Pharaoh Atem, Neith, Somnambula, Pyramid Turtle, Nefertiri Anck-Su-Namun, Hazel Ikos and Amaned Semerkhet XXXIX are up. And we're facing Another Magma Dragoon, Banshee (Scooby Doo), SkekNa, Snake Demon, Fire Monster (Scooby Doo), Frog Demon (Scooby Doo Comics), Anck-Su-Namun and Abysswing

Nico: Yep.

Qin: Egypt power.

Me: Yep.

Nico: There they are!

We saw Another Banshee (Scooby Doo), SkekNa, Snake Demon, Fire Monster (Scooby Doo), Frog Demon (Scooby Doo Comics), Anck-Su-Namun and Abysswing!

Me: WHOA!

Qin: This is gonna be powerful!

Another Banshee: It sure will!

They reverted back and they were the gene-slammers of Angry Burger and Clorless, Chaos King of Dark World!

Nico: (GASP) Yulia Burger and Kallia Dark!

POW!

I got socked in the face by Yulia!

Me: OW! What the hell was that for!?

Yulia Burger: BECAUSE I FUCKING HATE YOUR GUTS!

Me: What the hell did I do?!

Ymir: YOU BIMBO!

POW!

She punched her down!

Ymir: No one does that to my future husband!

Me: Boy she has a really nasty temper! Especially for the gene-slammer of Angry Burger. What the fuck is her problem?

Nico: Yulia has always had Anger Management problems. She is a ticking time bomb and goes apeshit crazy at the slightest provocation.

Short Fuse: (British Accent) Welcome to my world.

Nico: By the way girls are the rest of the Anothers friendly or hostile!

Yulia Burger: WHO THE FUCK CARES!?

Kallia Dark: Calm Down Yulia! Friendly and they are amazing and is the Another Leo.

Me: Wow

Nico: Sorry we have to do this girls.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Nico: And now, we wait

Me: Yulia you need to get that temper of yours under control!

Yulia Burger: (Groans) I can't. I don't know how.

Ino: I can help with that.

Me: Just let Ino help you with that.

Yulia Burger: Okay. I'm sorry J.D. I can't help it.

Me: It's okay.

Nico: We understand.

Me: Awesome. Oh perfect!

We saw Another Magma Dragoon and Leo!

Me: WHOA!

Nico: This will be awesome!

Another Magma Dragoon: (In a girls voice) It sure will.

Jesse Anderson: (GASP) That voice!

She reverted back and was the gene-slammer of Rainbow Dragon!

Jessica Anderson: Hello big brother.

Jesse: Jessica!

She and Jesse hugged.

Me: You know each other no doubt.

Jesse: She's my little sister Jessica. She has always been a great believer in me as a duelist of the Rainbow Crystal Beasts.

Me: Wow! Awesome to meet you Jessica. Jesse and Jaden are great partners.

Jessica Anderson: I know they are and I'm so proud of them.

Me: We are too.

Crystal Beast Ruby Carbuncle came and talked to Jessica.

Jessica Anderson: Good to see you too Ruby. You are still as amazing and cute as ever.

Ruby Carbuncle agreed here.

Me: Aww. Duel Academy went through shit because of the Shadow Riders, The Society of Light, The Terror of Yubel and the Wrath of Nightshroud. It was awful all that happened.

Jessica Anderson: I know. But you guys stopped it all and I'm proud of Jesse, Jaden and everyone.

Me: We are too. They came a long way before they joined the team.

Nico: And my friend?

Another Leo: (In a girls voice) Someone who is proud of her brothers and thanks you for killing Trakeena J.D.

Leo: (GASP) That voice!

She reverted back and was a girl with white hair and had white clothes and a Quasar Saber.

Leo: Aura!

Mike: Aura!

They went and hugged her.

Aura Corbett: Glad you guys are safe.

Leo: We are too. Guys this is Aura Corbett. Our sister.

Me: WHOA! Pleasure to meet you.

Lincoln: Love your white hair.

Aura Corbett: Oh thanks. It was black before. I got this color hair from my powers infused in me because of my Quasar Saber. I am the White Lost Galaxy Ranger of Ice.

Me: WHOA!

Lola: That is cool!

Xenia: WOW!

Me: And what is our Galactabeast?

Aura Corbett: I have the Wampa.

Me: Like the Yeti like Creatures on the planet Hoth?

Aura Corbett: Exactly like them.

Me: WHOA! Intense!

Kaito: (gets out Megaranger gear) Did Swartz promise you anything?

Zocks: (gets out Gingaman gear) Because we can grant it instead.

Jessica Anderson: Actually he did for both of us. I want to get revenge on all those that hurt Jesse and his friends.

Me: Like Yubel and Professor Viper and Marcel and all of them. Right?

Jessica Anderson: You hit the nail right on the head.

Me: That was a long time ago. Yubel is not that monster anymore. She was like that because she was driven insane by the Light of Destruction that was going to destroy all life in the entire universe. Really nasty story on that.

Jessica Anderson: So he lied to me!

Me: He lied to everyone. We haven't heard or said that in a while.

Aura Corbett: And I was offered revenge on Trakeena for all the pain she caused everyone including you J.D.

Me: You don't have to worry about Trakeena. She's dead. I killed her.

Emma Goodall: It was on my day.

Me: Yeah she beat me up twice before that. But I came back stronger than ever and killed her with the ultimate extent of my power.

Camie: It's true. That was intense.

Aura Corbett: Wow! Good riddance.

Sakura Knudson: We never liked that monster.

Musa: Neither did Vypra or Diabolico.

Me: Yeah.

Sougo: (gets out In Space Ridewatch) We took out Trakeena already

Geiz: (Gets out Lost Galaxy Ridewatch) And Scorpius is next

Sougo got InSpaceRedArmor while Geiz got LostGalaxyRedArmor.

Me: Yeah. Scorpius has it out for me because I killed Trakeena.

Qin: Yep that's right.

Aura Corbett: I can tell he wants you dead.

Me: He can try all he wants. But I will never die.

Aura Corbett: Good.

Lincoln: Lets separate you both.

We did so.

Me: Lets dance.

Nico: (GETS OUT MAGMA DRAGOON'S RIDEWATCH) Time to burn!

May: (Gets out SkekNa's Ridewatch) (Dark Crystal Animals were heard) SILENCE ANIMALS! IT WON'T HURT! We just want to drain you of your vital essence, Then you can be the same as the other podlings here: A Slave!

SkekNa: That is something I remember saying years ago.

Universe 666 May: (Gets out Fire Monster's ridewatch) Burn Baby Burn!

Maria: (Gets out Frog Demon's Ridewatch) RIBBIT!

Pharaoh Atem: (Gets out Banshee's ridewatch) Time to duel!

They used the powers of Magma Dragoon, Banshee (Scooby Doo), SkekNa, Snake Demon, Fire Monster (Scooby Doo), Frog Demon (Scooby Doo Comics), Anck-Su-Namun and Abysswing and blasted the Anothers all over!

Me: YEAH!

Aura Corbett: Watch me! GO! GALACTIC!

In a flash of white light and ice and snow she turned into her White Ranger Form!

Aura Corbett: GALAXY RANGER WHITE!

Me: COOL!

Qin: Awesome!

Poromon: YEAH!

Aura Corbett: Watch.

She fired blades of ice and blasted Another Leo all over!

Me: WHOA! COLD!

Aura Corbett: Yep. TRANSDAGGER!

She pulled out a White Transdagger!

She formed into a sword!

Aura Corbett: Theta Sword!

Me: Wow!

She fired blasts of energy and blasted him all over.

Me: WHOA! Powerful!

Aura Corbett: And this too. GALAXY QUASAR CANNON!

She had a white huge bazooka!

Me: WHOA! That is cool!

Nico: Nice!

Aura Corbett: Watch. FIRE!

She fired a white ball of energy and it hit Another Leo and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO OOMMMMMMM!

HE EXPLODED!

I caught the Ridewatch and purified it!

Me: WHOA! That was awesome!

Xenia: YEAH!

Nico: Another Leo Corbett you have failed this universe!

Horsea: That's right!

Me: Yeah!

Then Snipe Anteater and Thugly came.

Me: WHOA! Snipe Anteater and Thugly. That means Burst Man and his team next.

Burst Man: That's right. But where's the rest?

Vypra appeared.

Vypra: They couldn't fit in here. So I made them in card form.

She gave me 4 cards. They were black cards that had scary dragons on them.

Me: Cloudian Hurricane Hydra, Volcanic Overlord, Ultimate Fossil Dragon and Rainbow Overhydra?

Lincoln: WHOA! Those are the Hypothetical Akumas of Adrien Gecko, Axel Brodie, Jim Crocodile Cook and Jesse Anderson! Cloudian Hurricane Hydra - The Hypothetical Akuma of Adrien Gecko and a dragon of the clouds. Volcanic Overlord - The Hypothetical Akuma of Axel Brodie and he is a very fiery dragon. Ultimate Fossil Dragon - The Hypothetical Akuma of Jim Crocodile Cook and a Fossil version of Blue-Eyes Ultimate Dragon. And Rainbow Overhydra - The Hypothetical Akuma of Jesse Anderson and he is a Rainbow Dragon with 7 extra heads for each color of the rainbow.

WE GASPED!

Me: HOLY COW!

Lola: Wow!

Me: Clever shrinking them down to card form. Wow! Adrien's is a Dragon of Clouds, Axel's is a dragon made of intensely hot blue and purple fire, Jim's is a dragon skeleton and Jesse's looks like Rainbow Dragon but with 7 extra heads. One for each color of the rainbow.

Nico: Wow! That is cool!

Snipe Anteater: I'll be carrying the cards with me.

Me: Good idea.

I gave them to him.

Nico: That is cool. Whoa is there a draft?

Me: Uh Nico?

I pointed to his pants being down.

Nico: GAH! HEY!

May blushed.

Nico: Very funny! Okay who's the wiseass!?

Out came Elemental HERO Necroshade!

Me: Elemental HERO Necroshade!

Elemental HERO Necroshade: (In a girls voice) Gotcha good Nico!

Nico: Naomi Necroshade! I knew it!

She reverted back and she was a smoking hot one.

Me: Wow! Hello beautiful!

Naomi blushed!

Naomi Necroshade: Thank you. And good to see you again Nico. I got this. PHANTOM DARKTIDE!

She fired a wave of darkness and it hit Another Magma Dragoon and smashed him down and I caught the Ridewatch and purified it.

Me: YEAH!

Qin: Nice job

Naomi Necroshade: Thanks. That was fun.

Rei Miyamoto: Your breasts are as big as mine! WOW!

Naomi Necroshade: I get that all the time.

Nico: Yep.

Pharaoh Atem: Do you have any good memories of Nico?

Naomi Necroshade: I sure do. When we were in highschool, Nico defended me from evil queen bee bitches out to make fun of me because of my body. I was beautiful back then.

Me: And you are now.

Naomi Necroshade: I sure am.

Nico: Yep.

Nico hugged her.

Nico: I've missed you.

Naomi Necroshade: Same here.

Me: When we get home I got to report to the Hokage what we found out with Honey here.

Nico: Okay.

We went back home to Earth.

One day, he tried to murder a young female coyote college student named Akira Furukawa, the one from our universe, but unlike the one from Super Brother's world, the one from the Prime Universe had a secret, not only was she a smart and beautiful female coyote, but it turns out she's a princess from a distant planet. Tech stopped Andrew Furukawa, who was actually her murderous older brother, and he wrapped a steel girder around him to restrain him and sent him to prison. She fell in love at first sight with Tech and he also fell in love with her as well, and she knew he's a member of The Loonatics, and he promised to marry her. But, Andrew didn't want that to happen, he wanted to get revenge. Now, years later, he's broken out of prison, and he wants revenge, but Tech's going to rip him apart and send his soul to the depths of Hell forever.

We had all of TLPS and The MOE with us.

Let's get him!

Lincoln, Super Brother and his harem and sisters and team, Robin Hood, Alexander Avalon, Ricky, Rufus, Margie, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Rayman, Juniper Lee, Von Lycaon, and Sly Cooper went after Andrew Furukawa, and they fired extremely powerful blasts of rainbow, green, royal blue, royal red, royal green, black and blood red, red and yellow, purple and red, magenta and pink, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, nature, leaves, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, witches, ogres, raccoons, devil hounds, demons, devils, owls, foxes, phoenixes, and angels at him, and they exploded with incredible power as they hit him. Then, Von Lycaon and Skippy the Bush Kangaroo punched him hard with their gauntlets and kicked him with their greaves and he got hit hard, and Red Savarin slashed at him with his massive greatsword and shot him with bullets and stun blasts and Sly Cooper whacked him hard with his new cane, same with Alexander Avalon, Ricky, Rufus, and Margie when they hit him on the head with a swing of their staffs.

Then, Skippy balanced himself on his tail and delivered a hard kick to Andrew Furukawa, and he screamed in agonizing pain.

Lincoln continued smashing Andrew Furukawa hard with his extremely massive godly superhuman strength, and he was no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him and he even attacked him using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Varie: UNREAL! Our speed and reflexes are still even faster than ever!

May: We can't keep track of our own movements and we're even more stronger than ever! Look at how we're continuing to smash him all over the place!

Qin: Andrew Furukawa doesn't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering him, now he's at the mercy of The True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid Angel of Gotham Royal York.

Luna: Along with J.D., Nico, Ymir, Camie, and Eli and all of us.

Then, Lincoln fired blasts of elements and energy at Andrew Furukawa and he got beaten up real good and he was mangled!

Then, Andre Lupescu shot at Andrew Furukawa, then Andre Lupescu slashed at him with his massive greatsword, same with Abaddon Aeternus doing the same thing to him.

Ace Bunny: (Smirks) Give him Hell, Tech. (To us) Come on, guys, we better get out of here.

We left leaving Tech E Coyote as he faced Andrew Furukawa as he was shaking in horror, but from the distance, we saw many crows flying all over the cemetery.

Tech E Coyote: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Acme Future Cosmic Star Holy Light Divine Darkness Holy Coyote Signer of Light Dark Coyote Signer of Darkness Green Electromagnetic Lightning Green Fire Storm Fury Super Genius Coyote True Seraphim God Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Acme Future Cosmic Star Holy Light Divine Darkness Holy Coyote Signer of Light Dark Coyote Signer of Darkness Green Electromagnetic Lightning Green Fire Storm Fury Super Genius Coyote True Seraphim God Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) What you did to the countless female students at The Acmetropolis Technology Institute, your own sister, Akira Furukawa, and everything you did to us and all of Acmetropolis and its citizens is unforgiveable. Andrew Furukawa, as punishment for all of your crimes, I hereby sentence you and your gang to be executed in exchange for the lives of your own parents, Akashi and Miyuki Furukawa and the lives of the female students you murdered to slake your own thirst for blood. You will take their place in The

Realm of The Dead where you will await your eternal damnation. This...is for all the lives you have ruined! Rot in Hell, you piece of shit!

Then, Tech E Coyote put his hands over Andrew's eyes and his eyes glowed green as a massive wall of black and green darkness appeared around the cemetery and The Crow looks on as its eyes glow white, and Andrew Furukawa's eyes suddenly turned white, same with his gang of thugs, and from where we were at, we saw the souls of Andrew Furukawa and his gang being sucked out of them and were sent into a portal that led to The Realm of The Dead, but then, we saw heavenly lights shining down and many figures were descending from the Heavens: it was Andrew Furukawa's countless victims, the female college students whom he murdered at The Acmetropolis Technology and Science Institute, and two more figures came down, they were Akashi and Miyuki Furukawa, Akira's parents.

Akira Furukawa: (Voice Breaking) Mom..., Dad...!

She ran up to them and cried as she hugged them and they hugged her back. Then, when Tech was done and the wall of darkness surrounding the cemetery was gone, Andrew Furukawa and his gang were dead, their souls were thrown into The Realm of The Dead and Tech buried their bodies in the graves he dug as his Duel Monsters vanished, and he came back to us.

Ace Bunny: Wow. Tech, you really showed that psycho no mercy. If anything, you can be pretty scary when you get mad.

We powered down.

Me: You said a mouthful. But, what was that power, was that...?

Tech E Coyote: I did say I have the powers of The Crow along with what'd happened to me when I got the two marks on my arms and gained all those other powers, J.D., but, this is a special power I acquired on my own: I have the power to exchange the lives of the guilty for those who were murdered and didn't deserve that cruel fate.

Nico: Whoa...! And not only did you bring back Andrew's murdered victims, but you also brought back Akira's parents, did she...?

Lexi Bunny: Yep, she told us of their murder long ago. Tech was planning to use that special power one day, and he did just that.

Then, Akira Furukawa ran up to Tech E Coyote and hugged him and they kissed. Then, we came back home to The World Tree Estate.

Lincoln: That was one awesome rescue, and Tech, you really did an awesome job getting rid of that psycho and his gang, but I had no idea you also captured his gang as well. Looks like all our extra training has paid off.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long crimson red hair with yellow streaks with orange flower in her hair, crimson red eyes, massive fire colored angel wings, she has The Volcanic Laval Masters of Courage symbol on her right arm and the pendant on her necklace, The Laval Crest on her forehead, and Laval Slasher on her crimson red skirt, crimson red short-sleeved blouse, orange sleeveless midriff top with Laval Slasher on it, crimson red bridal gloves, orange stockings, crimson red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, lava, phoenixes, and angels on the coattails, and on the back is Laval Slasher, and she has a fire greatsword, and with her are the five girls.

Lincoln: (GASPS) Apollonia Vulcania, Avatar and Gene-Slammer of Laval Slasher.

Apollonia Vulcania: That's right, and I got the girls away from that psycho, but I did managed to see Tech send that bastard and his gang to The Realm of The Dead.

Me: We should've stayed, but like Tech said, it was gonna get ugly.

Lincoln: He did, and thank goodness he told us to get out of there. (Shudders) But, that psycho had it coming. (To Apollonia Vulcania) And it's so good to see you again, Apollonia.

Apollonia Vulcania: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Apollonia Vulcania had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Apollonia Vulcania was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Apollonia Vulcania: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Apollonia Vulcania's waist and hugged her, and Apollonia Vulcania was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Apollonia Vulcania: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 620'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Apollonia Vulcania, Avatar and Gene-Slammer of Laval Slasher, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lava Slasher. She's The Volcanic Lava Slash Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Apollonia Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Slasher, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Slasher, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Apollonia Vulcania despises that stupid no-good Bubble Bass with a blazing passion!

Nico: We got him at Lynn's Table, and if you want, feel free to beat him up to a bloody pulp. Lincoln put his Gessius Flores Vengeance Curse on him, and any injury you give him, you're going to be richly rewarded.

Lincoln: That's for sure, and you can tear him in half and do whatever you want to him, and now that you're here, Apollonia.

Lincoln with his massive muscular arms still wrapped around Apollonia Vulcania's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Apollonia Vulcania: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Apollonia Vulcania with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Apollonia Vulcania: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Apollonia Vulcania.

Apollonia Vulcania had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Apollonia Vulcania's waist, and he leaned down to her face and kissed her on the lips, and with Apollonia Vulcania's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Apollonia Vulcania had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Apollonia Vulcania: (In Heaven) My God. And Lincoln, tell the guys to run to their rooms, the five girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the five girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the five girls are Agnes, Beatrice, Iris, Rinu, and Sophia from Hikari! Love Potion.

Lincoln: Oh whoa, it's Agnes, Beatrice, Iris, Rinu, and Sophia from Hikari! Love Potion.

Nicole: Uh oh, I think Apollonia was right telling the guys to run, these girls are voluptuous and sexy.

Lincoln: And they also have powers, but of course, I'm not going to tolerate perverts trying to get near them, and I'll rip them apart. Are you girls okay?

Agnes: Yes, we're okay, thanks to you.

Then, when Agnes and the other four girls saw who it was that saved them from Andrew Furukawa, their faces turned atomic red and their noses gushed out blood upon seeing the 620'11" tall, handsome heartthrob hulking wolfman with abnormally massive and powerful upper and lower body muscles covered in light brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle with beard stubble on his jawline and thick brown goatee on his chin, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights with Beatrice: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clone, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Iris: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Agnes, Beatrice, Iris, Rinu, and Sophia with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: Okay, that was one wild battle we had in Acmetropolis, and Tech really laid quite the beatdown on that bastard.

May: And the way he ended him, that was really wild.

Lincoln: Something tells me that in the next few days, Ace, Lexi, Rev, Slam, and Duck are going to show us some more powers they'll also gain from their transformations right before Nico's rescues.

?: That's for sure.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long dark green hair, green eyes, she was dressed in a light green two-piece bikini, she has massive green angel wings, and she has a greatsword in hand.

Lincoln: (GASPS) Vicky Vomitairaira, Queen of The Vomitairairans of Planet Vomitairaira.

Nico: The only female Vomitairairan that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Vicky Vomitairaira, Queen of The Vomitairairans of Planet Vomitairaira, she's Lincoln's Guardian Angel from the planet of Vomitairaira in The Forbidden Zone, she's The Queen of The Vomitairairans who rules Vomitairaira, a planet of nausea, and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nausea, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all donuts, and all the powers of her people itself times infinity, and the ability to grow even stronger, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Vomitairaira where he would meet The Vomitairairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Vomitairairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all nausea, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Vomitairaira and its core into his body and Vomitairaira's Sun into his body to preserve their legacy. Vicky Vomitairaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nausea, the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, and immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nausea, the ability to grow even stronger, and all the powers of The Vomitairairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of souls of the male Vomitairairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nausea, the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Vomitairaira and its core and Vomitairaira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them suffer incredible nausea and vomit so hard, they'll vomit blood and die and be banished forever to The Black Abyss with the power of Vomitairaira.

Me: That's incredible.

Vicky Vomitairaira: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male Vomitairairans along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all nausea, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally absorbing Vomitairaira and its core and Vomitairaira's Sun into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: Wait, you also included immense virility and fertility as well? That means...!

Vicky Vomitairaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Vicky Vomitairaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Vicky Vomitairaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Vicky Vomitairaira with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Vicky Vomitairaira: That's my special gift to him: Vomitairaira's Blessing of Divine Nausea Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 620'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Vicky Vomitairaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Vomitairairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us took down Andrew Furukawa and Tech E Coyote sent his soul and the souls of his thugs to The Realm of The Dead, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Nina Vulcania saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,0

00,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Apollonia Vulcania: My God, I was right that Lincoln's really grown into a 620'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Apollonia, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Apollonia Vulcania: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Apollonia Vulcania: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

And when Super Brother's harem saw Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and

And when Nico's harem saw Nico doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large yellow angel wings underneath his enormous yellow angel wings and he was sweating up a storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Then, Ace Bunny got out a videotape.

Ace Bunny: Speaking of memories, the videotape I got here is from a week after Angelina beat down Lori, Lynn, Lola, Lisa, and Luan, this was the time Lincoln took us to Acme Acres, that's where we met Buster and his friends along with our ancestors.

Tech E Coyote: We of course got a tour of Acme Acres and Acme Looniversity, that was until our day got ruined by Sebastian who was on the attack and he had all of the old enemies of The Z-Fighters with him.

Then, Ace Bunny put the tape in and it played on the big screen and it showed Acme Acres. Then, we saw Lincoln, Adrianne Acmetropolis, and The Loonatics heading to Acme Looniversity.

Past Ace Bunny: So, this is Acme Acres. This place looks very different from Acmetropolis.

Past Lincoln: It is, and we'd been here to put a stop to Montana Max who got Buster expelled from Acme Looniversity among many other multiple offenses and we sent him and Elmyra Duff who was guilty of animal abuse to prison.

Past Ace Bunny: That Montana Max kid is really bad news from what you and Adrianne told us, and the same goes with Elmyra Duff. I mean, abusing animals by hugging them to death? Unbelievable.

Past Lexi Bunny: But, she doesn't know when to quit, and when you showed us that there's nothing in her head, we were really stunned.

Past Tech E Coyote: Well, thank goodness we don't have to deal with them after you guys threw them in prison.

Then, they arrived at Acme Looniversity.

Past Rev Runner: Acme Looniversity? This college isn't like the ones in Acmetropolis.

Past Lincoln: Nope, it isn't.

Then, Lincoln opened the doors, and they stepped in.

Past Lexi Bunny: Wow, this place is really awesome.

?: HEY, WATCH OUT, BUSTER!

?: GANGWAY!

Past Lexi Bunny: What was that?

Past Lincoln: Uh oh, here comes our guests!

Suddenly, they heard a stampede!

Past Danger Duck: STAMPEDE!

Then, they saw Buster Bunny, Babs Bunny, Fifi La Fume, Shirley the Loon, Plucky Duck, Calamity Coyote, Dizzy Devil, Furrball, Gogo Dodo, and Hampton Pig.

Past Ace Bunny: That wasn't a stampede, Duck. So, these are the students of Acme Looniversity.

Past Adrianne Acmetropolis: Correct, Ace. Meet Buster Bunny, Babs Bunny, Fifi La Fume, Shirley the Loon, Plucky Duck, Calamity Coyote, Lil Beeper, Dizzy Devil, Furrball, Gogo Dodo, and Hampton Pig.

Past Babs Bunny: Whoa, no way, so you guys are the descendants of our mentors?! So awesome!

Past Lexi Bunny: That's right.

Past Buster Bunny: Our teachers, your ancestors are the legendary Looney Tunes, the stars of cartoon comedy, but from your attire, I can say you guys are real life heroes.

Past Ace Bunny: We just met and already you can tell what we are. Pretty smart observation, kid.

Past Lincoln: You said it. So, how have things been here at Acme Loo, Buster?

Past Buster Bunny: It's been really awesome. Now that Monty and Elmyra are in prison forever, we have had no problems at all. Well, except for Perfecto Prep, they are...!

Past Tech E Coyote: Let me guess, stuck-up entitled snobs who think they're better than you all and resorted to cheating and other dirty tricks to get what they want?

They did wild takes!

Past Plucky Duck: How did you...?!

Past Rev Runner: Had to deal with Lincoln's five mean sisters, Lori, Lynn, Lola, Lisa, and Luan, and last week, they got beaten up by one of his Guardian Angels for an attempted smear campaign.

Past Slam Tasmanian: (Grunting)

Past Fifi La Fume: (French Accent) What did he say?

Past Tech E Coyote: He said they had it coming.

Past Buster Bunny: We are definitely going to get some lessons to understand what Slam is saying, we can understand Dizzy and Taz, but Taz's descendant, we're gonna need help.

?: Eh, what's up here, Doc?

Suddenly, they saw Bugs Bunny, Lola Bunny, Wile E Coyote, Taz, Roadrunner, and Daffy Duck come out.

Past Buster Bunny: Bugs, everyone, you're here.

Past Bugs Bunny: We heard some commotion, and Lincoln and Adrianne are here? We should've rolled out the red carpet. (Suddenly sees The Loonatics) Wait, who are you guys?

Past Adrianne Acmetropolis: Oh, these guys are The Loonatics, and they're your heroic descendants from Acmetropolis.

As soon as she said that, they did tons of wild takes!

Past Lola Bunny: Wait, what?! Our descendants are heroes?! Whoa! That means fighting dangerous supervillains and saving innocent lives.

Past Lexi Bunny: That's definitely what we've done in Acmetropolis. So, I heard from Lincoln you're an expert basketball player.

Lola Bunny spin changed into her Tune Squad uniform from Space Jam.

Past Lola Bunny: You got it. Any time, we'll have a few games at the gym.

Past Lexi Bunny: Alright, then.

Past Daffy Duck: (To Danger Duck) And please tell me you're the leader! I have to...!

But, before Danger Duck could answer, Tech closed his mouth and pointed to Ace Bunny.

Past Tech E Coyote: Sorry, wrong person. That would be Ace.

Past Danger Duck: Seriously?

Past Daffy Duck: (To Bugs Bunny) You're despicable.

Past Bugs Bunny: (Snickers)(To Ace Bunny) So, you're the leader of this whole group of heroes in Acmetropolis.

Past Ace Bunny: Yep, and as for the villains, we've also had to deal with the descendants of Sylvester, Yosemite Sam, Marvin the Martian, and Elmer Fudd.

Bugs Bunny freaked out!

Past Bugs Bunny: What?! So, in the future, Yosemite Sam, Marvin the Martian, and Elmer Fudd have descendants?! Ooh, the inhumanity!

Past Tech E Coyote: And we've had to deal with the other supervillains there, and they're real nasty pieces of work. But, there's also something you should know.

As soon as Tech told them that Granny and Porky even Pepe Le Pew have villain descendants, they were horrified.

Past Sylvester: What?! Oh man, how could this be? I get me, Yosemite Sam, and Elmer Fudd having villain descendants with our usual antics, but Granny, Porky, and Pepe Le Pew, they're nice toons, but I guess that would skip a generation.

Past Lincoln: Sorry you guys had to hear that.

Past Buster Bunny: It's okay. And I noticed that Tech and Rev happen to be friends.

Past Rev Runner: And why's that?

Past Babs Bunny: Well, here in our time, your ancestors, Wile E Coyote and Roadrunner, had gotten into some wild trouble in the desert with Wile trying to chase and eat Roadrunner, and the same can be said of Calamity Coyote trying to eat Lil Beeper.

Past Tech E Coyote: (To Rev Runner) Well, now I understand your parents' Coyote problem. Anyways, that aside, we're here for another nice day with both our sister and the boy she's with.

Past Buster Bunny: You guys are in for one awesome day.

They traveled across Acme Acres, and they went into town, and went to the poshest ice cream shop in Acme Acres, Le Trendy Dessertery.

Past Babs Bunny: Le Trendy Dessertery costs bucko bucks to eat here, but thanks to Lincoln and another Guardian Angel of his, Valencia Nightingale, we get free passes.

Past Lincoln: And with Roderick and Rhubella banned from here due to smoking, the air is so nice and clean.

Past Babs Bunny: And besides, there's no smoking allowed here, and this is just my opinion, but...! (YELLS OUT LOUD) CIGARETTES ARE GROSS!

Past Lincoln, The Looney Tunes, The Tiny Toons, and Adrianne Acmetropolis: (Making disgusted faces) YUCK! GROSS!

Past Lexi Bunny: I have to agree, that's not only gross, but rude as well.

After finishing up their desserts, they headed to Weenie Burger.

Past Ace Bunny: I can guess this is another place you guys go to for lunch.

Past Bugs Bunny: Only on the weekends, and it's also a place to hang out. So, I got to ask, what kinds of powers do you guys have?

Past Adrianne Acmetropolis: I can answer, Ace has optic eye blasts and optic enhancements, Tech has electromagnetic powers and molecular regeneration, Lexi has superhuman hearing and brain blasts, Slam has tornado powers, Rev has superhuman speed and GPS tracking, and Duck has energy blasts and teleportation.

Past Lola Bunny: Now, that's pretty cool.

Suddenly, the alarm sounded!

Past Ace Bunny: Whoa! What's that?

Past Buster Bunny: That's our new alarm system, we had this installed long ago, and it warns us of trouble. Calamity Coyote had this installed.

Past Tech E Coyote: Impressive.

Calamity Coyote gave Tech E Coyote a thumbs-up.

Past Lincoln: That better not be Lori, Lynn, Lola, Lisa, and Luan out for revenge.

Plucky Duck saw something, and it's not Lori, Lynn, Lola, Lisa, and Luan, and he freaked out!

Past Plucky Duck: (SCREAMS) It's not them! It's...HIM!

Past Buster Bunny: (GASPS) Him?! As in Sebastian Mendez, The Deranged Bloodstained Demon Teen who attacked

Acme Acres a week ago?! Him HIM!? (SCREAMS)

Past Babs Bunny: That lousy cockroach!

Past Shirley the Loon: Like, mondo bad karma, he's like an itch that won't go away. My crystal predicted disaster if he didn't change his nasty ways.

Past Lincoln: So, you dealt with him before?

Past Plucky Duck: It's not just him, but he also had The Z-Fighters' old foes with him, and I mean, all of them!

Past Adrianne Acmetropolis: Oh man!

Past Ace Bunny: We can't let that maniac get away with this, let's get him!

They headed out, and then, they saw Sebastian Mendez and the old foes of The Z-Fighters, and he was on the loose and causing havoc by destroying buildings and cars and cackling like a madman from Hell!

Past Buster Bunny: Hey, you beady-eyed lizard-lipped moron! GET THE HECK OUT OF OUR CITY RIGHT NOW!

Buster Bunny fired a sapphire blue energy blast that hit Sebastian, and he let out an inhuman Satanic shriek of rage as they landed!

Past Ace Bunny: Yuck! This guy certainly is nothing more than a monster.

Past Adrianne Acmetropolis: A monster and a half, this demon's responsible for the murders of Ashley McKenna's parents and for a widespread multitude of bloody atrocities all over the world.

Past Tech E Coyote: So, he's also a murderer as well?!

Past Lincoln: Yep, and the company he has with him are just as bad as him, but he's even worse than them!

Then, Babs Bunny, Shirley the Loon, and Fifi La Fume changed into their outfits from when they went to the dance at Perfecto Prep.

Past Babs Bunny: Alright, you dirtbag, you better be ready to say your final farewells.

Past Shirley the Loon: Like, there's not going to be any mercy for you.

Past Fifi La Fume: (French Accent) Oui, you showed no mercy at all, you need to pay.

Past Sebastian Mendez: SHUT UP! SHUT UP! AND SHUT UP! ALL OF YOU! FRIEZA, KILL THEM!

Frieza was about to kill them, but Ace Bunny fired an optic blast, Lexi Bunny fired a brain blast, Tech E Coyote fired green lightning, Slam Tasmanian fired tornadoes, and Danger Duck fired energy orbs at him and that pissed him off. Then, Lincoln sprouted out a tail with Cell's stinger and he stabbed it into Frieza's chest and he absorbed him and assimilated his powers and abilities and Lincoln sent Frieza's soul back to Hell.

Past Babs Bunny: Eat your black heart out, Frieza.

Sebastian flat out lost it and ordered the rest to attack, but The Loonatics attacked them as well, and Lincoln did the same thing as he stabbed his tail with Cell's stinger into the rest of the villains and he absorbed them and he'd assimilated all of the powers and abilities of the other foes of The Z-Fighters and they too were sent back to Hell.

Past Buster Bunny: Hah! Now, what? Your army of resurrected psychos are gone forever, and now, you are all alone. (Sensed The Z-Fighters) Uh oh, and I think your demise is already coming for you.

Past Sebastian Mendez: Why you little! (Saw The Z-Fighters) What the?! (ENRAGED SCREAM) This isn't over, Buster! Mark my words, you are all going to regret ever angering me, I will never stop until this pathetic world and the universe and multiverses beyond are destroyed forever along with every last living soul in it!

Sebastian ran away!

Past Plucky Duck: Hey, he's getting away!

Ace Bunny fired an optic blast, Lexi Bunny fired a brain blast, Tech E Coyote fired green lightning, Slam Tasmanian fired tornadoes, and Danger Duck fired energy orbs at Sebastian and mangled him up, and Rev Runner ran fast and tripped Sebastian sending him flying.

Finally, Lincoln fired a red Death Beam at Sebastian and blew his chest wide open and he was killed, but he was suddenly resurrected by The Black Ooze of The Eldritch's power and it made him even more pissed off than ever and he fled back to Hell as the video ends.

Me: Whoa, so that explained that massive surge of power that time.

Nico: And you guys met your ancestors and their students, and you had a great time.

Qin: That was until Sebastian still possessed by The Black Ooze of The Eldritch came back for revenge along with the foes of The Z-Fighters.

Buster Bunny: And Lincoln absorbed them and assimilated all their powers and abilities. He made a mess when he absorbed all of them and all that was left of them were their clothing.

Lexi Bunny: But, that of course, led to a massive surge in power for Lincoln, and that also led to him growing taller in height and he grew even more in muscle mass which caused his own clothes to be shredded off except for his underwear.

Luna: That explained the massive robe you had him wear, and Lori, Lynn, Lola, Lisa, and Luan were still pissed at Lincoln and they tried to kill him, but when he removed the robe, Lori, Lynn, Lola, Lisa, and Luan freaked out seeing Lincoln even taller and extremely ripped with massive bulging upper and lower body muscles and twelve-pack abs, and they ran back to their rooms like cowards! I was on my butt laughing hysterically at that!

Tech E Coyote: Glad you were amused, Luna.

Laney; Still, I would've thought Lori, Lynn, Lola, Lisa, and Luan went on the attack, but it wasn't them this time. But, when they tried to attack him, they were in for a surprise.

Slam Tasmanian: (Snickers) Busted.

Lynn: We wound up getting a week added onto our five month sentence.

Ace Bunny: You shouldn't have tried to attack Lincoln, especially after that day in Acme Acres.

Then, Lincoln, his harem and kids, and Braeden Carnes headed for The Crystal Elemental Realm.

Braeden Carnes: This is our next stop: The Crystal Elemental Realm.

Lincoln: Whoa, this place sure is beautiful.

Rarity: Indeed, the crystals here are absolutely gorgeous. So, who's our next target?

Braeden Carnes: That would be The Dark Element Wielders: Emperor Darth-Ra, Stripe Goblin, Patty Carol the Sea Witch, Queen Eartha, Cyclone Grievous, Dragon Claw, Blaze Simian, Rex Claw, Magnum, and Professor Mind.

Braeden Carnes: Emperor Darth-Ra, Stripe Goblin, Patty Carol the Sea Witch, Queen Eartha, Cyclone Grievous, Dragon Claw, Blaze Simian, Rex Claw, Magnum, and Professor Mind, The Dark Element Wielders, I should've known.

Professor Mind: You're not stopping us this time, Carnes! Soon, The Elemental Realms and this world will be ours!

Lincoln: No, that's not happening, Dark Element Wielders. We're ending this for good.

Lincoln, his harem and kids, and Braeden Carnes went at Emperor Darth-Ra, Stripe Goblin, Patty Carol the Sea Witch, Queen Eartha, Cyclone Grievous, Dragon Claw, Blaze Simian, Rex Claw, Magnum, and Professor Mind and blasted them with energy blasts and elements and knocked them down.

Then, Braeden Carnes got out his specially made Traps and threw them, and they began sucking in Emperor Darth-Ra, Stripe Goblin, Patty Carol the Sea Witch, Queen Eartha, Cyclone Grievous, Dragon Claw, Blaze Simian, Rex Claw, Magnum, and Professor Mind.

Emperor Darth-Ra, Stripe Goblin, Patty Carol the Sea Witch, Queen Eartha, Cyclone Grievous, Dragon Claw, Blaze Simian, Rex Claw, Magnum, and Professor Mind: You can't do this to us!

Then, The Dark Element Wielders were sealed into the Traps that went back into Braeden's hand.

Professor Mind: Curse you, Braeden! WE'LL GET YOU FOR THIS!

Braeden Carnes: It's over, Professor Mind. But, I'm not killing you nor any of the others, all of you are just as much a part of The Elemental Lands as The Elemental Heroes, I intend to redeem you all and free you from this cursed path you set out on.

Queen Eartha: Maybe, I think it's time for a career change.

Professor Mind: Alright, fine.

They came back home.

Me: So, that was the ninth part down.

Lincoln: And three more to go. But, so far so good, and it's just like our adventures in The Skylands.

Nico: You said it.

Braeden Carnes: That's right. Soon, we'll be reunited once more, and the person responsible for this will pay.

We got a shower, and then, Lincoln, Melancholy Hill, Glitz, Glam, Cherry the Red Panda, Cheshire the Cat, Scarlotte the Hedgecat, Velvety the Squirrel, Reverie the Red Panda, and Rubellite the Skunk are heading to Porquerolles Island in France, and joining them are the rest of his harem.

Lincoln snapped his fingers, and the 620'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt

surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Melancholy Hill, Glitz, Glam, Cherry the Red Panda, Cheshire the Cat, Scarlotte the Hedgecat, Velvety the Squirrel, Reverie the Red Panda, and Rubellite the Skunk and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Melancholy Hill, Glitz, Glam, Cherry the Red Panda, Cheshire the Cat, Scarlotte the Hedgecat, Velvety the Squirrel, Reverie the Red Panda, and Rubellite the Skunk had feelings for Lincoln, and Lincoln also had feelings for them too, and he saved them from a group of musclebound thugs and he sucked out their muscle mass, virility, testosterone, strength, and energy which killed them all.

Cherry the Red Panda: Wow, we're here in Porquerolles Island in France, it's so beautiful.

Lincoln: You said it, Cherry, and it's perfect for our first date. Shall we?

Lincolnn, Melancholy Hill, Glitz, Glam, Cherry the Red Panda, Cheshire the Cat, Scarlotte the Hedgecat, Velvety the Squirrel, Reverie the Red Panda, and Rubellite the Skunk and the rest of his harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Melancholy Hill, Glitz, Glam, Cherry the Red Panda, Cheshire the Cat, Scarlotte the Hedgecat, Velvety the Squirrel, Reverie the Red Panda, and Rubellite the Skunk and the rest of his harem harem also gave Lincoln a deep tissue massage

which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, Lincoln did the same thing giving Melancholy Hill, Glitz, Glam, Cherry the Red Panda, Cheshire the Cat, Scarlotte the Hedgecat, Velvety the Squirrel, Reverie the Red Panda, and Rubellite the Skunk and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his massive muscles.

Lily the Mermaid: (Swooning) Linky's still such a handsome and manly wolfman hunk.

?: Soon, all of you will bow before me.

Suddenly, Lincoln and his harem saw Aurelion Sol from League of Legends coming after them!

Ahri: Aurelion Sol.

Lincoln: I'll get him, Ahri.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into Aurelion Sol and he began absorbing him and he assimilated Aurelion Sol's Wide-Level-Intelligence, Nigh-Omniscience absorbed by his True

Omniscience, Perfect Strategic Mind, Creation Creativity, Charming Persona, Celestial physiology, Incredible Cosmic Powers, Celestial magic, Vast Immortality assimilated by his True Immortality, Starfire, Nigh-Omniscience absorbed by his True Omniscience, Nigh-Omnipotence absorbed by his True Omnipotence, Incredible Size (Big as a galaxy), Reality Warping, Space-Time Manipulation, Vast Cosmic Creation at every consiveable being, Gravity Manipulation, Void Manipulation, and Avatar Creation, and Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, Lincoln sucked out every last bit of energy from Aurelion Sol's soul and he sent him to The Black Abyss and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Melancholy Hill, Glitz, Glam, Cherry the Red Panda, Cheshire the Cat, Scarlotte the Hedgecat, Velvety the Squirrel, Reverie the Red Panda, and Rubellite the Skunk and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and his harem placed their hands on Lincoln's massive hairy pecs, but Lincoln wasn't done. Then, he had Melancholy Hill, Glitz, Glam, Cherry the Red Panda, Cheshire the Cat, Scarlotte the Hedgecat, Velvety the Squirrel, Reverie the Red Panda, and Rubellite the Skunk and the rest of his harem lying down on a massive beach towel with Lincoln on top of Melancholy Hill, Glitz, Glam, Cherry the Red Panda, Cheshire the Cat, Scarlotte the Hedgecat, Velvety the Squirrel, Reverie the Red Panda, and Rubellite the Skunk and the rest of his harem.

And then, Lincoln shared a passionate and romantic kiss with Melancholy Hill, Glitz, Glam, Cherry the Red Panda, Cheshire the Cat, Scarlotte the Hedgecat, Velvety the Squirrel, Reverie the Red Panda, and Rubellite the Skunk and the rest of his harem and Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on the blood of Melancholy Hill, Glitz, Glam, Cherry the Red Panda, Cheshire the Cat, Scarlotte the Hedgecat, Velvety the Squirrel, Reverie the Red Panda, and Rubellite the Skunk and the rest of his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light hovering above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Porquerolles Island, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Melancholy Hill, Glitz, Glam, Cherry the Red Panda, Cheshire the Cat, Scarlotte the Hedgecat, Velvety the Squirrel, Reverie the Red Panda, and Rubellite the Skunk with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with eight white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks and eight rainbow Thunderbird wedding rings on their left pinkies.

Lily the Mermaid: And now, Melancholy Hill, Glitz, Glam, Cherry the Red Panda, Cheshire the Cat, Scarlotte the Hedgecat, Velvety the Squirrel, Reverie the Red Panda, and Rubellite the Skunk are in your harem, Linky.

Melancholy Hill, Glitz, Glam, Cherry the Red Panda, Cheshire the Cat, Scarlotte the Hedgecat, Velvety the Squirrel, Reverie the Red Panda, and Rubellite the Skunk showed the marks on their right trapeziuses Lincoln made.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Aurelion Sol from League of Legends came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed him and assimilated all his powers and abilities, and I sucked out the last of his energy in his soul and banished him to The Black Abyss.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: (Fiery Godly Voice) The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold,

jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori,

Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

The mascots, Eli, me and Eowyn Endor and Shodu Warrick were heading to the door.

Kendrick: Have fun, you guys.

Poromon: We will guys.

Shodu Warrick: (Speaking in Ewok)

Eowyn Endor: Shodu says he was feeling homesick and wanted to make sure everything was okay back home.

Nico: No worries there.

Me: See ya shortly.

We were off to Endor.

Nico: This will be interesting.

We arrived.

Me: Wow!

We saw Endor better than ever. We saw that there was no shield generator and no Death Star 2 in the sky.

Me: Much better without the Death Star and Shield Generator.

Leo Corbett: This place hasn't changed

Me: No it hasn't.

Eli: And the best part is no Empire to terrorize it.

Me: Thank goodness.

Poromon: Yeah.

We went into the trees and saw the villages of the Ewok.

Me: Wow so pretty.

Shodu was happy to see his friends again.

Eowyn Endor: Shodu is happy to see his friends again.

Me: I can tell he missed them.

Eowyn Endor: He sure has.

Eli: Wait look.

We saw a gold and black version of R2 D2.

Leo Corbett: Is that R2?

Eli: He looks familiar.

We went over to it.

Eli: Excuse me.

He beeped.

Eli: (GASP) You're R3 S6! You were thought to have been lost in the battle of Bothawui!

Me: Wait wasn't this the Droid that was a Reconnaissance and Spy Droid for the Empire?

Eli: Yeah! And he operated for the Separatist droids

Cutthroat: Greivous sent him in as a spy after Anakin lost R2 before.

Anakin: (gets out lightsaber) I haven't forgotten. I'm going to enjoy this so much

Me: Anakin wait. I don't think this droid is that much of a threat.

I looked at him with my eyes.

I saw that there were no weapons or anything like that on him.

Me: He doesn't have any weapons and missiles or anything like that on him. And he was primarily built for reconnaissance and information gathering. Hmm... Maybe we can reprogram him to be with us since the Empire is gone.

Anakin disengaged his lightsaber.

Anakin: That's not a bad idea.

Tracks: But we understand why you and R2 would be distrustful.

R3 beeped.

Me: He said he understands that.

Luke Skylander: J.D. is learning how to speak for Droids.

Me: Yeah learned it from all of you.

We got to work on him.

We reprogrammed him for us and to be our spy and reconnaissance gatherer.

Stewie: All fixed up and reprogrammed.

Me: Awesome. Wait...

I saw the Empire crest on him.

Me: This needs to go.

I put our crest on him.

Me: There.

Poromon: We didn't even know R2 Units served the Seperatists

Me: They served both good and bad.

Qin: Wow!

Me: Well if we find anymore droids like that we'll reprogram them to be with us.

Xenia: Good idea.

Nico: Wonder if any Protocol Droids served them too.

Eli: Actually yes there was. 4D6-J-A7, she served as the Administrator Droid for the tower of the Empire on Scarif.

Jyn: I remember seeing that one there.

Sena Scarif: I remember seeing her too. She was a very brillant droid.

Qin: Wow.

Nico: Even though Protocol Droids are non combat?

C-3PO: That is primarily what we are mostly programmed to do.

Me: That's true. But we can always use more droids all over.

Nico: True.

Me: But also this talk has got me thinking. Maybe we can have all the Droids that are combat oriented fight for us. Reprogram them to help us in battle when needed.

Nico: If we can find all of them

Me: Yeah. In a galaxy this huge it's going to be like looking for countless needles in a haystack.

Qin: Yep.

Laney: Hey guys look at my new friend.

We saw Laney with a Mega Shiny Rapidash!

Me: WHOA! A Mega Shiny Rapidash.

Lana: What's that doing here?

Laney: She's beautiful though.

Laney gave her apples.

Nico: How did that get here?

Me: Must be one of Dark Gale's work.

Sheena: And she is actually a Centaur girl named Xeress.

Cerea: (GASP) That's my sister. She is really beautiful and busty like me.

Qin: Whoa!

Me: Lets go help her.

We went over to her.

Cerea: Xeress you look great.

Me: I agree.

I gave her an apple and she ate it too.

Me: There you go.

Eddy: What moves can she do?

Me: Flamethrower, Ember and many fire moves. Also she can run with incredible speed.

Lara Laramie: Take it from me.

Me: Long story.

Nico: Wow.

Me: Okay.

I snapped my fingers and she reverted back and had blond hair and blue eyes and a brown horse body with a flame and the Fire Alchemy symbol on her flank and arm as a cutie mark and had Mega Shiny Rapidash on her forehead and she had a voluptuous human half.

We wrapped her in blankets and brought her over.

Me: There.

She woke up to see Horsea's concerned face.

Xeress: (Groans) Huh? A Horsea?

Horsea: You never attacked me. Are you okay?

Xeress: I don't know.

Cerea: Because you were taught to never hurt a Pokemon and not even Dark Gale can take that away from you.

Xeress: Cerea!

She hugged her.

Cerea: Glad you're okay.

Xeress: Me too. Where am I?

Me: You're on the planet Endor. You were turned into a Mega Shiny Rapidash by Dark Gale.

Xeress: Oh man. I was sleeping after looking for my sister in a forest when it happened. By I retained my consciousness.

Me: That explains how you never attacked Horsea.

Qin: Yeah.

Xeress: That's right.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new blue clothes.

Xeress: I look amazing.

Me: You sure do.

Charisma put on her jumpsuit.

It was golden yellow.

Charisma: Awesome.

We went back home.

We were watching TV when suddenly...

?: COOKIE!

Someone startled Aura Corbett from behind but she knocked him back. We saw it was a Wampa that looked like Cookie Monster.

Emerald Sustrai: Is that a Wampa?

Me: Or is that the Cookie Monster?

Wampa: (to Aura) Me was going to ask you to Snow Monster Ball. But now, forget it! (runs off crying)

Me: Okay what the hell was that all about.

We shrugged.

Stewie: That looked familiar.

Me: That was funny though.

Lola: Yeah.

Stewie: Wait I remember! That was the Wampa that was from our Star Wars parody movie of The Empire Strikes Back.

Nico: The one with Chris as Luke? Wow!

Meg Griffin: That was funny.

Lola: Wow!

Then a familiar beep ring was heard.

Me: Zordon's calling!

We went to the computer.

Me: Team Loud Phoenix Storm Estate?

Zordon: J.D., Everyone, our systems have picked up danger brewing on Terra Venture Colony. Scorpius is there.

Me: Oh man! We better get over there.

Nico: We're on our way Zordon!

When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you've finally come crawling out into the open, Scorpius!

Me: Just like Zordon said.

Eli: Now, we can finally end him forever.

Lincoln: And send him to join his horrendous evil daughter in The Black Abyss.

Lincoln sounded the silent alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront

today: it's Scorpius, and he's back from the dead and he's coming after us for revenge for killing Trakeena.

EVERYONE GASPED!

Leo Corbett: I knew Scorpius is coming, now we can do away with him forever.

Me: You said it, Leo.

Nico: This is gonna be another awesome battle against another Power Rangers main villain. Alright, team, let's get to Terra Venture and end Scorpius.

Lincoln: That ugly bug's days are finally done, this is where he dies once and for all.

The previous group came.

Billy Numerous: Can me, Mumbo Jumbo, Knightbrace, Fixer, Electrocutioner, Captain Boomerang, Mr. Fizz, Evilseed and See-More go with you guys?

Nico: Yes you all can come with.

Mumbo: Who was that blue guy that ran out of here?

Me: Looked like a Wampa version of the Cookie Monster.

Xenia: Yeah.

Commander Mars: Nico, which Gene Slammer do you think you'll meet next?

Nico: Elemental HERO Sparkman next.

Me: Electrifying.

Naomi Necroshade: I agree there.

Nico: And Naomi you can be with J.D.

Naomi Necroshade: Thank you.

Me: Awesome!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figures were in the vision: it was Lei Shen and Shan Bu from World of Warcraft, and they're back once more for revenge on Lincoln for killing and absorbing them. When we saw it, we knew it meant trouble.

Lincoln: Oh God, we got trouble!

Me: Oh crap, was that?

Lincoln: Lei Shen and Shan Bu from World of Warcraft, and they're back once more for revenge on me for killing and absorbing them.

Estelle Madison: Seriously, those barbaric lightning monsters, I hope you absorb them once again, Lincoln.

Lincoln: Oh, I will.

Nico: After everything those two have done in terrorizing Azeroth, it's time they get put down for good. Alright, everyone, time to head to Terra Venture.

Lincoln: Scorpius' time is finally up, now we can end him forever and send him to join Trakeena in The Black Abyss, and once we get done with them, you're next, Lei Shen and Shan Bu.

Estelle Madison: After what you two have done, there shall be no mercy for you two, this time, this is where you die once and for all.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we boarded The U.S.S. Valorous Phoenix and headed to Terra Venture to finally destroy Scorpius once and for all, and once we get done with him, Estelle Madison and Lincoln are going to take down Lei Shen and Shan Bu from World of Warcraft and Lincoln's going to absorb them and send them to The Black Abyss.

We were off.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14238.5: The U.S.S. Valorous Phoenix is en route to the space colony Terra Venture and our mission is to destroy Scorpius and make him pay for his crimes.

Mr. Fizz: Who wants soda while we head there?

Me: I could go for some please.

We nodded and had soda given to us.

Me: (Gulping) Ahh.

Knightbrace: Let's call El Diablo.

Me: Good idea. (BURPS) Oh pardon me.

Qin: No worries.

El Diablo came.

El Diablo: I'm ready guys.

Me: Awesome!

Aura Corbett: I'm ready to kick some butt.

El Diablo: Who's the newbie?

Leo: My sister Aura. She's the white Lost Galaxy Ranger.

Aura Corbett: I just joined the team.

El Diablo: Glad to have you on board.

Numbuh 274: Is the Lion Galactabeast ready?

Leo: Always ready.

El Diablo: By the way guys we heard about what happened with Crackhouse Goofy and Minnie.

Me: Oh yeah!

El Diablo: What did you say to them?

Me: I said that Mickey is a person not a piece of property! Also he is not going to do chores as long as he has anything to say about it. As far as I can he doesn't need you or does he need to be bossed around like a kid! He's over 100 years old and he doesn't take crap even from you! Also I said And the doctors said you'll never be able to walk or move again and Vypra is going to make sure of that.

Nico: WHOA!

El Diablo: WOW! They had it coming for all the stunts they pulled.

Me: Yeah no kidding. Maybe it'll put them in their places and show that Vypra is superior. Either listen to her or shut the fuck up.

Nico: Well said.

Fixer: That'll teach them.

Qin: Yeah!

Me: Yep. And Goofy demanded I fix them and I just flipped them the bird and said Make Me Fatass.

Nico: Nice!

Tso Lan: What about Crackhouse Mickey and Donald?

Me: Yesterday they beat the living shit out of both Crackhouse Goofy and Minnie as part of some well deserved payback.

Tso Lan: That explains what that fighting was all about yesterday.

Me: Yep. Also they are cleared of any wrongdoing since they are mostly victims of violent abuse and assault from Crackhouse Goofy and Minnie.

Lola: Good.

Nico: Yeah.

Mr. Fizz: Enjoying the sodas?

Me: We sure are.

Qin: Yep.

Naomi Necroshade: (Gulping) Good stuff. (Burps) Oh excuse me.

Me: No worries.

Sally Stomach: You know what would be perfect karmic justice for Crackhouse Mickey and Donald? Have Minnie and Goofy get smashed to bits by the same bad luck as Jimmy's Akuma.

Jimmy (EENE): (LAUGHS) That woule be both amazing and great.

Me: Not a bad idea Sally.

Sea Clamp: That WOULD be funny.

Me: Yep.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw Terra Venture.

Aura Corbett: Good old Terra Venture.

Maya: Home.

Lola: Wow!

Nico: Wait look!

We saw Scorpius's ship outside it.

Me: Scorpius's ship.

Fu: Shall we blow it to bits like we did before several times?

See-More: Sure.

Nico: You heard the man. You may fire when ready.

Fu: Roger that. Commence primary ignition.

Fu pressed some buttons and pulled a lever and pressed some buttons and locked it on target.

Fu: Locked on and ready.

Me: Fire!

The superlaser fired from the ship!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

THE SHIP WAS OBLITERATED INTO NOTHING!

Me: BULLSEYE!

Nico: Nice shot Fu!

Fu: Thanks!

Ymir: WOW! That was powerful!

Laney: Yep.

Lola: We're being hailed.

Nico: On screen.

Commander Stanton: Team Loud Phoenix Storm. Glad you all made it.

Nico: Good to see you again Commander Stanton.

Commander Stanton: You too. Thanks for blowing up Scorpius's ship. He is really pissed about that.

Me: Figured he would be.

Nico: Mind if we land?

Commander Stanton: Permission granted.

Nico: Okay. Initiate docking sequence.

We docked and boarded Terra Venture.

Me: We're here.

Lincoln: Alright, we're here in Terra Venture, so before we go after Scorpius, here's my battle plan.

Lincoln pulls up a hologram of Terra Venture and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is Scorpius, and he's coming after us for revenge for killing Trakeena months ago, in other words, he's out for blood, and he'll have a massive army of Stingwingers, so he's not going to make this easy, but he's not going to get out of this alive. So, we're going to start by destroying his armies of Stingwingers. Tech, this is going to be left to you, me, and The Loonatics, we'll drain the life out of them by firing life draining energy blasts at them.

We headed out.

Lincoln: And don't worry, we will.

Me: This is it, the final showdown with Scorpius.

Nico: Finally, justice is going to be served to that monster.

Me: Yep.

Qin: Hey look guys!

We saw something sparkling.

Me: What's that?

We went over and saw that it looked like a hovering miniature galaxy! It was no bigger than the size of a dinner table.

Me: Wow! Look at this!

Nico: It looks like a miniature galaxy!

Qin: It's no bigger than a dinner table.

I held out my hands and imagined holding it.

Me: It's like I have the entire galaxy in my hands.

Nico: Can you see the solar system in it?

I looked with my microscopic vision and saw that it was definitely in the Orion Arm.

Me: Yep I see it. This is a miniature version of the Milky Way. But it's cool to see though.

Nico: Okay, this is definitely a trap.

?: It's a trap for Scorpius and Trakeena.

Me: Who said that?

Voice: I did J.D.

We saw the galaxy burst into flames!

Me: WHOA!

Lincoln: Oh man! You're Leo Corbett's Akuma, Galaxyflame! The Hypothetical Akuma of Leo Corbett and he is a Galaxy of fire and he has intense fire powers. He was made because of Trakeena killing all his friends and his brother and he vowed to make her and Scorpius pay for it all!

He showed a sketch of it and he looked like a galaxy on fire!

Me: WHOA! Talk about a flame of cosmic proportions!

Galaxyflame: I know and J.D. that was cool imagining yourself holding me.

Me: It sure was. And man Leo it's like you are literally one with the universe like this.

Galaxyflame: It feels like it doesn't it.

Chef Pepperjack: Right now, you're the size of any food that I make.

Galaxyflame: I sure am aren't I? That is cool.

Me: And you want to destroy Scorpius and Trakeena. Well sorry to burst your bubble but Trakeena is dead.

Qin: We killed her 4 times.

Galaxyflame: I figured you did since she beat up J.D. twice and came back with an iron fist the third time.

Me: They do say that the Third Time is the charm. Just a while back we killed her on Emma Goodall's day.

Leo: With me too since she is my enemy.

Me: Yep.

Galaxyflame: I know.

Me: Boy if you're a Galaxy of fire, I can assume all the other Lost Galaxy Rangers akumas are Elemental Galaxies like you.

Galaxyflame: Yep. Except for water, wind, lightning, earth and metal.

Me: Wow!

Evilseed: Leo? Is that you?

Me: I think we already confirmed it is.

Galaxyflame: Yes that's right.

Me: Also you know the complicated part? Dexter did some research on miniature universes like this.

Dexter: That is true and I was doing some studies on Horton's Theory of Who and it lead me to the presense of Submolecular Lifeforms.

Leanne Nikos: So basically the analysis of lifeforms that are the size of 10^-15 meters.

Dexter: That is correct.

Nico: (HEAD SPARKING) (DROOLING)

Galaxyflame: Is Nico okay?

Me: Complicated science and equations like that really hurt his head. Sometimes it causes his head to explode.

Galaxyflame: Ah I see.

Me: Yeah I felt the same way.

Eli: I got this.

Eli kicked him in his butt.

Nico: Um... OW!

Lana gave him a block of ice.

Nico: Thanks Lana.

El Diablo: You need to calm down.

Galaxyflame: Why? I got so much to share with you guys now that I'm a galaxy.

Me: Well as much as we would like to see all of it we got to fight. But maybe we can do it like this.

I snapped my fingers and made a copy of his galaxy and made an amazing analysis and imagine table for it.

Nico: WOW! That is cool!

Galaxyflame: A Three-Dimensional holographic analysis table! Good idea.

Me: Thanks. Now we can fight.

I fired waves of energy and blasted him all over.

El Diablo fired waves of fire and blasted him all over.

Galaxyflame: My turn!

He fired fireballs of stars and I deflected them back and smashed him and knocked him down!

Me: That was cool though!

Nico: And good idea making Analysis tables like that.

Me: Thanks. Figured the colleges and elementary schools and schools of all levels would like them.

Lisa Loud: I must concur on that J.D.

Galaxyflame was knocked out.

Me: Now we can go after Scorpius.

This is where he dies once and for all.

Teen Titans Lightning: It isn't every day we get to fight a galaxy

Me: No it isn't.

Qin: But that was a cool one.

Xenia: It sure was.

We flew out, and we saw Scorpius and many massive hordes of Stingwingers causing havoc and they are coming after us.

Nico: There's Scorpius, and they're already coming after us.

Me: Well, that just makes things easier.

Lincoln: For us. Ace, Tech, Rev, Slam, Lexi, Duck, let's go.

Lincoln and The Loonatics fired massive waves of black energy with Darkstar's powers and they hit the hordes of Stingwingers and they sucked the life and energy out of them and they grew stronger, and it was pissing Scorpius off.

Nico: Nice one, and that fat bug is getting pissed off.

Lincoln: Hey, it's not our fault he decided to come after us again for revenge, he did this to himself.

Then, we looked to see Zachary Hart, Alexander Michaelson, and Adrian Acmetropolis taking down the last of the Stingwingers with their drill lance, greatsword, and death scythes, and we saw Aodhan Vulcania firing massive blasts of fire and lava at more of them and slashing all of them into slivers with his massive greatsword and blasting more of them with his gun, and they were punching, kicking, and slashing at them with unimaginable power and strength!

Eli: Looks like they're sweeping things up.

Then, we saw them about to fight Scorpius and he was about to use his tentacles.

Lincoln, his sisters, and harem: Galactabeasts, Activate Lightning Mode!

The Galactabeasts of The Elementus Galaxy activated their Lightning Mode, and they had bolts of lightning surrounding them and they fired powerful blasts of lightning at Scorpius and they hit his back and he got electrocuted bad!

Suddenly, the spirits of The Lost Galaxy Rangers appeared and they attacked Scorpius with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared and that pissed off Scorpius.

Scorpius: (ENRAGED SCREAM) Damn you, Team Loud Phoenix Storm, how dare you show up again to ruin my plans to rule the world and I will make you all pay for what you did to Trakeena!

Me: She got what she deserved! Just like you will!

I slashed at Scorpius really bad with my massive greatsword and not only did I leave some nasty scars on him, but I also slashed off his tentacles and he screamed in agonizing pain.

Scorpius: Impossible! How?! How have you gotten that much stronger?!

Me: Seriously? You never stood a chance against us before, Scorpius, especially during last year when Lord Zedd returned.

You two committed truly horrendous atrocities across the galaxy, and not even crying for mercy's going to help you, you deserve none.

A massive murder of crows appeared as black and green dark flames appeared behind Tech E Coyote as he said that and glared at Scorpius as he screamed in terror!

Lincoln: Whoa, Tech really scared the crud out of him.

Scorpius: And also I am not alone.

Me: What do you mean?

Out came a figure and it revealed herself. It was Nathalie's first akuma, CATALYST!

Marinette: CATALYST!

Meowth: What does that do?

Catalyst: Why don't I show you?

She concentrated and suddenly, Scorpius turned red.

Lincoln: Guys, why did Scorpius' power level suddenly skyrocket?!

He fired energy blasts from his eyes and I deflected the beams and they hit a bunch of footsoldiers and they explode with incredible power!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Me: HOLY SHIT! She enhanced his power 10-fold!

Nico: Unbelievable!

Eli: Wow!

Gabriel: I remember doing this one.

Vortex: We need to be careful!

Me: (laughs arrogantly) Ha! He's still no match for-

I was cut off when Scorpius punched me knocking me to the ground. I got up and saw the blood on my mouth that I wiped off.

Me:...alright then. Lucky shot! (Spits) The gloves are off now.

I took off my weighted jacket and boots and weights.

Me: Hold onto these for me.

I folded them and threw them aside and then...

THUNDEROUS CRASH!

It smashed into the ground and formed a huge crater!

Naomi Necroshade: WHOA! Holy crap that was huge!

Ymir: You wouldn't believe how much weight he has.

Universe 666 May: It's true.

Me: Also Scorpius how can you even punch me? You don't have any hands.

Scorpius: You're just mad because I'm just as powerful as you now!

Me: You as powerful as us? Dream on.

Lady Deathstrike: (Japanese Accent) Enjoy it while you can. It won't last long!

I flared up my power and teleported and kicked him in his ugly face!

It sent him crashing into a wall!

SMASH!

Me: Take that! Also Catalyst, we never faced you before when we fought Gabriel the first time. So this will be the first time.

Catalyst: I'm more of a power booster not a fighter.

Me: Like a supercharging battery.

Catalyst: Exactly.

Lost Galaxy Rangers: GO! GALACTIC!

Mike: MAGNA POWER!

They transformed!

Leo: "Red Galaxy Ranger!"

Damon: "Green Galaxy Ranger!"

Kai: "Blue Galaxy Ranger!"

Maya: "Yellow Galaxy Ranger!"

Kendrick: "Pink Galaxy Ranger!"

Karone: "Purple Galaxy Ranger!"

Aura: "White Galaxy Ranger!"

Mike: "Magna Defender!"

All: "Defenders of the Stars and Miranoi Power Rangers Lost Galaxy!"

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMM!

A massive fiery explosion blasted off behind them and they were ready!

Electrocutioner: Mind if I give you a boost, Luxray?

Luxray: Please!

He fired a wave of lightning and supercharged Luxray and Luxray fired a massive blast of lightning and electrocuted Scorpius!

Me: That all you got?

Scorpius: Not quite!

He dropped a bottle and it poured out slime and it formed into clones of Trakeena!

Me: Trakeena clones!? WHOA!

Catalyst concentrated and supercharged them!

Me: Okay then!

I teleported and blasted the clones into nothing with ease.

Me: That was pathetic! You aren't the only one that knows how to use supercharged attacks.

I did some dances.

Goku: J.D.'s power is skyrocketing!

Me: THUNDER FLASH ATTACK!

I fired a massive and intensely powerful blast of fire from my fists and it hit Scorpius and exploded with intensely incredible power!

He was really burned from it bad!

Nico: WHOA!

Goku: He learned that one from Pikkon.

Then, Lincoln, Nico, Super Brother, Eli, and I morphed the tips of our 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf tails into Cell's stingers and we stabbed them into Scorpius' back and we began sucking out his powers and assimilated Scorpius' Tentacles and Flash Generation, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and our enormous angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large angel wings underneath our enormous white angel wings spread out and our large gold halos and second smaller halos of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind our heads and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on our obliques and sides and the rainbow flame patterns on our forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on our 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoos on our bare chests glowed.

Lincoln: Ooh yeah, this feels incredible. RRGH!

And Lincoln, Nico, Super Brother, and I also flexed our muscles even more which really aroused our harems even more, and at the same time, Scorpius began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln, Nico, Super Brother, Eli, and I.

Scorpius: (Groans) They're sucking me dry, I can't take much more of this!

Then, when Lincoln, Nico, Super Brother, Eli, and I were done and the stingers changed back, Scorpius was severely weakened to a degree and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire burst out of his massive biceps and massive muscles same with me, Nico, Eli, and Super Brother!

Tech E Coyote went after Scorpius, and he fired extremely powerful blasts of midnight black and green, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, Holy Light, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, green fire, green lightning, black and green darkness, coyotes, phoenixes, and angels and they exploded with incredible power as they hit him.

Then, he proceeded to slash at him with his massive greatsword leaving scars on him, his Duel Monsters also joined in and attacked Scorpius as well, and it pissed him off.

Lincoln, Super Brother, Leo Corbett, Nico, and I and the rest of us went after Scorpius and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Scorpius, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Nico, and I and the rest of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and it was really pissing Scorpius off even more.

Suddenly, Lincoln's massive white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings spread out and four halos of rainbow energy formed with intricate designs inside it behind him and a massive halo of gold energy with intricate designs formed above his head with intricate designs.

And my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings spread out and four halos of rainbow energy formed with intricate designs inside it behind me and a halo of gold energy with intricate designs formed above my head with intricate designs.

Lincoln, Nico, and I attacked Scorpius with two powerful and fierce swings of our massive greatswords!

Lincoln, Nico, and Me: NOW, GO STRAIGHT TO HELL FOR ALL ETERNITY, SCORPIUS!

Lincoln, Nico, and I attacked Scorpius with a last and powerful downward swing of our massive greatswords and that caused a massive explosion to erupt and the chains broke and Scorpius was on his last tentacles as Lincoln, Nico, and I landed in front of the team, and it also exposed Lei Shen and Shan Bu from World of Warcraft, our secondary target who was then put into suspended animation until later.

Thorax: I'm similar to Trakeena in appearence. But let me show you what I have that she didn't!

He turned into her.

Thorax: (In Trakeena's Voice) A heart and shapeshifting!

He fired waves of energy and blasted him all over.

Me: Nice one!

Qin: YEAH!

Charisma fired waves of energy and blasted Scorpius.

Naomi Necroshade fired darkness blasts and blasted him.

Xeress: Lets get him!

Cerea: Yeah!

Xeress and Cerea: CENTAUR NATURE BLAST!

They fired waves of energy and fire and nature and blasted him all over!

Qin: Take that!

Scorpius fired a blast that we barely managed to avoid.

I deflected it and it hit him!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOMMMMM!

Mumbo: Okay, we need to get Catalyst off the field or Scorpius might actually kill us!

Me: I agree!

Gatomon: Leave it to me!

Gatomon Digivolved!

Gatomon: GATOMON DIGIVOLVE TO...

She turned into Angewomon!

Angewomon: (Echoing) ANGEWOMON!

She flew and grabbed Catalyst!

Scorpius: NO!

Me: Now's our chance!

We fired waves of energy and blasted him all over!

Mumbo: (facepalms) I meant knock Catalyst out!

Me: Getting her away from him is just as good.

Nico: He's right!

I fired waves of energy and blasted Scorpius!

Angewomon: But since you asked, sure. I can do that!

WHAM!

She punched her in her head and knocked her out.

Me: Okay then.

Nico: Now it's on!

Qin: Great!

Scorpius' color then turned back to normal.

Scorpius:...oh, fuck!

Me: Now that's more like it!

I fired waves of energy and blasted him all over!

Terrorsaur: You aren't the only one that knows a supercharge! Terrorsaur, TERRORIZE!

He transformed!

Terrorsaur: J.D. give me a Raw Energon Supercharge!

Me: Okay then!

I formed Raw Energon in my hands.

He grabbed it and then got a TREMENDOUSLY POWERFUL ENERGON SUPERCHARGE!

Me: HOLY COW!

Terrorsaur: NOW LETS SEE YOU FACE THIS!

He went at Scorpius with intense powerful speed and blasted him with incredible energy and lasers!

MASSIVE NUMBERS OF POWERFUL FIERY EXPLOSIONS!

Rattrap: Oh no! That Pred looks like he could eat Tyronium!

Optimus Primal: Rattrap calm down. His circuits can't hold a charge that massive for long.

Nico: Once he cools down we'll get him back to the ship and repair him after the battle.

Scorpius: (to me) At least I made you bleed!

Luxio: It still wasn't enough!

Luxio charged at him and blasted him with lightning.

Me: You caught me by surprise Scorpius. I don't intend to make the same mistake again.

Lost Galaxy Rangers: LIGHTS OF ORION! ACTIVATE!

They glowed and got powerful belt buckles, armbands, claw gauntlets and crossguards for their Quasar Sabers!

Me: You're in for it now!

Leo: Lets get him! POWER UP MODE!

They ran at Scorpius and formed into a ball of energy and went at him!

Me: KAAAAAAA MEEEEEEE HAAAAAA MEEEEEEE HAAAAAAAAAAAAA!

I fired a Rainbow Fire Kamehameha Wave and it merged with the rangers and it slammed into Scorpius and exploded with intense power!

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL FIERY EXPLOSION!

He was knocked down and wounded!

Charisma charged at him And blasted him with energy blasts.

Me: Take that!

Charisma then yelled in surprise when she saw her body twitch and expand.

Same with Xeress and Honey.

Charisma: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of Drillerpillar, Mega Vespiquen and Mega Shiny Rapidash and they transformed and blasted Scorpius all over the place!

Poromon pecked him!

POINK POINK POINK POINK!

Poliwag slapped him with his tail!

WHAP WHAP WHAP WHAP WHAP!

Hippowdon: CANNONBALL!

KRASMASH!

He smashed on Scorpius and crushed him!

Me: Take that!

Then Dr. Viktor, Demyx, Six Gum Gang, Dai Gui, Whiplash, Brain Freezer, Man Boy, Toiletnator, Brody and Diabolico Came.

Nico: Dr. Viktor, Demyx, Six Gum Gang, Dai Gui, Whiplash, Brain Freezer, Man Boy, Toiletnator, Brody and Diabolico.

Diabolico: Been a while Scorpius. I still hate you.

Scorpius: FUCK YOU TOO!

Me: Colorful mouth you have.

Scorpius: HELP ME NOW!

Their response?

Dr. Viktor, Demyx, Six Gum Gang, Dai Gui, Whiplash, Brain Freezer, Man Boy, Toiletnator, Brody and Diabolico: NO!

They blasted him down!

Me: Sheesh! The nerve of him! Asking for help from someone that hates you!

Diabolico: I know, right?

Dr. Viktor: Catalyst almost helped him kill you guys.

Demyx: Too bad that won't happen again.

Me: Too bad Catalyst's power enhancement wasn't enough on account we were holding back.

Wilbur: Especially since she wasn't much of a fighter.

Goof: She sure wasn't.

Dixie: That's right.

Me: I know.

Dai Gui: (to Nico) We heard you fought Guitar Villain.

Nico: We sure did.

Minotaurus: (to Maya) You should take care of that Mega Jolteon.

Maya: I will.

Marvo the Meanie came.

Me: Marvo the Meanie. Up for another round?

Paddy Tanniger: Yeah he's back for another round. So what? Big whoop! Wanna fight about it?

Me: Paddy would you get outta here!?

Nico: No one asked you!

Marvo: Yeah beat it! And yes I am back.

Me: Cool.

Marvo: What was it like fighting a small galaxy?

Me: Pretty cool and awesome.

Marvo: Nice!

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway.

---

Dr. Viktor was first.

Dr. Viktor: (to Will) Nico's rescue was on the planet Norarc. He battled Guitar Villain.

Will Vandom: We sure did and you should have seen the prison there too!

Dr. Viktor: What was it?

Will Vandom: It was called the Cleopatra Heights Federal Correctional Institution for Karens. It's a dangerous prison labor camp gulag for the meanest and most evil Karen women ever. Women that think they are so entitled and think they are so much better than everyone else that they think they can get away with everything including breaking the law. Well in this prison they are not going to live to even get out or see the light of day ever again. This prison is for the worst of the worst. And it's home to the most grueling and most horrific conditions of all! And we're not talking normal prison conditions. We're talking NAZINO ISLAND HORRIBLE INSANE CONDITIONS! This is a prison no one escapes from and if they do they will freeze to death in seconds.

THEY GASPED!

Principal: WHOA MAN! That sounds like one prison you do not want to be in!

Will Vandom: Oh it was horrible! We met Lincoln's Guardian Angel, Angelina Arkhangelskaya and she is the prison warden there at the Cleopatra Heights Prison! And she does not mess around there!

Bob the Blob: This is a girl no one messes around with! Angelina ABSOLUTELY LOATHES AND HATES Karens with a vengeance and she inflicts nasty and horrible Nazino Island level torture sessions on the inmates there without compassion or mercy!

Midwestern Mom: HOLY COW! That is a nasty and mean woman that really hates people like that!

Snowdrop: Yeah they think that they are so much better than everyone else that they think they can get away with anything! Even murder!

Twilight Sparkle: Yeah no kidding! That's why they have no friends.

Stellar Harmony: I agree there! Those monsters deserve every second of their miserable lives rotting in that prison.

Dr. Viktor: How far away is Norarc?

Harmony Sparkle: It's in the galaxy JADES-GS-z14-0 over 34 billion lightyears away from Earth and it's really cold there! It's -145° Fahrenheit there and the wind chill is -190° Fahrenheit!

Mad Dad: WOW! That is worse than Antarctica!

Starshine Sparkle: MUCH MUCH worse!

Spyro: That was one of the coldest planets we've been to. But the prison was nice and warm inside. Outside it was BRUTALLY COLD!

Dr. Viktor: WOW! That is one tough prison! Did you guys have a music battle against Guitar Villain there?

Spyro: We sure did! That was so much fun!

Dr. Viktor: WOW! You guys had fun! Lets do this!

Will used Dr. Viktor's ring and they fired waves of purple lightning and magic and energy and smashed them down.

Irma: She is! She is Lord Tetherby's Great Granddaughter. She is from a rich family too. She was Born into a wealthy rich family that loved all of her friends like her own family. She even protected them from evil queen bee snooty girls.

Bell Org: WOW! That is amazing! So that means that she and Chandler are distant cousins or something.

Irma: Well they don't know the full extent of the family tree. Shanan said she was turned into what's called a Nereisarian Halicephalobusian Worm. They come from the planet Nereisara and they look like giant version of the Alpha Sand Diggers of planet Aether.

We battled an old enemy of Tech E Coyote, his name is Andrew Furukawa, he's a dangerous and unhinged lunatic with a lust for blood and he gets off on killing young girls in the very institute Tech went in order to slake his bloodlust. One day, he tried to murder a young female coyote college student named Akira Furukawa, the one from our universe, but unlike the one from Super Brother's world, the one from the Prime Universe had a secret, not only was she a smart and beautiful female coyote, but it turns out she's a princess from a distant planet. Tech stopped Andrew Furukawa, who was actually her murderous older brother, and he wrapped a steel girder around him to restrain him and sent him to prison. She fell in love at first sight with Tech and he also fell in love with her as well, and she knew he's a member of The Loonatics, and he promised to marry her. But, Andrew didn't want that to happen, he wanted to get revenge.

They gasped!

Salamandemon: That's right and he was really a spy by the empire.

Genkai: It was during the Battle of Bothawui.

When all is said and done, what did you even achieve through your heinous actions? You walk the path of a coward creeping your way through the dark, that's a lonely path, and it's one that will follow you into death. Lei Shen and Shan Bu, may you suffer for all eternity with not a kindred soul to give you solace, it's time to put an end to this once and for all.

Lincoln, Estelle Madison, Super Brother, Nico, and I went after Lei Shen and Shan Bu, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Lei Shen and Shan Bu, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Estelle Madison did the same by firing light blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Estelle Madison, Super Brother, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was really pissing Lei Shen and Shan Bu off.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and four massive halos of rainbow energy with intricate designs formed behind him and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Lei Shen and Shan Bu and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomachs of Lei Shen and Shan Bu and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind them. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 620'11" massive, wide, double-edged gold blade of his massive greatsword.

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Lei Shen and Shan Bu began growing weaker as all their powers were being sucked out of them one at a time and was pumped into Lincoln.

Lei Shen: (Groans) He's sucking us dry, we can't take much more of this!

Then, when Lincoln was done and the stingers changed back, nothing was left of Lei Shen and Shan Bu, and Lincoln sucked out all of the remaining energy in Lei Shen and Shan Bu's soul and banished them to The Black Abyss, and

Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and lightning burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Estelle Madison's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long light blue wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold star ring-shaped frame around it with embedded light blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold star ring-shaped frames around them with embedded light blue gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large purple planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller light blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized light blue planets orbiting around her wrists and ankles, and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath her enormous white angel wings are permanent.

Estelle Madison: And this where it ends for you, Lei Shen and Shan Bu, and this is goodbye and good riddance. Thanks for helping me get rid of Lei Shen and Shan Bu, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Estelle.

Me and Nico: Our pleasure, Estelle.

Suddenly, Estelle Madison wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Estelle Madison's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Estelle Madison sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lola: Now, we're finally rid of Lei Shen and Shan Bu for good, of course, this is going to anger The Mogu Empire even more.

Me: If they show up, they're also going to be absorbed by Lincoln as well. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Volcanic Laval Masters of Courage and Laval Forest Sprite.

Lincoln: (GASPS) The symbol of The Volcanic Laval Masters of Courage and Laval Forest Sprite.

Adara Vulcania: There's only one person who fits this: Aalish Vulcania, Avatar and Gene-Slammer of Laval Forest Sprite, and you guys are going to love meeting her, Aalish

Vulcania, Avatar and Gene-Slammer of Laval Forest Sprite, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lava Forest Sprite. She's The Volcanic Lava Forest Sprite Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Aalish Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Forest Sprite, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Forest Sprite, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, but here's the absolute shocker: Aalish Vulcania despises her former best friend, Karen Daniels, with a blazing passion! Aalish Vulcania found out that Karen Daniels was an unadulterated dumpster fire filled with hatred, she hated that Lincoln and Aalish Vulcania are together and finding happiness and not suffering in misery like she wanted! She was a petty, jealous, ugly, blackhearted, remorseless, brainless bully, and she tried everything to kill them, but Lincoln exposed Karen Daniels to all of Royal Woods, and her family was absolutely disgusted by her heartlessness and callous behavior, that they disowned her. In a fury, she tried to kill Aalish and Lincoln, but Lincoln banished her to another world, but what Lincoln didn't know was that he banished Karen to New York in the world of Nightshift, and she tried to forge alliances with the criminal gangs there, but The Big Claw Gang had leaked the news of what she did, and she was facing death threats from them, and two weeks later, Karen Daniels was found dead, and the killer who'd slain her was none other than Caleb Maxwell who back then was the vengeance-driven bloodsoaked dark angel of revenge.

WE GASPED!

Me: WHAT!?

Caleb Maxwell: Now, I remember. That little banshee tried to forge alliances with the criminal gangs there, but as soon as The Big Claw Gang leaked out the details, they tried to kill her only for me to put an end to her forever.

Nico: Oh man. Well, I can say this, that unadulterated dumpster fire bitch had it coming. But, if she comes back from Hell, there's only one place waiting for her.

Whiplash: Somewhere down the line, I'm gonna be helping to kill Snide.

Taskmaster: Same with me on Galvanax.

Brain Freezer: Either way, another job well done.

Nico: You said it.

Man Boy: So what now?

El Diablo: What do you think?

El Diablo began roasting a marshmallow over Scorpius' dead corpse.

Toiletnator (shrugs): Works for me.

Me: Good idea.

Nico: Great job today everyone.

Leo: Now we've seen the last of Scorpius and Trakeena forever.

Qin: Serves those stinkbugs right!

Lola: Yeah!

Leo: (To the viewers) This was an awesome adventure guys.

Me: It sure was.

We had a great marshmallow roast and we later returned home.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, Scorpius is finally gone forever!

Anna Anyanova: He got what he deserved, and we sent him to join his filthy little princess daughter, Trakeena, in The Black Abyss, and we really pissed off Lord Zedd in The Book of Vile Darkness.

?: And when Jason's big day comes, Lord Zedd will finally get what he deserves.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile, Ace Bunny was looking out into the night sky.

Ace Bunny: So, Scorpius has finally been taken care of, good riddance to that butt ugly fat bug.

THE CROW OST: BIRTH OF THE LEGEND PLAYS

Suddenly, Ace Bunny's Dark Mark of The Rabbit and Holy Mark of The Rabbit started glowing.

Ace Bunny: Tech's already transformed today, which means tomorrow's my turn, and everyone now knows about that little secret. But, that didn't even change a single thing, and I'm glad for that.

DBZ NARRATOR: THE TRUTH WAS FINALLY OUT. THE LOONATICS HAD REVEALED THEY HAD THE DARK MARKS OF THE AZTEC GODS AND HOLY MARKS OF THE GODS, THE SECRET THAT ONLY LINCOLN AND GIRL JORDAN HAD KNOWN ABOUT THEM HAD BEEN BROUGHT OUT INTO THE

OPEN, AND TECH E COYOTE'S TRANSFORMATION WAS JUST THE BEGINNING. NOW, ACE BUNNY, THE LEADER OF THE LOONATICS, WOULD BE THE NEXT ONE TO TRANSFORM, AND ONCE THAT HAPPENS, THE NEXT VILLAIN TO FACE HIM TOMORROW WILL FACE SOME DIRE CONSEQUENCES.

THE END

BANSHEERA'S REVENGE

Carter's Day to Shine

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a pink and red Valentine's Day-themed planet of endless romantic love, and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of love, passion, lovemaking, the intense flames of love and passion, light, and sex, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of love, passion, lovemaking, the intense flames of love and passion, light, and sex, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Valentinesraira, a pink and red Valentine's day themed planet of endless romantic love and protected by powerful omnipotent angels known as The Valentinesrairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of love, passion, lovemaking, the intense flames of love and passion, light, and sex, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of love, passion, lovemaking, the intense flames of love and passion, light, and sex, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln: Whoa! A Valentine's Day-themed planet! That's so awesome!

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Valentinesraira.

Lincoln landed on Planet Valentinesraira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: Whoa! So, this is Valentinesraira, it truly is a planet of endless romantic love.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as beautiful as ever.

Suddenly, Lincoln's body started feeling even hotter than ever and his deep sapphire eyes turn deep red: the color of male lust!

Lincoln: (GROWLS) Whoa, I'm starting to feel the sudden urge to have sex with my harem yet again!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Just like with the planet Eroticaira, Valentinesraira has the same kind of aphrodisiac effect on both males and females, the aphrodisiac air of Valentinesraira makes them full of lust and sexual hunger as the males feel like they're in permanent rutting season and the females feel like they're in permanent heat.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 620'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a pink sun and moon on his chest, he has long pink hair going down to his shoulders, pink eyes, pink angel wings, he has on a pink loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Vance Valentinesraira, King of The Valentinesrairans of Planet Valentinesraira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Vallie Valentinesraira. (GASPS) Now, I remember, I've been here before to Vomitairaira eight years ago.

Then, all of the other male Valentinesrairans came to Lincoln.

Vance Valentinesraira: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Vance Valentinesraira chuckled.

Lincoln: And there's something I need to tell you.

Vance Valentinesraira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Vance Valentinesraira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Vance Valentinesraira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Vance Valentinesraira and the other septillion male Valentinesrairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of love, passion, lovemaking, the flames of passion and love, light, sex, all the powers of Valentine's Day, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a pink aura with red and pink hearts surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome!

Vance Valentinesraira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Valentinesraira, the inner and outer cores of the planet and the million other planets consisted primarily of iron and nickel and are extremely infernally hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Valentinesraira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Valentinesraira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and

blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the

bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and

massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Valentinesraira, a pink and red Valentine's day themed planet of endless romantic love and protected by powerful omnipotent angels known as The Valentinesrairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of love, passion, lovemaking, the intense flames of love and passion, light, and sex, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of love, passion, lovemaking, the intense flames of love and passion, light, and sex, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room, but we were immediately stunned.

Me: WHOA! A Valentine's Day-themed planet in The Forbidden Zone, that's so awesome!

Nico: You said it.

But, then, we saw Lincoln's harem still with an atomic red blush on their faces as they're kissing Lincoln's neck and arms and pecs even his twelve-pack abs.

Eli: Uh..., why are they...?

Shanan: Oh God, the aphrodisiac affects of Valentinesraira, it's just like what Lincoln had felt on Eroticaira, and they're infinite-times stronger than ever.

Nicole: But, they only affect his harem, and to those who have hate in their veins, love's like acid to them.

Ace Bunny: Ain't that the truth.

Suddenly, Ace Bunny's blue eyes turned neon blue and he was surrounded by a black and yellow, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, Holy Light, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, yellow fire, yellow lightning, black and yellow darkness, rabbits, phoenixes, and angels.

And when Lexi Bunny saw Ace Bunny, she had an atomic blush on her face, hearts in her eyes, and her nose gushed out heavy amounts of blood and she was sent flying, and she was about to hit the wall, until Ace Bunny caught her.

Lexi Bunny: Well, hello, tall, hot, manly rabbit hunk.

Then, Ace Bunny leaned his head down to Lexi's face and he kissed her on the lips and her hair tie that tied up her ears burst into flames and she placed her hands on Ace Bunny's chest and she also deepened the kiss. When they were done, Lexi Bunny had a massive red blush on her face and an In Heaven look on her face.

Adrianne Acmetropolis: I knew it was only a matter of time before Ace would wind up doing that with Lexi. (To Danger Duck) Which means you owe me ten bucks. Now, pay up, Duck.

Danger Duck grumbled and gave her ten bucks.

Danger Duck: Great, there goes my ten bucks.

Nico: Wow...! A bet of seeing Ace and Lexi getting together and you lost your ten bucks, ouch.

Ace Bunny: And Lincoln and Girl Jordan supported me and Lexi getting together one day, but only if we saw them get together.

Lexi Bunny: They were childhood friends at first, but over time, it grew into love. Plus, when Lincoln told us of what Chandler said to Girl Jordan, I wanted to kick him so hard in the crotch, I'd destroy his ability to even have kids. (GROWLS)

Rev Runner: Would you settle for killing an evil version of him?

Lexi Bunny: Big time.

Nico: You might not get that chance. Lincoln's already called dibs on killing every last single evil version of Chandler.

Luna: The Slayer of Every Evil Version of Chandler, yeesh, I'm sure they're gonna be shaking in their pants.

Me: Along with pissing and crapping in their pants.

Carter woke up to see Galarian Zapdos staring at him.

Galarian Zapdos: Up and at em Carter! You got a big day today.

Carter: Oh man! It's today!

He went and got dressed and went to the table.

Me: Morning Carter! You look excited.

Carter: I sure am. It's time for my day.

Me: Then that means it's time to end Bansheera.

Vypra appeared.

Vypra: Mind if I tag along with you guys tne entire time.

Me: Not at all Vypra. Also it's Carter's day and you know what that means.

Vypra: Payback on Bansheera.

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Oni-Chan.

Kagami: Oh no, it's my Akuma, Oni-Chan.

Adrien: That's not good! Where's she at?

Lincoln: She's on the Twinkie Forbidden Zone Planet, Twinkieiaira.

Nico: COOL!

Megan Kiraton: (SLURPS) A planet of Twinkies!? Oh wow!

Me: Oh man, this is gonna be a deadly one.

Nico: You said it.

Lincoln: She's heading for The M.O.E., but I can guess she's going to get slain, and it'll be by Ace's hand. Alright, now let's finish breakfast and head to Twinkieiara.

Nico: Right.

We finished breakfast, and we headed to Twinkieiaira to help Wallflower Blush unlock her Rainbow Power and take down Oni-Chan.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14240.2: The U.S.S. Valorous Phoenix is en route to the Twinkie Forbidden Zone Planet, Twinkieiaira. And we're heading there to battle Kagumi's deadly akuma, Oni-Chan. Our mission is to send her to the M.O.E.

Nico: It sure is and Megan loves twinkies.

Megan Kiraton: I sure do!

Qin: I can tell.

Lola: This will be fun and awesome.

Bakugo: You got that right.

Nico: Burst Man I want to thank you, Snipe Anteater and your teams for coming.

Burst Man: No problem. We're ready for some buttkicking.

Bakugo: We sure are.

Nico: Bakugo, we really are proud of how far you've come

Bakugo: I had to learn the hard way a lot in my world. You wouldn't believe how hardheaded I was and what I had to go through to straighten myself out.

Vegeta: You're just lucky you didn't get killed by J.D. kid. You are in every way like how I was before. I was arrogant and determined to be better than everyone myself.

Nico: Yep. Vegeta and you have so much in common.

Bakugo: No arguments there on that.

Nico: And your lunches have the explosive effect.

WE LAUGHED!

Bakugo: (LAUGHS) That is too true.

Qin: Yeah!

Naomi Nightshroud: That is funny!

Ymir: Because of your quirk, Explosion.

Bakugo: That's right. Good eye.

Ymir: Yep.

Leo Corbett: Man yesterday was intense.

Me: No kidding there. Scorpius is gone for good. I'm just glad the Lost Galaxy Rangers enemies are gone forever too.

Camie: Good riddance. Man Scorpius was REALLY UGLY!

Lola: No kidding there! And Catalyst enhanced him!

Me: Wow no kidding! She was more of a supercharging battery than a fighter.

Gabriel: Lack of combat skills is her weakness

Me: That is true. (GROWLS) I can't believe Scorpius suckerpunched me like that!

Nico: Let it go J.D. Besides, it's not the first time someone beat you up like that.

Me: You're right on that. But man Catalyst really supercharged him. I'm impressed he was able to keep up to my level like that.

Nico: I know.

Me: And Leo's akuma was one of the coolest ever.

Leo Corbett: I looked like a miniature galaxy.

Nico: One that made my head spark and hurt!

Qin: That was cool though.

Poromon: Scorpius made you bleed

Nico: Not helping Poromon.

Poromon: Sorry.

Me: Everyone has seen my blood before.

Nico: Yep.

Vypra: Yeah that is true. In all honesty, I never liked Scorpius or Trakeena.

Me: Did you get into nasty catfights with Trakeena, Vypra?

Vypra: Oh we did! You know how much I hated my sister Proxima right?

Me: Yeah.

Vypra: Well we got into brutal brawls that made that hatred look like a two year old throwing a tantrum!

WE GASPED!

Me: (GULPS) That is brutal!

Poliwag: It sure is.

Me: And I thought Lily going through the Terrible Twos was bad enough.

Lily: Yeah I was a monster back then in those days.

Ymir: Geez!

Lisa Loud: Something we never want to go through ever again.

Qin: Yeah.

Lisa Loud: We have arrived at our destination!

Nico: On screen.

We saw that we were at a yellow planet and it was cool.

Me: Wow! So that's Twinkieiaira. It's pretty.

Qin: Yep.

We got to landing.

We arrived on Twinkieiaira, and it was everything Lincoln said and his rainbow energy aura exploded as he grew stronger, same with all of us.

Planet Twinkieiaira

Me: Whoa! So, this is Twinkieiaira, man this place is really an awesome planet of Twinkies.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) I haven't been here to Twinkieiaira, but I've heard the stories of this place.

Lincoln: And it's a lot like the Twinkie planet we took Megan to after we found out about what her evil dad did.

Nico: It sure does.

Megan Kiraton: TWINKIES!

Megan jumped into a pile of them and began eating!

I ate one.

Me: (Eating) Mmm! Delicious!

?: (Strong Manly Voice) (Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 620'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a golden yellow sun and moon on his chest, he has long golden yellow hair going down to his shoulders, golden yellow eyes, massive golden yellow angel wings, he has on a golden yellow loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (Beastly Voice)(GASPS) Travis Twinkieiaira, King of The Twinkieiairans of Planet Twinkieiaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Tara Twinkieiaira, I've been here before to Ulvon eight years ago.

Then, all of the other male Twinkieiairans came to Lincoln.

Travis Twinkieiaira: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Sylvester Ulvon chuckled.

?: Oh man, Linky, you're here!

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long golden yellow hair, golden yellow eyes, she was dressed in a golden yellow two-piece bikini, she has massive golden yellow angel wings, and she has a light greatsword in hand.

Lincoln: (GASPS) Tara Twinkieiaira, Queen of The Twinkieiairans of Planet Twinkieiaira.

Me: You know her, Lincoln?

Lincoln: Indeed I do, J.D.

Anna Anyanova: And so do we, everyone, this is Tara Twinkieiaira, Queen of The Twinkieiairans of Planet Twinkieiaira, she's Lincoln's Guardian Angel from the planet of Twinkieiaira in The Forbidden Zone, she's The Queen of The Twinkieiairans who rules Twinkieiairaira, a planet of endless Twinkies, and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all Twinkies, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all Twinkies, and all the powers of her people itself times infinity, and the ability to grow even stronger, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Twinkieiaira where he would meet The Twinkieiairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Twinkieiairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all Twinkies, and the ability to grow even stronger, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Twinkieiaira and its core into his body and Twinkieiaira's Sun into his body to preserve their legacy. Tara Twinkieiaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all Twinkies, the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, and immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all Twinkies, the ability to grow even stronger, and all the powers of The Twinkieiairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Twinkieiairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all Twinkies, the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Twinkieiaira and its core and Twinkieiaira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them imprisoned in Twinkie prisons and banished forever to The Black Abyss with the power of Twinkieiaira.

Lincoln: And there's something I need to tell you.

Travis Twinkieiaira: I know. You had the vision, it's time.

Lincoln: Yes, it is.

Suddenly, Travis Twinkieiaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Travis Twinkieiaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Travis Twinkieiaira and the other septillions of male Twinkieiairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all Twinkies, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo with intricate designs and The Sun and Moon made of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs and The Sun and The Moon made of light hovering above his large gold

Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a golden yellow aura with lights surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed and volcanoes erupting on his massive biceps and the image of cannons firing and volcanoes erupting formed on his massive pecs.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure

from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome!

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Travis Twinkieiaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels.

Nico: That's for certain, and the girls in his harem wind up getting driven wild and wind up getting aroused even more from every single act of manliness Lincoln displays.

Me: And all that's left is for him to absorb your planet and its core along with its Sun into his body, and wait, you also included immense virility and fertility as well? That means...!

Tara Twinkieiaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us, Tara.

Nico: Wow...!

Tara Twinkieiaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Tara Twinkieiaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Tara Twinkieiaira with golden yellow gems on the gold lightning bolts and golden yellow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Tara Twinkieiaira: That's my special gift to him: Twinkieaira's Blessing of Divine Twinkie Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 620'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Tara Twinkieiaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Twinkieiairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

Lincoln: (Beastly Voice) That'll be for much later.

Me: Oh boy.

Luan: (smirks) You know, Poromon, there have been tales of a haunted fire engine

Poromon: Haunted?!

Luan: That's right. The driver died 50 years ago. His ghost still haunts his fire engine to this day!

Shaggy: ZOINKS! A Haunted Firetruck!? (Cowardly Whimpering)

Me: A haunted Firetruck!? That's a new one.

Vypra: That would be scary to see.

Lola: Yeah!

Carter: That sure would be scary to see.

Lincoln: I agree there. Okay, guys, we're in for one intense battle, we're here on the planet of Twinkieiaira to help Wallflower Blush unlock her Rainbow Power and take down Oni-Chan.

Nico: It's been a long time since I last fought her, but she's in for a much worse surprise if she thinks I'm still the same person from long ago.

Me: That's for sure. Kagumi, How was this akuma of you made?

Kagumi: It's because Lila manipulated her way into Gabriel's mansion and I wasn't let in. I was turned into Oni-Chan to get rid of her.

Me: With the power and speed of a white ninja.

We had all of TLPS and The M.O.E. with us.

Cyborg heard a Pokemon cry

Cyborg: Look guys.

We saw a Wobbuffet.

Me: Whoa a Wobbuffet!

Camie: That's a cool one!

Me: Looks like Jessie's Wobbuffet is gonna have a friend too.

Jessie: I agree there.

POP!

Jessie's Wobbuffet: WOBBUFFET!

Me: Yep.

Wobbuffet: I am gonna get along great with him.

Cyborg: Yep. You hungry?

He gave it apples and Wobbuffet ate them.

Wobbuffet: Thanks.

Cyborg: Want to come with me?

Wobbuffet: Sure.

Me: Awesome!

Cyborg: I hope you like lots of meat!

Wobbuffet: Oh I DO! I love the stuff!

Me: Sweet!

But then...

CRUNCH!

Something snapped at my leg!

Me: OW! What the?!

I saw a huge cockroach creature snapping at my leg!

Me: WHAT THE!? Groundroach Rex!

Nico: That is one big roach!

Lana: Oh boy! I want to eat it!

Shanan: Wait Lana that's not an ordinary roach! That's an Orchannian Blattodean Nauphoeta cinerean crabroach. They come from the jungle planet Orchannia and they sneak up on their prey unnoticed and quietly.

Me: Wow! I didn't hear this one coming!

2003 Mikey screamed like a little girl!

2012 Mikey screamed like a little girl too!

Ed turned into Edzilla!

Edzilla: ED SMASH ROACH!

Ed punched and smashed the roach all over the place with intense force!

I then took a vial and injected her.

Me: There!

She reverted back and was a girl ith brown hair and brown eyes.

I wrapped her in a blanket and brought her over.

Edzilla: ED STRONGEST THERE IS! (ROARS)

Me: YEAH!

Eddy: (LAUGHS) At least it wasn't me as a Cockroach Kid!

Qin: (LAUGHS) Funny!

Nico: What happened there?

Eddy: It was crazy.

He went over what happened.

The newest scam Eddy has in mind is a miniature golf course that Edd has spent the whole morning working on. Unfortunately, when the time comes to test it out, Eddy can't get a shot off, and Ed's swing sends the club sailing straight through the middle of the amazing mechanical obstacle Edd constructed to be the centerpiece of the course. While Edd examines the machine to see what, if anything, can be done, Ed questions Eddy about how Edd got so smart. An offhand comment by Eddy to the effect that Edd isn't human sparks Ed's imagination, and Eddy is all too willing to weave a tale of a deep underground cavern, a mad scientist, and crossbreeding experiments that created "The Lizardman." Seeing that Ed is hooked, Eddy mentions that Edd hides his gills under his hat, and Ed runs off to try and touch the gills.

When Ed tries to feel under Edd's hat, he is quickly rebuffed. Soon, a timer goes off in Edd's pocket, and he notes that it's time for him to check on an experiment of his. Ed runs to follow, but Eddy stops him, pulling him back and saying that they're not alone. Ed notices Sarah and Jimmy playing and agrees with this statement, only for Eddy to contradict him and say that Edd turned Sarah into a praying mantis and Jimmy into a stinkbug. Eddy then leads Ed to Rolf's place, where Rolf is working, and says that Edd turned Rolf into a picnic ant. A fly then lands on Ed's nose, and Ed prepares to crush it before Eddy stops him, saying that it's another piece of Edd's handiwork. This spurs Ed to run off, suddenly needing to find the Lizardman.

Edd is working in his garage, taking notes on a complicated experiment, when his friends find him. Eddy claims that Edd is preparing his next victim: a cockroach kid. Edd notices Ed's strange behavior and remarks on it, only for Ed to sniff his skin and declare him not of this earth. This worries Edd greatly, and he checks his breath; finding it foul, he runs inside to brush his teeth. Ed's imagination is now in full gear, and he says that he saw Edd's tail. Eddy, barely able to keep from bursting into laughter, warns Ed that the tail is dangerous, but the real dangers are the laser beams shot from Edd's eyes and hands him a mirror to defend himself with. The two then head upstairs to confront the monster and find him brushing his teeth in his bathroom. Edd turns around, foaming at the mouth, and starts to approach as the lights strobe on him. Eddy is of course controlling the lights, and he snickers at Ed's reaction before calling for Ed to use the mirror. Ed comes up with a novel use for it quickly, and sticks it into Edd's mouth, wedging it open, and then runs away, slamming the door on the bathroom. He breathes a sigh of relief and tells Eddy that everything's okay...except Eddy is nowhere to be found. Suddenly, Eddy's screams split the air.

Ed rushes around the corner to find Eddy's clothes laid out on the floor. He laments as Edd comes up behind him and asks if Eddy is running around naked again. Terrified, Ed demands an antidote, then asks if he's all alone. Panicked, he declares that he is hungry and makes a break for it as Edd runs after him, offering various foods. Outside, Ed suddenly stops, as in front of him is a vision of utter beauty, none other than Nazz, she invites the two to a barbecue at her place. Edd readily accepts the invitation, but Ed is slow to accept. When Nazz and Edd request that he join them, Ed finally gives up, as it's no fun being the last human–and then asks to be a bumblebee, to the confusion of both. While the three walk off, Eddy is in the upstairs of Edd's house, wearing a bucket over his body and using his fingers to walk. Cockroach Eddy is complimenting himself on his fine scheme when he comes to the stairs and falls down them. At the bottom, he can see Ed and Edd following Nazz to a party, much to his annoyance, as he wasn't asked to come.

At the barbecue, everyone is having fun; Kevin is grilling hot dogs, Rolf has brought a ham for himself, and Jonny is having a fun time watching the festivities. Ed is still thinking that Edd is a mutant, though, and has chosen yet another transformation: a mosquito. He wanders off, and a whisper reaches his ears. Following it, he finds Eddy, who wants the bucket off, but Ed, being oblivious, decides to take Eddy to "his people." Ed picks Eddy up to show him off, but Eddy is swiftly mistaken for a bug and, after being bashed around by Nazz, mistaken for dessert by Rolf, and hearing general cries to squash the bug, hides in the cellar.

Rolf, noticing this, takes off his shoe to use as a weapon and tells the others to follow him into Nazz's basement. While Jimmy, Sarah, Jonny, and Plank bow out of the expedition, the rest go along, not even deterred by Ed's confusing cry "Let the transformation begin!" In the basement, Edd's suggestion that they find a light switch is disregarded, as Kevin shines his flashlight around the basement floor. Sensing something, Rolf suggests that Kevin shine his "moonbox" in a certain direction, and a few seconds after it reaches the spot, Eddy leaps out right into the light. Eddy hides behind a desk, but Rolf leaps over it and begins whacking the "bug" with his shoe. Eventually, Edd finds the light switch, and Rolf realizes that what he thought was a bug was really Eddy. Ed says that Edd turned Eddy into a cockroach, and when accusatory stares are leveled at him, Edd tells the truth: he really hasn't a clue. Bored, the rest of the kids climb back upstairs while Edd helps Ed free Eddy from the bucket. Rolf and Kevin stop at the top of the stairs, with Rolf wondering if the trio are truly from this world; Kevin denies this, saying they're "from the Land of the Dorks," and turns the lights off.

When it was done we were shocked and then laughing hysterically.

Edd: (Laughs) I would never be in to stuff like that.

Nico: I see.

Ed: I wanted to touch the gills under Double D's hat.

Me: Ed Double D doesn't have gills under there.

Qin: Yeah.

Eddy: What a sap!

The girl woke up.

Girl: (Groan) What hit me?

Me: Are you okay?

Girl: Yeah.

Me: What's your name?

Rachel Lexxington: Rachel Lexxington.

Me: (GASP) Wait you're the most notorious cat burglar of all! You went after some of the most incredibly dangerous criminals and robbed them blind and beat them up.

Rachel Lexxington: I'm impressed you know about me and my reputation.

Bumblebee (Teen Titans): Wait I heard of you! You busted into the HIVE Academy while we were all sleeping and you stole everything from under our noses. Including all the money made by Brother Blood.

Me: WHOA! You stole everything from Brother Blood? That's impressive!

Sly Cooper: I was gonna say, you have the true skills of a master thief.

Rachel Lexxington: I'm honored and glad you think that.

Me: How did you bust into the academy like that?

Rachel Lexxington: I don't make a single noise and sneak in quietly and undetected.

Me: Quiet as a mouse and just as quiet as mosquito. Wow.

Fluttershy: Very impressive.

Cyborg: It's fitting that I get a mascot today then.

Me: It sure is.

Sydney: She was born abandoned and raised on the streets and made her living as a street thief but only went after criminals. She got really good at being a master thief and struck when they were asleep and is as quiet as a mouse and leaves no clues behind. She built up a massive hidden loot and vowed to find her parents one day. And her calling card is a cockroach with wings. She even gained Criminal Notoriety after that and made it to the top of the FBI, Scotland Yard, INTERPOL and the CIA's most wanted lists.

Me: Wow! That is amazing.

Sly Cooper: She is definitely a true master thief in the making.

Lola: I'll say!

Me: How did you learn all about thieving at Sly's level that fast? He learned all of his family's moves from a book that was in his family for generations and passed down from generation to generation.

Rachel Lexxington: I saw everything Sly did from the shadows and copied it all into my mind with my photographic memory.

Sly Cooper: Wow! I'm impressed.

Bentley: I'll say!

Me: Not even Brother Blood saw you coming.

Jinx: That is cool.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new brown and purple clothes.

Rachel Lexxington: I look great.

Me: You sure do.

Sydney: You remember me, right?

Rachel Lexxington: I sure do Sydney. Also I was trying to steal jewels owned by the Shredder. But I got jumped by one of the Shredder's men and everything went dark.

Me: Should have stayed away from him. Also The High Mage is dead.

Laney: You don't want to know how he died.

Nico: It's better that way.

Me: Yeah.

But then...

SMASH!

May got hit on the head with a crystal rock!

May: OW!

Manaphy: Mama!

May: What the?

We saw it. It was an orange crystal rock.

Me: Wow that is an unusual rock.

Lola: Who threw it?

Laney: Wait look!

We saw a Mega Beheeyem!

Me: WHOA! A Mega Beheeyem!

Laney: An Alien Pokemon!

Nico: Where did that come from?

Me: Must be one of Dark Gale's work.

Sheena: She's an unusual one named Lorra Loskene!

WE GASPED!

Carrie Kirk: Oh man! I know I heard that name before! Lets go help her.

We went over to her.

Carrie Kirk: Lorra calm down. Lets talk.

She threw another rock at Horsea but she put her clone in front of her

SMASH!

The clone got smashed!

Horsea: HA!

Me: Okay then.

I snapped my fingers and she reverted back. She was a girl with red hair and red eyes and had fire angel wings and had crystaline spider legs and had Mega Beheeyem on her forehead and the emblem of the Tholian Assembly on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

Nico: Those legs are Tholian.

Carrie Kirk: Yep she's half Tholian.

Me: Wow! And she is from the planet Tholia no doubt. She has the emblem of the Tholian Assembly.

Nico: Wow.

She woke up to see Horsea's smiling face

Lorra Loskene: (Groans) Huh? A Horsea?

Horsea: You hit my clone!

Lorra Loskene: Oh man.

Carrie Kirk: Lorra are you okay?

Lorra Loskene: Kirk? Carrie Kirk. Good to see you again my friend.

Carrie Kirk: Same here.

Me: Are you from Tholia?

Lorra Loskene: I sure am. I am half human half Tholian. My father was Federation Captain of the U.S.S. Revenant and my mother was Commander Loskene of the Tholian Assembly.

I gasped!

Me: I remember Loskene. She told the Enterprise to leave because of one of their ships in trouble.

Carrie Kirk: The Defiant. I remember that ship being lost somewhere in the universe.

Me: We still have no idea where it is.

Lorra Loskene: That's weird.

Me: Also from what I remember your mother and the Tholian Assembly are very territorial and do not take kindly to intruders trespassing on their lands.

Lorra Loskene: No we don't. We are very protective of our lands and are not shy about expressing it to protect what's ours.

Me: I don't blame you. Also you were turned into a Mega Beheeyem by Dark Gale.

Lorra Loskene: Wow! I was on patrol when I crashed her somehow.

Me: Is that your ship right there?

We saw a Tholian Ship behind her.

Lorra Loskene: That's it.

Me: Wow!

Nico: Can we look inside?

Lorra Loskene: Certainly.

We went and did so and it was damaged. But it can be fixed up.

Me: Well the damage is not too bad. We can easily fix it up.

Lorra Loskene: Thank you.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new red and orange clothes.

Lorra Loskene: Wow I look great.

Maria: You sure do. No offense but...

Lorra Loskene: I know. My legs won't fit any kind of pants though. My kind never wears pants anyway as you can see.

Me: You're right on that.

Horsea: I didn't need to hear that

Lorra Loskene: Sorry.

Qin: Yeah.

Me: We're not done yet though. We have a job to do.

We looked at Manaphy.

Me: Uh Manaphy? Are you okay?

She then had GLOWING PIERCING RED EYES AND SHE WAS READY TO ATTACK LORRA!

Me: UH OH!

Manaphy: (STEAM TOOTS OUT OF HER EARS) (DEMONIC VOICE) YOU HURT MAMA AND YOU WILL DIE!

She jumped at her and we grabbed Manaphy!

Me: Manaphy what the fuck is wrong with you!

Nico: MANAPHY CALM DOWN!

She got out an axe!

We gasped!

I used laser vision and melted it!

Me: Manaphy calm down! Calm down!

May: I'm okay Manaphy! I'm okay.

May grabbed Manaphy.

May: Calm down okay?

Manaphy: But Mama?

May: It's okay Manaphy. It's okay.

Me: Lorra, Manaphy is very overprotective of May.

Nico: It's been that way for her ever since she was hatched from an egg.

Lorra Loskene: I understand.

Me: Good. Now we got a job to do.

Nico: That's right bitch!

I unsheathed my sword.

She unsheathed hers. Then she teleported and I clashed with her all over as we teleported all over the place!

CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

We flew all over the place as we were fighting!

BOOM BOOM BOOOM BOOOM BOOOM BOOOM BOOOM BOOOM BOOOM BOOOM BOOOM!

MASSIVE THUNDEROUS SHOCKWAVES WERE BLASTING OFF ALL OVER THE SKY AS WE WERE GOING AT EACH OTHER WITH INCREDIBLE SPEED AND SKILL!

Qin: HOLY COW! Look at them go!

Xenia: Unbelievable!

We landed.

Me: Wow! Your speed is impressive! I'm amazed you can keep up with me like that.

Oni-Chan: Thanks for the compliment.

Nico: You want revenge on Lila Rossi, right?

Oni-Chan: Yes I do! That monster took my chance to meet Gabriel!

Me: Well I hate to burst your bubble but I'm afraid the Cutie Mark Crusaders already called dibs on her and want to kill her.

Apple Bloom: That's right. We killed her first and we're going to do so again on Marinette's day.

Sweetie Belle: Yeah! We're going to make sure she pays for her crimes!

Scootaloo: That is for sure!

Oni-Chan: I heard all about how you killed her back in 2023. Congratulations to all five of you.

Silver Spoon: Thanks!

Diamond Tiara: That was amazing!

Oni-Chan: Indeed.

Me: Believe me we hate Lila as much as you do. And you know why? We found out more incriminating stuff about her. Her real name isn't Lila. It's Cerise Blanca. And she is also an enigmatic villainess named Chrysalis.

Nico: It's true.

Oni-Chan: I see. Then you must've been told about how she did all that and more.

Me: Well 75% of what she did we already know about. But the other 25% was missed. We learned it all from other Akumas that appeared. Cat Blanc, Queen Banana, Guitar Villain and others already filled us in. Just a few months ago we learned that she fucking played everyone in Paris for fucking patsies! She lied and manipulated everyone and made them all look like chumps!

Laney: It's true!

Me: Listen.

I pulled out the recording what we learned about her.

It played and when she learned about what we discovered from her, Oni-Chan was REALLY PISSED!

Oni-Chan: OH NO! (SCREAMS IN RAGE)

Me: Uh oh.

Oni-Chan: I can't believe we would trust a monster like her!

Me: She is that conniving!

Gabriel: Even I didn't think she would be so evil

Me: She is pure evil incarnate times 100!

Oni-Chan: Does all of Paris know?

Me: Yes they do. And all the parents and teachers and everyone in Paris are geared up and ready for war against her.

Marinette: We're going to unleash the French Revolution and Hundred Years War on her times 10,000 for her crimes.

Me: A big battle 600 years in the making. And we're going to unleash the Divine Wrath of God on Lila Rossi.

Xenia: That is for sure!

Nico: And I got a feeling clones of specific Akumas will be fought as her minions

Me: Yeah. Always up for another challenge like that.

Qin: And this time, no more worrying about Negative Feelings to get us Akumatized.

Nico: Yep.

Oni-Chan: I'm glad. Now lets make this fun.

Me: Gladly.

Qin: Yeah!

I went at her more and we clashed intensely and sparks flew all over the place.

Wobuffet charged at her and blasted her with Psybeam blasts.

Cyborg fired his cannon and blasted her all over.

Lorra Loskene: Watch this guys

She fired waves of fire and blasted her all over the place.

Me: WOW!

Qin: Cool!

Vypra slashed and blasted her with energy.

Me: YEAH!

Cyborg: BOOYAH!

Me: YEAH!

Qin: Awesome!

Lily: You know what I'm going to do to a clone of Mr. Pigeon if I see him?

Oni-Chan: What?

Lily: I'm going to drink a Mississippi Queen and then fart a massive cajun fire blast in him so powerful that it cooks him and his repulsive rats with wings. I FUCKING HATE PIGEONS!

Oni-Chan: Oh man! But why?

Me: Because pigeons ruined her second ice cream when she was a baby and she HATES Pigeons more than life itself. She wants to eat them for dinner.

Lucky:...I get the feeling I might be the one to fight said clone

Me: Oh boy.

Oni-Chan: I can tell. Also what is a Mississippi Queen?

Me: It's this.

I pulled out one and drank it all down.

Me: (Gulping)

I finished it.

Me: Ahh. It's the most powerful Bloody Mary in the world. Tasty too. Watch.

I pointed my butt at her.

Me: FIRE IN THE HOLE!

LOUD NASTY HORRIBLY LONG POWERFUL FIERY FART!

I farted a blast of fire and it hit her and blasted her down!

Oni-Chan: (COUGHS) That is potent!

Nico: We just found out about that recently.

Me: But it's good stuff.

Qin: Yep.

Me: (BURPS) Oh pardon me.

Xenia fired arrows and blasted her.

Poromon pecked her.

POINK POINK POINK POINK POINK!

Poliwag slapped her with his tail!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Hippowdon: CANNONBALL!

He crashed onto her with a sickening crunch!

Manaphy bashed her with a headbutt.

Horsea squirted ink into her eyes.

Tentacool blasted her with lasers.

Jirachi: INCOMING!

Gatomon poured ketchup on Mevya.

Mevya: HEY!

Gatomon: I'm hungry!

Mevya: I'm not on the menu!

Gatomon opened her mouth wide!

Sharko jumped in and picked up Gatomon.

Gatomon: HEY! Put me down.

Sharko: Sorry it's a force of habit. Zig was persistant like you Gatomon.

Kari grabbed Gatomon.

Kari: Gatomon stop that.

Mevya blew a raspberry at her

Me: (LAUGHS)

I clashed more with Oni Chan.

Lorra Loskene: Like old times?

Carrie Kirk: You know it.

Lorra and Carrie: FEDERATION FIRESTORM BLAST!

They fired waves of energy and fire and blasted her.

Maria: If that were Bakerix, he would have melted.

Me: Water turns bread soggy and sloppy.

Maria: I remember fighting Bakerix

Me: That was cool.

Qin: It sure was.

Nico: Yep.

Will Vandom, Irma, Right, Cornelia, Devon, Bloom, Flora, Layla, Brody and Musa Used their rings and blasted her down with intense power.

Xenia: Take that!

Horsea hopped over to her and blasted her with energy.

Horsea; YEAH!

Qin: Take that.

Luna Nightshroud, Naomi Necroshade, Ymir, Camie, Universe 666 May and Zarya fired waves of energy and blasted her all over.

Poromon shook a beer bottle and launched it and bashed her down.

Qin: Take this!

She fired waves of fire and blasted her.

Varie fired waves of water.

Marinette: I am judgement and Heaven is Nigh.

She glowed.

Marinette: LUCKY CHARM!

She formed a sword.

She clashed with Oni-Chan.

Chloe: VENOM!

She fired a sting blast and blasted Oni-Chan.

Alexander Michaelson went after Oni-Chan, and he fired extremely powerful blasts of black and midnight blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, black and midnight blue dark flames, darkness, dark magic, black magic, Satanic Magic, wolves, phoenixes, and angels and they exploded with incredible power as they hit him, then, he attacked her with his massive drill spear and threw bombs at her that exploded.

Suddenly, Lincoln was surrounded by an immense orange and yellow aura with flames surrounding him and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 翻訳：夏と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へ送り届けよ！祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、彼女を冥界の闇へと永遠に送り届けよ！我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へ送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send her to her place of eternal damnation! Let my song bring forth the judgement of The Heavens and send this abomination to her eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames formed behind Lincoln and formed into red wolves with glowing yellow and orange markings on their paws that look like flames and they ran at Oni-Chan and attacked her with fierce fury.

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

So let your magic run wild

Let your magic run wild

Lincoln, Nico, and I attacked her with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, GO TO HELL, ONI-CHAN!

Lincoln, Nico, and I did one final powerful energy slash that hit Oni-Chan hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Oni-Chan was on her last legs and she was really really mangled.

God of Dawn Tu'er Ye, Dark God of Dusk Macuiltochtli, take her down.

God of Dawn Tu'er Ye and Dark God of Dusk Macuiltochtli fired blasts of yellow fire that knocked down Oni-Chan. Then, Lincoln, Nico, and I punched Oni-Chan so hard in the face, she got two swollen black eyes and Lincoln tied her up with rainbow energy chains, and as he opened up a portal that led to The M.O.E., Nico and I kicked her hard in the stomach and sent her flying in as the portal closed! We cheered as we holstered our weapons and powered down.

Nico: That should do it, Oni-Chan is now in The M.O.E., and we also met your Guardian Angel, Lincoln.

Lincoln: You sure did. Now, there's one last thing to do.

Then, Lincoln flew into the core of Twinkieiaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Twinkieiaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Then, we were back on Earth Omega.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH!

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

We laughed!

Luna: I can't even keep count of the many times that's happened to Lincoln! He also came home with his nose gushing out blood like a fountain along with getting covered in kisses and his tails wagging.

Nico: That's happened before? That must've been some intense make-out sessions Lincoln's had.

May: Just like ours, and it always ends with him engaging in one intense session of lovemaking and sex!

WHOOSH! CLANG!

Lynn almost whacked her in the head with a baseball bat.

Lynn: I thought I warned you not to say that!

May: YIPE!

Red Savarin: Lynn, you put the bat down now. I know May didn't mean to say that, but the next time you get out a bat to attack Nico's wife, I'm gonna make sure you wind up getting dunked in an industrial barrel of tomato juice.

Lynn: (Smirks) Oh yeah, bring it, Red!

BAD MOVE, LYNN!

Suddenly, Red Savarin picked Lynn up by her jersey and threw her into a barrel of tomato juice where she got scrubbed down.

Lori: Hey, you were warned about that, Lynn!

Lincoln: Exactly. You should be careful about challenging someone who would make their threat come true.

Nico: Personally, I find Gatomon and Mevya's moments to be funny.

Mevya: (Sarcastically) Easy for you to say.

Qin: Gatomon and Mevya do have fun though.

Lola: They sure do.

Vypra: Yeah it's funny.

Camie: Yep.

Nico: Nice job Wobbufett.

POP!

Jessie's Wobbufett: WOBBUFETT!

Wobbufett: We both agree there. Got any beer?

Poromon: YAY! Here you go.

He gave him one and he drank it down.

Wobbufett: Ahh. (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the party! (BELCH!)

He got drunk.

Poliwag: Sing the ABCs

Wobbufett: (BELCHING) ABCDEFJQJRJWJEIWNFOWQFOWJROMPWQNR!

WE LAUGHED HYSTERICALLY!

Qin: Funn!

I reverted him back.

Nico: I got something fun planned today.

Poromon: What is it?

Nico: It's a surprise.

Poromon: Okay.

Nico told them telepathically.

Nico: (Telepathically) I'm having a blind date set up for J.D. and Naomi Necroshade.

Poromon: (Telepathically) Oh wow!

Nico: Oh Burst Man, what do you like to do in your free time?

LOUD NASTY HORRIBLE FIERY FART!

Me: Sorry!

Burst Man: I work for a demolition company and blow up abandoned buildings.

Xenia: Cool!

Qin: Yeah!

Camie: I'll say.

Nico: Now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and The Anothers are coming.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, one of the Anothers is Another Carter Greyson.

Carter Greyson: Another me!? Wow!

Me: Yeah! So we got Another Snipe Anteator, Thugly, Cloudian Hurricane Hydra, Volcanic OVerlord, Ultimate Fossil Dragon, Rainbow Overhydra.

Qin: Yep.

Me: So that means Burst Man, Bakugo, Dialga, Palkia, Giratina and Arceus are up.

Nico: It sure does.

Me: This will be awesome.

Nico: There they are!

We saw Another Thugly, Cloudian Hurricane Hydra, Volcanic OVerlord, Ultimate Fossil Dragon, Rainbow Overhydra!

Me: WHOA! This will be intense.

Qin: Yeah!

Another Thugly: (In a girls voice) It sure will.

They reverted back and were the gene-slammers of Great Moth and Perfectly Ultimate Great Moth!

Nico: Sarah Uranid and Allie Actias!

Sarah Uranid: Good to see you again Nico.

Allie Actias: Yeah you're looking great.

Nico: Same here.

Me: The gene-slammers of Great Moth and Perfectly Ultimate Great Moth.

Allie Actias: That's right.

Me: Awesome! Also are the rest of the Anothers friendly of Hostile?

Sarah Uranid: Friendly. But the Another Carter has a beef with her. (Points to Vypra)

Vypra: Just like the old days.

Me: Feels like it.

Nico: Sorry we have to do this girls.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Maria: Time for backup. (TURNS DIAL) MAGMA EGYPT POWER!

She summoned Magma Dragoon, Banshee (Scooby Doo), SkekNa, Snake Demon, Fire Monster (Scooby Doo), Frog Demon (Scooby Doo Comics), Anck-Su-Namun and Abysswing.

Me: YEAH!

But then...

FEROCIOUS SOUNDS OF FIGHTING!

We heard screaming!

Me: It's okay guys.

I showed where it was coming from on a viewing window. We saw a lynch mob beating up Crackhouse Goofy and Minnie as they were coming out of the hospital and they were mercilessly thrashing them in a fight cloud.

Nico: Geez!

Me: After I left the hospital I put a TERRIBLE curse on them. Watch.

Then the mob dispersed and then...

KRABLANG!

They both got hit with bowling balls,

KRASMASH!

They got hit with Depth Charge Mines and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

It exploded!

Then...

THUNDEROUS KRASMASH!

THEY GOT SMASHED ON BY A HUGE CRUISE SHIP!

SHIP HORN HONK!

Nico: OH MAN! That had to hurt!

Me: I call that curse The Karmic Doomsday Curse of Jimmy the Gagsmashed. It causes the target to get hit by the nasty gags and pranks and cartoon shenanigans of Jimmy's akuma.

Jimmy (EENE): (LAUGHS) That is funny!

Nico: Brutal!

Qin: Funny.

Me: Maybe that will teach those douchebags not to mess with me and not come anywhere near Crackhouse Mickey and Donald.

Sally Stomach: That is for sure. I hope they die from all that.

Me: It won't kill them. Just leave them a broken and battered mess.

Qin: Ouch.

Nico: And now, we wait.

But then...

BONK!

I got hit on the head with a bone!

Me: OW!

I saw that it was a big mammoth bone!

Me: What the?

I picked it up.

Me: A Mammoth Bone?

Nicole: Nice specimen. It's the leg bone of a mammoth. Over 20,000 years old.

Nico: But who threw it?

Laney: Look!

We saw Another Snipe Anteator and Another Carter!

Me: WHOA!

Lola: This will be fun.

Another Snipe Anteator: (In a girls voice) (Australian Accent) Crikey! Glad you got my bone mate!

Jim Crocodile Cook: (Australian Accent) Well blimey! I know that voice!

She reverted back and it was the gene-slammer of Fossil Dragon Skullgios!

Jim Crocodile Cook: Olivia!

Olivia Cook: JIM!

He went and hugged her!

Olivia Cook: It's good to see you bro!

Jim Crocodile Cook: Same here. Guys this is my little sister Olivia Crocodile Cook. She is a Fossil Duelist like me mates.

Me: WOW! Awesome to meet you.

Olivia Crocodile Cook: Same here mate. But bro! I thought you were dead! I heard you died because of Yubel.

Me: Wait I heard about how that happened. I resurrected him years ago.

Nico: Long story. It was before J.D. formed the team.

Lola: Yeah.

Olivia Crocodile Cook: I'm glad Jim is back.

Me: We are too.

Poromon: I'm keeping the bone!

Nico: Who's your friend?

Another Carter: (In a girls voice) You never thought you would see me again Vypra!

Vypra: (GASP) That voice!

Carter: Wait Gina!?

She reverted back and it was a girl with brown hair and blue eyes and had white clothes and a Lightspeed Rescue coat with the number 10 on it and had White Angel Wings and a white Thermo Blaster, on her hip and a booster on her right arm and a morpher on her left arm.

Gina Grayson: Good to see you bro. And Vypra I would say it's nice to see you again but I would be lying especially after how you did this to me!

He lifted up her shirt and showed a nasty slash scar on her stomach!

Me: WHOA MAN!

Nico: Vypra sure left her mark on you!

Vypra: Me and Gina got into a deadly brawl. It was after Loki was murdered by Bansheera. We clashed and we were equally matched. I got the dropped on her and slashed her.

Me: WHOA MAN! I remember seeing Bansheera kill Loki like that! That was evil! But I didn't know you and Vypra brawled like that.

Gina Grayson: Yeah and ever since then I vowed to have a rematch with Vypra and defeat her.

Me: Talk about having a grudge.

Qin: Yeah.

Luan: But Vypra is not part of Bansheera's ranks anymore.

Me: Didn't you hear about what happened? Bansheera killed her and now Vypra has a massive vendetta against her. She and I are going to kill Bansheera later today. It's your brother's day to shine after all.

Gina Grayson: Good. I'll gladly help with that. After that Vypra we have a score to settle.

Me: Wow! Talk about a terrible grudge. What is your ranger color?

Gina Grayson: White and I'm for the Polar Arctic Rescue.

Me: Ice Cold Subzero Rescues.

Kaito: (gets out Timeranger gear) Did Swartz promise you anything?

Zocks: (gets out GoGoV gear) Because we can grant instead.

They got weapons from said teams.

Olivia Cook: No he didn't mates. I used my powers and buried him under a massive piles of bones and we ran.

Me: BONE Appetite.

WE LAUGHED!

Luan: (LAUGHS) Good one!

Sougo: (gets out Time Force Ridewatch) Like we said, Bansheera betrayed Vypra in the end

Geiz: (gets out Lightspeed Rescue Ridewatch) And she's been a good friend

Sougo got TimeForceRedArmor while Geiz got LightspeedRescueRedArmor.

Laney: It's true. Bansheera betrayed her and killed her.

Me: Yep. I want Bansheera dead as much as you do and I have 5 reasons.

1: She killed Vypra

2: She had nearly killed Ryan!

3: They stole the Lightspeed Rescue Megazord!

4: She killed Loki!

5: She is truly an Honorless monster like Phobos!

Gina Grayson: I can see why! I'll put my grudge aside till later.

Me: Good.

Lincoln: Lets separate you girls first.

We did so.

Me: Lets do it!

Nico: (GETS OUT SNIPE ANTEATOR'S RIDEWATCH) LICK AND EAT!

May: (GETS OUT CLOUDIAN HURRICANE HYDRA'S RIDEWATCH) No need to get your head in the clouds!

Universe 666 May: (GETS OUT VOLCANIC OVERLORD'S RIDEWATCH) FIRE IT UP!

Maria: (GETS OUT ULTIMATE FOSSIL DRAGON'S RIDEWATCH) BONE POWER!

Lincoln: (GETS OUT RAINBOW OVERHYDRA'S RIDEWATCH) RAINBOW POWER!

Bakugo: (GETS OUT THUGLY'S RIDEWATCH) FIRE POWER WITH HEAT!

They used the powers of Snipe Anteator, Thugly, Cloudian Hurricane Hydra, Volcanic OVerlord, Ultimate Fossil Dragon, Rainbow Overhydra and blasted the Anothers all over the place!

Me: YEAH!

Gina Grayson: Now watch me. LIGHTSPEED RESCUE!

She activated her morpher and then transformed into the White Lightspeed Rescue Ranger!

Gina Grayson: RESCUE READY! LIGHTSPEED RESCUE WHITE!

Me: COOOOLL!

Poromon: YEAH!

Me: Lets make this fun!

Gina Grayson: Lets do it! 5-5-5! BOOSTER BEAM!

Me: RESCUE BIRD!

I summoned the rescue bird!

Me: Unilaser Mode!

I had it ready!

Gina: Ready?

Me: Aim! FIRE!

We fired a powerful laser blast and Gina fired a white laser blast and the blasts hit Another Carter and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

Me: YEAH!

I caught the ridewatch and purified it.

Nico: I can't believe I'm about to say this but Carter Grayson you have failed this world!

Poromon: He sure has.

Gina Grayson: Yep. But J.D. you have quite awesome skills and knowledge on our weapons and more.

Me: Lots of experiences and watching everything you all did on TV.

Zayto: It's true.

Then Escargoon, Reedman, Mayhem, Orange Snail, Julius Mosca, Snail Fangire and Larry the Snail, SpongeBob and Squidward now snails came.

Me: WHOA! Cest Magnifique!

Kirby: Escargoon! Wow!

Escargoon: Good to see you Kirby.

Nico: Nice team Escargoon.

Escargoon: Thanks!

Qin: Crystal Snail and his team are up.

Snail SpongeBob: Meow.

Squidward: (SCREAMS!)

SpongeBob: DEAR NEPTUNE! Is that what I looked like as a snail!?

Qin: GEEZ! But look at Squidward!

He saw Snail Squidward!

Snail Squidward: Meow.

Squidward: (SCREAMS AGAIN!)

Patrick: I remember this!

Me: You do Patrick?

Lily: So do I. I thought SpongeBob and Squidward looked so cute as snails with Gary. This all happened when SpongeBob and Patrick went to the Jellyfishing Convention in Ukelele Bottom and Squidward was put in charge of Gary. He called the vet when SpongeBob got back and Gary needed Snail Plasma.

Squidward: I accidentally injected SpongeBob with Snail Plasma. And this is what happened to him.

Lily: Squidward had the same thing happen to him.

Patrick: And I threw a boot a Squidward as they were singing on a fence under the moon.

Nico: I remember this now!

Me: Yeah! Me too.

Ymir: Really?

Me: Yeah crazy story.

?: That must've been awesome.

Then Elemental HERO Sparkman came!

Me: WHOA! Elemental HERO Sparkman.

Nico: Electrifying!

Elemental HERO Sparkman: (In a girls voice) It sure is!

Nico: Serena Sparkman! Wow!

She reverted back and she was one super smoking hot voluptuous beauty.

Serena Sparkman: Good to see you Nico. I got this. STATIC SHOCKWAVE!

She fired a blast of lightning and blasted Another Snipe Anteater and I caught the Ridewatch and purified it!

Me: YEAH!

Nico: Nice job.

Serena Sparkman: Thanks. That was cool.

Rei Miyamoto: Your breasts are huge! Bigger than mine!

Serena Sparkman: I get that a lot.

Qin: Yep.

Bakugo: Do you have any good memories of Nico?

Serena Sparkman: I sure do. When me and Nico found a bunch of bullies picking on Erica and me and Nico blasted them with lightning and we got them expelled and sent to prison.

Erica: Their names were Carina Jesperson and her friends Lorelai and Hera Vostok. They were rich girls and they hated me with a vengeance.

Me: Those heartless bitches.

Naomi Necroshade: I know. I hated them too.

Serena Sparkman: Yep.

Nico and Serena hugged.

Nico: I've missed you Serena.

Serena Sparkman: Me too.

We loaded Lorra's ship onto the U.S.S. Valorous Phoenix and went back home.

We're going to be meeting a lot of people there, specifically those who are friends with The Looney Tunes, but we also got bad news: according to Rhubella Rat and Margot Mallard, it appears Roderick Rat and Danforth Drake along with all the Perfectoids A.K.A. Students of Perfecto Prep have broken out of prison and they still want revenge on us for ruining them and killing and banishing Xehanort to The Black Abyss last year. Well, we've had enough of them to last an eternity, we're going to take them down and Ace Bunny's going to show them that Actions have consequences as he tears them apart, and to add extra humiliation, we're going to damn them forever to an eternity of forced servitude in The Masters of Evil.

We had all of TLPS and The MOE with us.

Lincoln: Whoa, what kind of city is this?

Buster Bunny: This place you see before you is The Toons and Humans Town/City, this place is one massive mega Metropolis city where humans and the legendary toons of animation history live. We have been here many times before in the past.

Me: Wow, this place is really awesome.

Nico: You said it, this place is awesome!

?: Glad you like the place.

Then, we saw someone come to us: he was a white anthropomorphic cat with indigo eyes and a handsome appearance.

Sylvester: Aha, I knew we'd run into you, Steve.

Steve Cat: Sylvester, it's you! And you brought all of Team Loud Phoenix Storm!

Penelope Pussycat: (French Accent) Oui, that is correct, my dear white knight.

Eli: White Knight? Wait, does that mean...?

Babs Bunny: Turns out these two had gotten together years ago. That white cat is Steve Cat, he's Sylvester's Best Friend for Life and a famous toon who starred alongside Sylvester, and he saved Penelope from Pepe Le Pew many times, he even had Pepe put into a headlock.

Pepe Le Pew: (French Accent) Cannot say I had it coming.

Plucky Duck: And he's our History teacher at Acme Looniversity.

Nico: Wow.

?: Hey, Steve, what's up here? (GASPS) No way, Team Loud Phoenix Storm!

Then, we saw another one: he was a young green male cat with green hair in an anime hairstyle with anime bangs and nearly covering his left eye, a pair of sunglasses that hides away his eyes which are a gorgeous mixture of green and black, and he carries a special electric guitar on his back.

Maria: Whoa, and who's that good-looking cat?

Furrball: (GASP) Dave Green?!

Dave Green: Furrball!

They hugged.

Furrball: Guys, this is Dave Green, my childhood Best Friend for Life, and he's an awesome cool cat with many talents and he's the guitarist of a popular rock band in the city called The Rockers.

Luna: That explains the electric guitar on his back.

Dave Green got out his special electric guitar and played the instrumental version of Play It Loud on it, and it was so awesome!

Luna: WHOA! That was so awesome!

Buster Bunny: He joined us at the same time Steve joined as our History teacher, and he proved to be one awesome toon: he took down Sweetie in Wild Chases Class for the first time, and he was only new to the class, he took down Montana Max in Cartoon Violence, he also topped Gym class when he used Jump Move Number 3 that Ken Wakashimazu from Captain Tsubasa had used, and Dave scored not only in Soccer, but also to catch Sweetie and take down Monty. Plus, his guitar can spin change into objects.

Lincoln: Whoa, no way, he used THAT special move from Captain Tsubasa? That's awesome!

Dave Green: That's correct, and he taught it to me long ago when I saved him from being ran over. I also know how to do spin changes, and I have a lot more skills that I'd learned from watching your adventures. I'm also the leader of a faction consisting of me, Furrball, and Sylvester Junior called The Young Cat Trio. Plus, I saw what you guys did in giving Team Buktu The Black Abyss same with Darkseid, serves them right, and I saw how you guys helped Lincoln get rid of that nightmare, Dark Chase Young! BLECH! That guy was an absolute sicko!

Nico: You're telling me. But, that monster got what he deserved, so good riddance to him!

Then, we met a strong-looking hyena and strong-looking dog-cat hybrid, we soon found out they're Hillary Hyena and her boyfriend, Ron, who happens to be Rita and Runt's son.

Ron: Whoa, no way, you're Team Loud Phoenix Storm! Buster's told us about you guys, and Lincoln, congrats on you getting together with Minerva, and I know you'll always take care of her. If any guys give you trouble, call me and I'll drive them out.

Minerva Mink: Ron's always defended me from the guys drooling over me, but he knows you're a gentleman, Linky.

Lincoln: And a thrasher of perverts.

Hillary Hyena: Oh man, I couldn't forget about what you did to Minoru when he was causing trouble, you really gave him what for! (Laughs)

Then, we met a young male wolf toon who has the same fur colors as Walter Wolf, but he's pure good and not a villain.

Me: Hey, who's that?

Rhubella Rat: That's Wally Wolf, he's Walter's grandson and like me and Margot Mallard a former Perfecto Prep student, or rather, an outsider of Perfecto Prep, and my boyfriend after I dumped Roderick's butt.

Wally Wolf: Yep, however I'm also just as strong as Hillary and Ron and I know how to defend myself whenever I deal with villains.

Then, we saw two human teens coming to us: one's a young male with silver hair and handsome appearance and the other is a young male with long brown hair.

Me: Whoa, and who are these guys?

Buster Bunny: The silver-haired teen is Tyson Silver, Bugs Bunny's Best Friend for Life along with mine and Babs, and the brown-haired teen is Rudolf, Daffy Duck's Best Friend for Life along with Plucky's.

Tyson Silver: And a longtime fan of the Looney Tunes. Plus, this is also the first time I'm meeting all of Team Loud Phoenix Storm along with The Loonatics, the descendants of the Looney Tunes.

Ace Bunny: Same here.

Rudolf: As soon as we heard of your arrival, we had to come right away, we have more on the way.

We also met a strong-looking female half-cat half-tigress hybrid who happens to be with Dave Green, her name is Sarina, and she's Dave Green's girlfriend, along with her parents, a huge muscular male named Ty, and his wife, Sarah, a beautiful cat who are owners of a repair shop named Fix-It in the city and Wile E Coyote and Calamity Coyote have a lifetime contract with them, and we even met some other humans and toons who happen to be the other members of The Rockers: Ryan, a human teen with black hair with bangs, Watson, a wolf toon, Jack, a half-cat and half-dog toon, Jackson, an African American human teen with black hair, and Mike, a man with long blonde hair like from the 80s covering both eyes and a rocker t-shirt and blue jeans.

Plus, we found out Furrball is now the drummer of The Rockers, and he definitely knows how to rock and roll.

Eli: Wow, to think this city also happens to be right here in Acme Acres, this is amazing.

Lincoln: You said it. Alright, now it's down to business, we're here in The Toons and Humans Town/City, and I know what we're going to do here, not only am I going to rescue the six girls here, but we got bad news.

Rhubella Rat: Afraid so. It appears Rhubella Rat and Margot Mallard, it appears Roderick Rat and Drake Danforth along with all the Perfectoids A.K.A. Students of Perfecto Prep have broken out of prison and they still want revenge on us for ruining them and killing and banishing Xehanort to The Black Abyss last year.

Me: What?! Seriously?! Those guys are...!

Burst Man: What a bunch of jerks.

Even if God and Jesus Christ in Heaven forgives you, I will never forgive you, you lot had committed the darkest of sins and transgressions, as such, there is only one punishment that awaits you.

We heard it loud and clear: they were done for. Suddenly, we saw a massive murder of crows appear as they circled around in the skies of the city turning the skies black, but the crows had yellow tips on the feathers of their wings and Ace Bunny backed away, and then...!

Then, the crows descended as Ace Bunny sent them right at Roderick Rat, Drake Danforth, and the rest of The Perfectoids, and the crows proceeded to attack Roderick Rat, Drake Danforth, and the rest of The Perfectoids as they screamed in pain as the crows continued attacking them, but we felt that these crows were the spirits of the dead: the former students who fell victims to the crimes the Perfectoids had committed, and they wanted revenge.

SOULS OF THE DEAD, FIND AND HAVE YOUR REVENGE ON THE ALUMNI OF PERFECTO PREP!

The crows obeyed Ace Bunny, and they went after the Alumni of Perfecto Prep, and they also did the same thing: they attacked the Alumni of Perfecto Prep, and they were sentenced to suffer for all eternity due to the sins they committed against their victims. Then, we tied the Perfectoids up and sent them to Vypra who's going to enjoy torturing them for eternity as the Duel Monsters of Ace Bunny and Tech E Coyote vanished. We cheered as we holstered our weapons and powered down, and we return home to The World Tree Estate, but then, we saw The Toons and Humans Town/City merge with Gotham Royal York and Acme Looniversity was brought here as well.

Me: That was really interesting, we not only met more of the friends of The Looney Tunes and Tiny Toons and gained some new members of the team, but we also took down those Perfectoids from Perfecto Prep.

Nico: That's for sure, those snobs had it coming.

Lincoln: Since 1990, they had it coming. But, I was also surprised at that dark power Ace used on them and the Alumni of that accursed school.

Rhubella Rat: A dark power that summons the spirits of our former school's victims and went after them for revenge, we saw what Tech did to Andrew Furukawa yesterday, and now, we saw another display aimed at those snobs.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long crimson red hair with yellow streaks with orange flower in her hair, crimson red eyes, massive fire colored angel wings, she has The Volcanic Laval Masters of Courage symbol on her right arm and the pendant on her necklace, The Laval Crest on her forehead, and Laval Forest Sprite on her crimson red skirt, crimson red short-sleeved blouse, orange sleeveless midriff top with Laval Forest Sprite on it, crimson red bridal gloves, orange stockings, crimson red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, lava, phoenixes, and angels on the coattails, and on the back is Laval Forest Sprite, and she has a fire greatsword, and with her are the six girls.

Lincoln: (GASPS) Aalish Vulcania, Avatar and Gene-Slammer of Laval Forest Sprite.

Aalish Vulcania: That's right, and I got the girls away from those losers, but I did managed to see Ace use his dark power and made them suffer.

Me: We should've run, but we stayed to see the horror show begin.

Lincoln: Either way, we've taken down those snobs and sent them to Vypra who's going to enjoy making them suffer. (To Aalish Vulcania) And it's so good to see you again, Aalish.

Aalish Vulcania: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Aalish Vulcania had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Aalish Vulcania was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Aalish Vulcania: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Aalish Vulcania's waist and hugged her, and Aalish Vulcania was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Aalish Vulcania: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 620'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's

Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Aalish Vulcania, Avatar and Gene-Slammer of Laval Forest Sprite, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lava Forest Sprite. She's The Volcanic Lava Forest Sprite Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Aalish Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Forest Sprite, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Forest Sprite, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, but here's the absolute shocker: Aalish Vulcania despises her former best friend, Karen Daniels, with a blazing passion! Aalish Vulcania found out that Karen Daniels was an unadulterated dumpster fire filled with hatred, she hated that Lincoln and Aalish Vulcania are together and finding happiness and not suffering in misery like she wanted! She was a petty, jealous, ugly, blackhearted, remorseless, brainless bully, and she tried everything to kill them, but Lincoln exposed Karen Daniels to all of Royal Woods, and her family was absolutely disgusted by her heartlessness and callous behavior, that they disowned her. In a fury, she tried to kill Aalish and Lincoln, but Lincoln banished her to another world, but what Lincoln didn't know was that he banished Karen to New York in the world of Nightshift, and she tried to forge alliances with the criminal gangs there, but The Big Claw Gang had leaked the news of what she did, and she was facing death threats from them, and two weeks later, Karen Daniels was found dead, and the killer who'd slain her was none other than Caleb Maxwell who back then was the vengeance-driven bloodsoaked dark angel of revenge.

Nico: After what Adara told us about your ex-best friend, she should've been killed long ago, but not by Caleb's hands, what if she was brought back as a zombie that day.

Mad Cat Max: Actually, she was brought back that day as a zombie, but after we destroyed the demon Caleb turned into, her spirit was sent to Hell forever.

Me: Jeez.

Lincoln: Yikes, looking back, we should've asked Dana to send her to The Black Gates. If she comes back, we're getting rid of her forever, and now that you're here, Aalish.

Lincoln with his massive muscular arms still wrapped around Aalish Vulcania's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Aalish Vulcania: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Aalish Vulcania with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Aalish Vulcania: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Aalish Vulcania.

Aalish Vulcania had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Aalish Vulcania's waist, and he leaned down to her face and kissed her on the lips, and with Aalish Vulcania's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Aalish Vulcania had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Aalish Vulcania: (In Heaven) My God. And Lincoln, tell the guys to run to their rooms, the six girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the six girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the six girls are Amber Dracolethe, Aria, Cres, Istina, Emo, and Shrika from Harvestella.

Lincoln: Oh whoa, it's Amber Dracolethe, Aria, Cres, Istina, Emo, and Shrika from Harvestella.

Nicole: Ooh, and these girls are also really good fighters.

Lincoln: Which means any pervert who tries to attack, they'll fight back. Are you girls okay?

Amber Dracolethe: Yes, we're okay, thanks to you.

Then, when Amber Dracolethe and the five other girls saw who it was that saved them from The Perfectoids from Perfecto Prep, their faces turned atomic red and their noses gushed out blood upon seeing the 620'11" tall, handsome heartthrob hulking wolfman with abnormally massive and powerful upper and lower body muscles covered in light brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle with beard stubble on his jawline and thick brown goatee on his chin, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of

Amber Dracolethe: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clone, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Cres: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Amber Dracolethe, Aria, Cres, Istina, Emo, and Shrika with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: Okay, that was one wild battle we had in The Toons and Humans Town/City, and we took down those stupid Perfecto Prep snobs.

May: Those snobs deserved it big time.

Lincoln: And we also recruited Steve Cat, Dave Green, Hillary Hyena and her boyfriend, Ron, who happens to be Rita and Runt's son, Wally Wolf, Walter Wolf's grandson and Rhubella Rat's boyfriend, Tyson Silver, Bugs Bunny's Best Friend for Life along with Buster and Babs Bunny's Best Friend for Life, Rudolf, Daffy Duck's Best Friend for Life along with Plucky Duck's Best Friend for Life, Sarina, her parents, and the other members of The Rockers: Ryan, Watson, Jack, Jackson, and Mike. And we saw what Ace did to them, that was pretty crazy.

?: That's for sure.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long pink hair, pink eyes, she has the symbol of Valentine's Day on her forehead and right arm, and she was dressed in a pink two-piece bikini.

Lincoln: (GASPS) Vallie Valentinesraira, Queen of The Valentinesrairans of Planet Valentinesraira and Embodiment of Valentine's Day and Love.

Nico: No way, the only Valentinesrairan that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Vallie Valentinesraira, Queen of The Valentinesrairans of Planet Valentinesraira and Embodiment of Valentine's Day and

Love, she's Lincoln's Guardian Angel from the planet Valentinesraira, a Valentine's Day planet of true endless love in The Forbidden Zone, she's The Queen of The Valentinesrairans who rules the Valentine's Day planet of Valentinesraira and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of love, passion, lovemaking, the intense flames of love and passion, light, and sex, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of love, passion, lovemaking, the intense flames of love and passion, light sex, and all the powers of Valentine's Day, and the ability to grow even stronger, and all the powers of her people times infinity, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Heavenairaira where he would meet The Valentinesrairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Valentinesrairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of love, passion, lovemaking, the flames of passion and love, light, sex, all the powers of Valentine's Day, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Valentinesraira and its core into his body and Valentinesraira's Sun into his body to preserve their legacy. Vallie Valentinesraira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of love, passion, lovemaking, the intense flames of love and passion, light, sex, the powers of Valentine's Day times infinity, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, and immense superhuman endurance, omnipotent power, immense powers of love, passion, lovemaking, the intense flames of love and passion, light, sex, the powers of Valentine's Day times infinity, and the ability to grow even stronger, and all the powers of The Valentinesrairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught

Lincoln in everything she knew when it came to fighting and she knew his natural charisma, charm, and noble personality had led to him attracting a lot of girls, but she also protects Lincoln from the girls who are just pure evil bitches, and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Valentinesrairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of love, passion, lovemaking, sex, the flames of passion and love, light, all the powers of Valentine's Day times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Valentinesraira and its core and Valentinesraira's Sun into his body to preserve their legacy. Lincoln made her an awesome ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's the slayer of those who are the enemies of love and those who are the enemies of love wind up getting slain and sent to The Black Abyss forever.

Me: That's incredible.

Vallie Valentinesraira: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male Valentinesrairans along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of love, passion, lovemaking, the intense flames of love and passion, light, and sex, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally absorbing Valentinesraira and its core and Valentinesraira's Sun into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: Wait, you also included immense virility and fertility as well? That means...!

Vallie Valentinesraira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Vallie Valentinesraira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Vallie Valentinesraira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Vallie Valentinesraira with pink gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Vallie Valentinesraira: That's my special gift to him: Valentinesraira's Blessing of Divine Love Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 620'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Vallie Valentinesraira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Valentinesrairans both males and females are extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us met Steve Cat, Dave Green, Hillary Hyena and her boyfriend, Ron, who happens to be Rita and Runt's son, Wally Wolf, Walter Wolf's grandson and Rhubella Rat's boyfriend, Tyson Silver, Bugs Bunny's Best Friend for Life along with Buster and Babs Bunny's Best Friend for Life, Rudolf, Daffy Duck's Best Friend for Life along with Plucky Duck's Best Friend for Life, Sarina, her parents, and the other members of The Rockers: Ryan, Watson, Jack, Jackson, and Mike in The Toons and Humans Town/City and took down Rhubella Rat and Margot Mallard's former friends, The Perfectoids of Perfecto Prep, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Aaliah Vulcania saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Aaliah Vulcania: My God, I was right that Lincoln's really grown into a 620'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Aaliah, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Aaliah Vulcania: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Aaliah Vulcania: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm, it looked like Majin Buu in his Super Buu form, but the bad news: he was an extremely powerful being who'd absorbed all of The Z-Fighters including their Fusion forms and all the foes of The Z-Fighters as he had all their characteristics incorporated into his being: Broly's extreme muscle mass, Cooler's 2nd form, Cell's tail, and many more.

Dave Green: What the?! Oh great, this must be one of Sebastian's mad scientist projects!

King Kai: (Telepathically) I was about to say that, this was once one of his mad schemes when he was still that crazy psychopath. Guys, that creature that you see outside and causing havoc is known as Ultimate Buu, an extremely powerful version of Super Buu, this is what'd happened to him when he absorbed all of The Z-Fighters including their Fusion forms and all the foes of The Z-Fighters including Shenron and Porunga.

WE GASPED!

Eli: And how was he connected to?

Gohan: Because, long ago, Sebastian had recruited him from a universe where he'd absorbed all of The Z-Fighters and Fusion forms included and all of our old foes including Shenron and Porunga, as a result, he became an Ultimate being, a God of unimaginable power, and it was all part of another of his mad schemes to destroy all of existence, but Ultimate Buu was way too powerful for someone like him to handle, so he had him banished to The Underworld forever.

Goku: But, when J.D. and Lincoln freed Sebastian from The Black Ooze of The Eldritch, the seal had been broken, and he was freed.

Lincoln: I need to stop him at once and absorb him.

Lincoln went outside and he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Ultimate Buu and he began absorbing him and he assimilated Ultimate Buu's muscle mass along with all his powers and abilities and all the powers and abilities of The Z-Fighters and Fusion forms included and all of The Z-Fighters' old foes including Shenron and Porunga, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man! Ooh yeah, this feels incredible. RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Ultimate Buu began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln.

Ultimate Buu: (Groans) He's sucking me dry and absorbing me, I can't take much more of this!

Then, when Lincoln was done and the stingers changed back, nothing was left of Ultimate Buu, and Lincoln sucked out all of the remaining energy in Ultimate Buu's soul and banished him to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire burst out of his massive biceps and massive muscles!

Then, he came back inside.

Dave Green: (Laughs) Oh man, Lincoln, you wild beast! You absorbed Ultimate Buu and assimilated his muscle mass along with all his powers and abilities and the powers and abilities of The Z-Fighters and Fusion forms included and all of The Z-Fighters' old foes including Shenron and Porunga. Wait, I got a bad feeling about this!

Lincoln: Relax, Green, nothing's gonna. (GROWLS) Oh man, I feel something happening!

Then, Lincoln felt even more power surging through his body and he let out a massive wolf roar as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles grew much larger and bulged out even more as more veins formed and fire exploded out from his massive biceps and muscles, and he suddenly grew from 620'11" to 950'11" in height and he still has twelve-pack abs, he now has 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large planets orbiting around his legs and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller planets orbiting around his waist and his enormous white angel wings with aurora and rainbow tips on the now 1,050'11" enormous white feathers grew much even more larger for his new body with a very massive wingspan of 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999'0" as they spread out and his now 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings also spread out and they also grew larger and his now 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow tips and rainbow markings and orange phoenix feathers also grew much larger, stronger, and longer as his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Toxin Spike-Crystal: Maybe, I think it's time for a career change.

Khameleon the Ice Lizard: Alright, fine.

They came back home.

Me: So, that was the tenth part down.

Lincoln: And twe more to go. But, so far so good, and it's just like our adventures in The Skylands.

Nico: You said it.

Braeden Carnes: That's right. Soon, we'll be reunited once more, and the person responsible for this will pay.

We got a shower, and then, Lincoln, Maya Fey, Jasmine Leaf, Fond Feather, Swoon Song, Dear Darling, Pearl Krabs, and Starla are heading to Miho Beach in Japan, and joining them are the rest of his harem.

Lincoln snapped his fingers, and the 950'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Maya Fey, Jasmine Leaf, Fond Feather, Swoon Song, Dear Darling, Pearl Krabs, and Starla and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Maya Fey, Jasmine Leaf, Fond Feather, Swoon Song, Dear Darling, Pearl Krabs, and Starla had feelings for Lincoln, and Lincoln also had feelings for them too, and he saved them from a group of musclebound thugs and he sucked out all of their muscle mass, virility, testosterone, strength, and energy which killed them all. Plus, Lincoln managed to plant Starla's heart in a pot, took care of it, and brought her back to life.

Jasmine Leaf: Wow, we're here in Miho Beach in Japan, it's so beautiful.

Lincoln: You said it, Jasmine Leaf, and it's perfect for our first date. Shall we?

Lincoln, Maya Fey, Jasmine Leaf, Fond Feather, Swoon Song, Dear Darling, Pearl Krabs, and Starla and the rest of his harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Maya Fey, Jasmine Leaf, Fond Feather, Swoon Song, Dear Darling, Pearl Krabs, and Starla and the rest of his harem harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, Lincoln did the same thing giving Maya Fey, Jasmine Leaf, Fond Feather, Swoon Song, Dear Darling, Pearl Krabs, and Starla and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his extremely massive muscles.

Lily the Mermaid: (Swooning) My God, Linky's still such a handsome and manly wolfman hunk.

?: You will pay for killing me, Team Loud Phoenix Storm!

Suddenly, Lincoln and his harem saw Demigra who's in his coming after them!

Chronoa: What the? Demigra!

Lincoln: I'll get him, Chronoa.

Lincoln went right after Demigra and he punched him real hard in the face and knocked him down, and he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into Demigra and he began absorbing him and he assimilated Demigra's Ki manipulation, Enhanced senses, Ki sensing, Dark magic, Reality warping, Space-time manipulation, Illusion creation, Mind manipulation, Telepathy, Transmutation, Corrupting influence which Lincoln forever purified, Transformation, Teleportation, Time travel, Intangibility, Invisibility, and Absorption, and Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, Lincoln sucked out every last bit of energy from Demigra's soul and he sent him to The Black Abyss and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles and he generated wind gusts from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and cooled down his harem.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Maya Fey, Jasmine Leaf, Fond Feather, Swoon Song, Dear Darling, Pearl Krabs, and Starla and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Maya Fey, Jasmine Leaf, Fond Feather, Swoon Song, Dear Darling, Pearl Krabs, and Starla and his harem placed their hands on Lincoln's massive hairy pecs, but Lincoln wasn't done. Then, he had Maya Fey, Jasmine Leaf, Fond Feather, Swoon Song, Dear Darling, Pearl Krabs, and Starla and the rest of his harem lying down on a massive beach towel with Lincoln on top of Maya Fey, Jasmine Leaf, Fond Feather, Swoon Song, Dear Darling, Pearl Krabs, and Starla and the rest of his harem.

And then, Lincoln shared a passionate and romantic kiss with Maya Fey, Jasmine Leaf, Fond Feather, Swoon Song, Dear Darling, Pearl Krabs, and Starla and the rest of his harem and Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on the blood of Maya Fey, Jasmine Leaf, Fond Feather, Swoon Song, Dear Darling, Pearl Krabs, and Starla and the rest of his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light hovering above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Miho Island, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Maya Fey, Jasmine Leaf, Fond Feather, Swoon Song, Dear Darling, Pearl Krabs, and Starla with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with eight white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks and eight rainbow Thunderbird wedding rings on their left pinkies.

Lily the Mermaid: And now, Maya Fey, Jasmine Leaf, Fond Feather, Swoon Song, Dear Darling, Pearl Krabs, and Starla are in your harem, Linky.

Maya Fey, Jasmine Leaf, Fond Feather, Swoon Song, Dear Darling, Pearl Krabs, and Starla showed the marks on their right trapeziuses Lincoln made.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Demigra came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed him and assimilated all his powers and abilities, and I sucked out the last of his energy in his soul and banished him to The Black Abyss.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: (Fiery Godly Voice) The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Skylanders Adventure.

Nico: Who's next?

Me: Supergirl, Nikiya, Applejack, Apple Bloom, Apple Fritter, Candy Apple, Flashwing, Head Rush, Rubble Rouser, Doom Stone, Stone Man and Drill Man and we're going after Chomp Chest in Monster Marsh.

Nico: WHOA!

Qin: Scary.

Lola: Lets get a move on then.

We went into the Simulator and it activated and we were in Monster Marsh!

It was a scary and poisonous swamp area.

Me: WHOA So this is Monster Marsh.

Xenia: Scary place.

Qin: Yeah.

Nico: Lets be careful.

Me: Okay.

Eli: Whoa I sense a familiar presence here. The Force is telling me that it's Chloe Bourgeois.

We gasped!

Chloe: How can that be? I'm right here.

Eli: This is the Chloe from the world King Kai told us about.

Qin: Oh man! We better be ready for anything.

Nico: Good idea.

Eli: The Force is also telling me that she is in a lot of terrible sadness and hurt because of what happened to her on her world.

Me: Oh man.

Ymir: I don't know what happened to her but she must've gone through a horrible thing there.

Me: We'll find out

We walked around.

We saw that it was a scary place.

Me: Boy this place gives me the creeps.

Nico: No kidding.

We continued walking.

Nico: Nothing yet.

Qin: Keep your eyes peeled though.

Camie: Right.

We then heard what sounded like crying.

Me: Wait I hear crying.

We got to a clearing and saw a figure.

We went over.

Me: Chloe? Is that you?

She got up and it was Chloe's Final Akuma form, QUEEN MAYOR!

WE GASPED!

Me: You must be Queen Mayor!

Chloe Bourgeois: Wow! I don't look anything different.

Queen Mayor: Well here I am. And you have been told about what happened to me right?

Me: Only through King Kai. We heard that you were defeated and then exiled to London.

Nico got into a fighting stance

Me: Nico wait.

I went over to her.

Me: We know why you became like this. Because you were hurting inside because you only wanted a friend and needed the attention of your parents and you wanted to be loved and be a good person. But your parents were too busy to pay attention to do so. All you want is a friend Chloe. You are hurting because you don't have friends.

Queen Mayor: I don't. (CRYING) I LOST MY FAMILY, MY HOME, MY FRIENDS, MY SCHOOL, EVERYTHING! ALL OF PARIS HATES ME! I'M THE MOST HATED GIRL EVER IN THE WORLD!

Me: Chloe, Lila Rossi is more hated than you. What you did was only child's play compared to what Lila Rossi was capable of.

She was crying hard.

Seeing her cry like this was making my heart hurt.

Nico came and had her look at his eyes.

Nico: Chloe listen. I know you did wrong. And what you did was wrong. But it's not too late for you. You still have good inside your heart.

Nico hugged her. Little did he know that he was sitting on a certain Chest!

The chest moved and it was CHOMP CHEST!?

Me: WHOA!

We moved and saw him!

Me: Chomp Chest!

Chomp Chest: I heard about what she went through. That was terrible.

Me: It was.

Chomp Chest bit Nico on the butt!

CHOMP!

Nico: YEEEEEEEEEOOOOOOOOOWWCCCCH!

THAT HAD TO HURT!

Chomp Chest: THAT WAS FOR STANDING ON MY HEAD!

Nico: Sorry!

Me: Hey lay off him. He's talking to her.

Chomp Chest: Oh sorry.

Nico: Ow. Chloe, you can redeem yourself. It's not too late for you.

Qin: Yeah Chloe.

Me: You helped Team Miraculous before.

Chomp Chest kept chomping on his butt!

Nico: HEY!

Me: Chomp Chest cut it out!

Chomp Chest: Okay okay okay! Sorry! Sheesh!

Queen Mayor: What must I do?

Me: First you have to apologize to Marinette. I can speak to her for you.

Queen Mayor: Okay.

She gave me a ring phone and it showed Marinette's name on a hologram screen.

Me: Spiffy. Ring phone.

I dialed her.

Me: Hope she'll answer even though we're 500 million lightyears away.

Nico: Yeah.

Marinette answered.

Alt. Marinette: What do you want Chloe! Oh I'm sorry. I thought it was Chloe.

Me: No worries but pleasure to talk to you Marinette. I'm J.D. Knudson, 2nd In Command of Team Loud Phoenix Storm.

Alt. Marinette: Same to you but we never heard of you guys.

Me: Well we figured we didn't leave our mark there. But we have a lot to talk about. Marinette I know it's a sore subject but it's about Chloe from Your world. Well she is here with us on our world, 500 million lightyears away from you guys. Long story on that.

Alt. Marinette: That is unusual.

Me: I know.

I told her what happened with us and how we know her and more and it was intense.

Alt Marinette: So you guys have been battling Akumas too and Gabriel was really Hawk Moth?

Me: Yep. Adrien's dad was Hawk Moth. He was doing all that to revive his wife and Adrien's mom Emile. But more on that later. Chloe is hurting inside Marinette. I know you hate Chloe because of what she did but she did it because she is hurting inside. She did all that because her parents were busy and never paid attention to her and never helped her and she only wanted friends and her heart was hurting.

Alt. Marinette: I had no idea! Let me talk to her please.

Me: Certainly.

I gave her the phone.

Alt. Marinette: Chloe is all that true? Were you hurting inside because of all that.

She was crying.

Queen Mayor: YES! It's true! (CRYING) I'm sorry for everything to you Marinette! I'm sorry for all the pain and hurt I caused you! I'm sorry for all the crimes I did that got me kicked out of Paris!

Alt. Marinette: Oh Chloe! I had no idea! Neither did everyone in school! I'm so sorry you were going through all that.

Queen Mayor: I will understand if you never forgive me.

Alt. Marinette: Chloe listen. I forgive you. I forgive you for it all. I forgive you for everything you did and now I realize it was all because you are hurting. I forgive you for everything.

She then broke down crying.

Nico: And in other news, Chomp Chest keeps on biting my butt.

Chomp Chest: Your butt is tasty!

Me: Chomp Chest stop it. His butt is not a chew toy.

Chomp Chest: Sorry.

Alt Marinette: I'm glad we can be friends now. Just come back when you want to and we can help out.

Queen Mayor: (Sniffles) Okay.

She hung up.

Queen Mayor: (Sniffles) Thank you guys.

Me: It's no problem.

Applejack: Now we can fight you Chomp Chest.

Chomp Chest: Awesome! And man Chloe I'm sorry you went through all that.

Queen Mayor: It's okay.

Me: Here.

I snapped my fingers and gave her a belt that she can use to turn into her Akuma Forms and Queen Bee.

Alt. Chloe: Thank you guys. I have a lot to make up for.

Me: We'll help you out big time.

Starlight Glimmer: I can tell this is gonna be as challenging as my ambassador missions were in the Live Action Transformers world.

Me: But if you can do it there Starlight, we can do the same there.

Qin: That's right!

Nico: Bite my ass, will you?!

Chomp Chest: YOUR BUTT WAS TASTY!

Bender: You want to bite an ass? You can bite my shiny metal ass!

Chomp Chest: GLADLY!

He bit Bender but then...

CLANG!

Chomp Chest's teeth shattered!

OUCH! THAT HAD TO HURT!

Me: Hope he knows a good dentist!

Flashwing: BLINDED BY THE LIGHT!

Head Rush: TAKING CHARGE!

Rubble Rouser: BRACE FOR IMPACT!

Doom Stone: ANOTHER SMASH HIT!

Me: Lets Rock and Roll!

We fired waves of energy and earth and rock and blasted Chomp Chest all over!

I punched the ground and upheaved the ground and smashed him down.

Nico: Eat this!

MASSIVE FIERY LOUD HORRIBLE FART!

Nico fired a massive blast fo fart fire and it smashed into Chomp Chest and knocked him down.

Me: NICE!

Applejack: YEEHAW! Lets make this a Texas Battle!

Applejack bashed him in his face.

Supergirl and Nikiya fired laser vision and energy blasts and blasted him all over.

Apple Bloom fired waves of energy and blasted him.

Nico: Take this!

He punched him down!

Me: Just be glad that Chomp Chest didn't bite your tail off.

Nico: No kidding.

Stone Man and Drill Man blasted him down all over!

Apple Fritter and Candy Apple threw a boulder and smashed him down.

Me: Now Together!

Supergirl, Nikiya, Applejack, Apple Bloom, Apple Fritter, Candy Apple, Flashwing, Head Rush, Rubble Rouser, Doom Stone, Stone Man and Drill Man: EARTHQUAKE OF SMASHING JUSTICE!

They punched the ground and a rock wave went and smashed him down!

CHOMP CHEST DEFEATED!

He tried to bite Nico's butt one more time but his head fell off.

Me: Ouch.

Applejack: That had to hurt. But no more butt biting for you!

She held up a brown trap and a brown vortex appeared and sucked him in.

Chomp Chest: But I'm still hungrryyyyyy...!"

He got sucked in and locked into the trap!

Chomp Chest: "Why is there no treasure in here? I'm hungry!"

CHOMP CHEST TRAPPED!

Applejack: Now y'all have to be good from now on. As the Princess of the Earth Skylanders y'all better be good.

Me: Better do as she says Chomp Chest.

Chomp Chest relented and agreed.

Qin: I'll take that silence as a yes.

Chomp Chest: Just gimme treasure!

Applejack: Y'all have to be good to earn it.

Me: Yep. Nico. When we get back I need to talk to, In private.

Nico: Okay.

We left the simulator and got Alt. Chloe settled in. She is gonna need a lot of therapy too.

In Nico's room, I was talking to him.

Me: Nico I know this is gonna be hard to accept. But I'm having second thoughts about wanting to kill Gabriel on that world the Alt. Chloe came from. I want to save him before he sacrifices himself like that. After everything we heard from Guitar Villain and King Kai and the previous Akuma we battled, I just can't go through with it. I can't even imagine what Adrien would do if he lost his family.

Nico: I understand J.D. and your heart is definitely telling you to do the right thing instead of rushing to judgement like that. I'm proud of you for that. But we'll talk more on the matter later.

Me: Okay.

Nico: But I don't think we'll be able to catch him that easily this time.

Me: I had a feeling it wasn't going to be that easy like it was before. But I got to try Nico. I just got to try.

Nico: Hey don't worry about it. We'll help him.

Me: Okay then.

Nico: But at the very least, we can still destroy another version of Lila as a warmup.

Me: That we can still do. But after we expose her.

Nico: Now you're speaking my language. And we'll call that one Cerise Blanca to avoid confusion.

Me: Good.

Later we were walking to a restaurant and Nico had me blindfolded and May had Naomi Necroshade blindfolded.

Nico: You're going tolove this place.

Me: I'm excited for this.

May: This will be fun.

Vypra: (to Luan) Is there such as a haunted fire engine?

Luan: Maybe. You may never know

Poromon: (GULP)

Qin: That would be scary.

We arrived.

Nico: TADAH!

We had our blindfolds taken off.

We were in front of an amazing Ramen Restaurant. It was called the Mega Ramenhouse.

Me: The Mega Ramenhouse!? Oh wow!

Me and Naomi looked at each other and gasped!

Me: Naomi!?

Naomi Necroshade: J.D.!?

Me and Naomi: YOU ARE MY DATE!?

Me: Wow! (In my head) Nico I'm going to make you suffer for this!

We went in and got our tables.

Naruto: You're going to love this place bro. This place has huge bowls of ramen perfect for me and you.

Me: Wow!

Naruto: Teuchi and Ayame got an amazing job here too.

Me: Did they really? Wow!

We got our food and the bowls of ramen came in HUGE BOWLS as big as birdbaths!

Qin: WHOA! These bowls are really big.

Laney: Wow! I don't think anyone can eat all this ramen in one sitting.

Nico: Lets dig in.

We got to eating.

Carter: Have fun, you two

Me: We always do.

Leni: This is totes going to be fun.

Me and Naomi were sitting at an outdoor table and we were eating.

Me: (Eating) Mmm.

Naomi Necroshade: Good Stuff.

Me: (Nodding)

We had a nice talk too.

Sweetie Drops: Kengo, remember when me, Leni, and Emily met you?

Kengo: How can I forget? That was so awesome there.

Sweetie Drops: It sure was. We had so much fun.

Qin: You sure did.

Me and Naomi were eating and then we both had a noodle in our mouths and slurped and then we saw each other's faces together and then we looked at each other and then we blushed and then smiled and then...

SMOOOOCH!

We kissed and it was so romantic!

All of us: Awwww!

Rainbow Dash bursted into tears and was crying over how happy it was.

Rainbow Dash: (Crying in happiness)

Rarity: Oh Rainbow Dash whatever is the matter darling?

Rainbow Dash: (Crying) I'm so happy for J.D. and Naomi. (Sniffles) It's so beautiful.

Emily: We helped against a lot of your enemies

Kengo: You sure did. That was so much fun.

Nico: Yeah that was great.

Me and Naomi broke and blushed.

Me: Can I get fries to go with that shake?

Naomi Necroshade: (Giggles) Yes you can.

Leni: We even took down Billie Muldoon

Kengo: We sure did.

Qin: Yeah.

We later paid for the food and then went to a movie. We were seeing The Thing! It was a Double Feature. 2011 and 1982.

Me: Kate are you sure you want to see this? Especially after what you went through with this.

Kate Lloyd: I'm sure. I want to show you guys what happened.

Me: Okay.

Camie: (GULP)

We went in and got snacks.

Dirtbag: Let the movie begin!

We went into the theater and it started

In the winter of 1982, members of the Norwegian research station "Thule" discover an alien spacecraft and a nearby alien body buried in the Antarctic ice. Dr. Sander Halvorson and his assistant Adam Finch recruit American paleontologist Kate Lloyd to investigate. Together with pilots Sam Carter, Derek Jameson, and crewman Griggs, they fly to Thule Station and meet station chief Edvard Wolner, along with his team of Juliette, Karl, Jonas, Olav, Henrik, Colin, Peder, Lars, and Lars' dog.

The body, encased in a block of ice, is transported to Thule Station. While the team celebrates their historic find, Jameson witnesses the Thing burst from the ice block. The team splits up to search for the alien and find Lars' dog dead. The alien drags Henrik into itself, spattering blood on Olav. The group kills the alien by igniting spilled fuel beneath it. An autopsy reveals that the alien's cells were copying Henrik's. Olav falls ill.

As Carter, Jameson, and Griggs are taking off in the helicopter to take Olav to a medical facility, Griggs transforms into a Thing and attacks Olav, causing the helicopter to crash in the mountains. Kate discovers dental fillings in a bloodied shower and alerts the team that the alien can assimilate and imitate its victims to hide among them. Edvard orders the team to drive to the closest base; however, Juliette and Kate want to prevent anyone from leaving. After going with Kate to get the keys to the vehicles, Juliette transforms and attempts to kill her. Kate escapes and the Juliette-Thing kills Karl. Lars kills the Juliette-Thing with a flamethrower and the team resolves to quarantine themselves until the threat is eliminated.

That night, Carter and Jameson stagger back from the crash. Suspected of being infected, they are kept in isolation. As the alien does not assimilate and imitate inorganic material (as Kate realized from the discarded dental fillings), Kate proposes everyone to be checked for dental fillings. The test clears all but Sander, Edvard, Adam, and Colin, as they have no metallic fillings.

Lars is abducted while going to fetch Carter and Jameson for testing. Carter and Jameson break into the main building, shooting Peder dead and puncturing his flamethrower tank, causing an explosion that knocks Edvard unconscious. When brought to the main room, Edvard violently transforms into the Thing, infects Jonas, kills Jameson, then assimilates Adam, becoming a two-headed thing. Kate burns Jonas and Jameson before they can fully transform, then she and Carter burn the Edvard/Adams-Thing before pursuing Sander, who had also been assimilated.

The Sander-Thing drives in a snowcat to the spaceship. The spacecraft suddenly activates, shifting and separating Kate and Carter, with Kate falling into ship and Carter proceeding through the main hatch. Kate encounters the monstrous Sander-Thing and kills it with a grenade, which shuts down the ship's engines. Kate finds Carter and notices that he is missing his earring; Carter reaches for the wrong ear, confirming to her that he is the Thing in disguise. Kate burns the Carter-Thing, preventing its escape. Kate enters a second snowcat and prepares to drive to the Soviet base 50 miles away.

The next morning, Thule's helicopter and pilot Matias returns to the ruined station. Matias finds the burned remains of the two-headed Adams-Thing. Colin's corpse sits in the radio comms room, his wrists slit and a straight razor held in his hand. Lars, having been hiding in the building where Jameson and Carter attacked him, demands at gunpoint that Matias show his teeth. Lars' dog, thought dead, emerges and runs away. Realizing that the dog is a Thing, Lars orders Matias to give chase in the helicopter.

When it was done Many of us were scared shitless!

Qin: That was horrifying!

Me: Oh man! Kate that was awful you went through all that!

Kate Lloyd: I know.

Grapple: That was scary!

Then came the 1982 version

In Antarctica, a Norwegian helicopter pursues a sled dog to an American research station. The Americans witness the passenger accidentally blow up the helicopter in addition to himself. The pilot fires a rifle and shouts at the Americans, but they cannot understand him and he is shot dead in self-defense by station commander Garry. The American helicopter pilot, R.J. MacReady, and Dr. Copper leave to investigate the Norwegian base. Among the charred ruins and frozen corpses, they find the burnt corpse of a malformed humanoid, which they transfer to the American station. Their biologist, Blair, autopsies the remains and finds a normal set of human organs.

Clark kennels the sled dog, and it soon metamorphoses and absorbs several of the station dogs. This disturbance alerts the team, and Childs uses a flamethrower to incinerate the creature. Blair autopsies the Dog-Thing and surmises it is an organism that can perfectly imitate other life forms. Data recovered from the Norwegian base leads the Americans to a large excavation site containing a partially buried alien spacecraft, which Norris estimates has been buried for over a hundred thousand years, and a smaller, human-sized dig site. Blair grows paranoid after running a computer simulation that indicates the creature could assimilate all life on Earth in a matter of years. The group implements controls to reduce the risk of assimilation.

The remains of the malformed humanoid assimilate an isolated Bennings, but Windows interrupts the process and MacReady burns the Bennings-Thing. The team also imprisons Blair in a tool shed after he sabotages all the vehicles, kills the remaining sled dogs, and destroys the radio to prevent escape. Copper suggests testing for infection by comparing the crew's blood against uncontaminated blood held in storage, but after learning the blood stores have been destroyed, the men lose faith in

Garry's leadership, and MacReady takes command. He, Windows, and Nauls find Fuchs' burnt corpse and surmise he committed suicide to avoid assimilation. Windows returns to base while MacReady and Nauls investigate MacReady's shack. During their return, Nauls abandons MacReady in a snowstorm, believing he has been assimilated after finding his torn clothes in the shack.

The team debates whether to allow MacReady inside, but he breaks in and holds the group at bay with dynamite. During the encounter, Norris appears to suffer a heart attack. As Copper attempts to defibrillate Norris, his chest transforms into a large mouth and bites off Copper's arms, killing him. MacReady incinerates the Norris-Thing, but its head detaches and attempts to escape before also being burnt. MacReady hypothesizes that the Norris-Thing demonstrated that every part of the Thing is an individual life-form with its own survival instinct. He proposes testing blood samples from each survivor with a heated piece of wire and has each man restrained, but is forced to kill Clark after he lunges at MacReady with a scalpel. Everyone passes the test except Palmer, whose blood recoils from the heat. Exposed, the Palmer-Thing transforms, breaks free of its bonds, and infects Windows, forcing MacReady to incinerate them both.

Childs is left on guard while the others go to test Blair, but they find that he has escaped, and has been using vehicle components to assemble a small flying saucer, which they destroy. Upon their return, Childs is missing, and the power generator is destroyed, leaving the men without heat. MacReady speculates that, with no escape left, the Thing intends to return to hibernation until a rescue team arrives. MacReady, Garry, and Nauls agree that the Thing cannot be allowed to escape and set explosives to destroy the station, but the Blair-Thing kills Garry, and Nauls disappears. The Blair-Thing transforms into an enormous creature and breaks the detonator, but MacReady triggers the explosives with a stick of dynamite, destroying the station.

While MacReady sits by the burning remnants, Childs returns, claiming he got lost in the storm while pursuing Blair. Exhausted and slowly freezing to death, they acknowledge the futility of their distrust and share a bottle of Scotch whisky.

When it was done many of us were REALLY SCARED shitless!

Lincoln comforted Fluttershy through the whole thing.

Ymir and Camie were frightened.

We left and many of us were shaking like leaves.

Me: You guys okay?

Catherine Norris: Yeah we are. But man that was horrifying! I can't believe that was how all that happened.

Me: I know.

MacReady: We went through hell because of it.

Serena Sparkman: That was terrifying.

Nico: Yeah.

Naomi Necroshade: I had an amazing time J.D.

We kissed and it was awesome.

Me: Now to give Nico his just reward.

We saw that he was gone!

Me: THE HUNT BEGINS!

With the real Nico...

Nico: (to Mevya) Can I hide out with you?

Mevya: Blind date chase?

Nico: Yep.

Mevya: Come on in.

Nico shrunk down and went into the bird house.

Back with us we were ready. But then...

KRASPLAT!

The Sector V KND members were all drenched in snot and mucus!

Me: OH SICK!

Qin: YUCK!

Then they got sick really instantly!

Me: Whoa they got sick fast!

Laney: Who did that?

Lana: Look!

We saw a Mega Reuniclus!

Me: WHOA! A Mega Reuniclus!

Qin: Wow! Where did that come from?

Me: Must be one of Dark Gale's work.

Sheena: Oh man! This is one really sick girl! Her name is Verona and she is the Daughter of the Common Cold!

We gasped!

Vypra: I didn't know Common Cold had a kid!

Me: Me neither and she must be really sick like him.

Nicole: Poor girl.

She fired snot.

My fire aura flared up and destroyed it.

Me: Nice try.

I snapped my fingers and she reverted back and was a girl with green hair and green eyes. She had green angel wings and had Mega Reuniclus on her forehead and her cutie mark was the Flu Virus with a bowl of chicken soup and medicine on her arm.

We wrapped her in a blanket and brought her to a bench.

She woke up and was really coughing and sneezing and she had snot dripping from her nose, her eyes were red and her skin was really pale.

Me: Boy she looks like shit.

Qin: No kidding.

Varie looked her over.

Varie: 102° Fever.

She had a sore throat and everything.

Varie: She is forever sick with the flu.

Me: Boy her father is always sick with the Common Cold.

With Nico and Mevya...

Nico: Honestly, Meva, I DO find your bits with Gatomon funny

Mevya: I'm glad you like them Nico.

Jerry: What do you think of our little hiding spot?

Nico: It's nice and cool.

Canary: Yeah and the best part is no Tom or Gatomon or Blind Date chases here.

Nico: Yep.

She woke up and was coughing and hacking.

Me: Ew! Geez.

Verona: (Groans) (Weakly) Oh man. I hate being like this.

Me: It's not fun. But I've never been sick a day in my life. But you got the Sector V KND Sick.

They were coughing and sneezing like she was.

Verona: Sorry about that. (Coughing)

Me: You are not going to be in any condition to go with us on our big mission later.

Verona: I can tell.

Me: Also you were turned into a Mega Reuniclus by Dark Gale.

Verona: Oh man. (SNEEZES) I was just resting in bed when it happened.

Me: Oh man. We'll get you some new clothes when we get back. First we got a certain Saiyan Blind Date Master to find and punish.

I had her carried on my back.

Me: You'll be all right Verona.

Eli: We'll use the force to find him.

Me: Okay.

We were off.

We arrived at a new planet and it was yellow and covered in fish stuff.

Me: Whoa look at this.

We smelled something horrible!

Me: (Sniffs) PEEYUU! Geez! What is that smell?

Laney: Look what the ground is. Looks like fish.

Brynja: (Icelandic Accent) It's Hákarl!

Me: Wait you mean Putrified Shark!?

I saw that she is right!

Me: I don't believe it! It's a planet of Putrified Shark!

Lilja: (Icelandic Accent) This is part of my country.

Qin: This is a weird one.

I ate some.

Me: (Eating) Wow! (GULP) UCH! I am part Icelandic and it's good.

Brynja and Lilja and all your Icelandic teammates liked it.

Carl Carlson: I may be Icelandic but I don't like this one.

Me: I don't blame you.

* * *

With Nico and Mevya...

Nico: Okay, Mevya. What would you do if Gatomon chased you with the help of other cats?

Mevya: Then that would be awful. I would hide in this bird house till I push up daisies.

Nico: That would be crazy.

* * *

Back with us.

Me: Lets see.

We found him on a rock.

Me: There!

We went over.

Me: Okay bub!

But then Nico Melted into slop!

Me: A clone. Figures.

Eli concentrated and we teleported.

This time it was an orange planet.

We arrived.

Me: Whoa look at..

WE SMELLED A REALLY HORRIBLE ODOR!

SEAL BARK!

Me: OH GOOD GOD!

Qin: YUCK!

We saw that the ground was made of cheese.

Lynn Sr.: HOOWEE! This is a planet made of Casu Marzu cheese. That is THE STINKIEST CHEESE IN THE WORLD!

Me: OH YUCK! Maggot-infested cheese from Sardinia! YUCK!

Qin: THE SMELL IS BURNING MY NOSE!

Xenia: ME TOO!

Lana: (EATING) It's good stuff though!

Me: Only you would like it Lana.

We saw Nico eating some of the cheese.

Me: I didn't think Nico would like this cheese.

May: He does like cheeses of kinds?

Me: Even the stinky ones?

May: Maybe not all of them.

Verona: (Groans) I can't smell anything at all though.

Me: I can tell.

We went over to him and just as we were about to jump him, he turned into confetti!

Pinkie Pie: CONFETTI!

Me: A Confetti clone. Funny.

We then went to another planet.

Nico: Wanna eat some M&Ms while waiting?

Mevya: You had me at M&M's!

Canary: Sure!

They got to eating.

We then arrived on a planet Made of Durian Fruits!

Me: Whoa! A Planet of Durian Fruits!

SEAL BARK!

Me: OH GOOD GOD! This planet smells worse than the last one! The people of Southeastern Asia would not like this planet.

Xenia: You're right on that one.

Qin: It smells worse than Lori's Farts!

Lori: I HEARD THAT!

Ymir: The smell is burning my nose and eyes!

Qin: YEAH! Look!

We saw Nico on a pile of the fruits.

We went over to him.

Just as we were about to pounce on him...

POOF!

He turned into a big pile of coconuts!

Me: Coconuts!? Weird!

We went back home.

Nico: Fun times.

But then we came back and looked inside the birdhouse.

Me: Peek-a-boo I see you!

Nico: (SCREAMS) How did you find me!?

Me: I use this spot too remember?

Mevya was eating M&Ms.

Mevya: Hey guys!

Nico came out and returned to normal size.

Nico: (Sees Verona) Whoa man! She looks like shit.

Vypra: She's Common Cold's daughter Verona and she is always like this.

Me: Nasty story. But don't let your skeleton fall out now. She'll get you sick. But you would not believe where we went.

We told him everything.

Nico: Whoa those are some really disgusting planets!

Me: You're telling me!

We went back into the Estate and got Verona to bed and the KND members soup and medicine.

Me: Numbuh 1 and team are gonna be in no condition to come with us on the mission.

Rainbow Dash: Yeah. PICKLE AND BARLEY!

Pickle and Barley Barrel: Reporting for duty captain Rainbow Dash!

Rainbow Dash: Can you take care of Numbuh 1 and friends and Verona while we're out?

Pickle Barrel: YES MA'AM!

Me: Good! Now Nico time for your punishment!

Me and Naomi jumped him and we were tickling him!

Me: COOCHIE COOCHIE COO!

NICO LAUGHED HYSTERICALLY!

Me: Say it Nico!

Nico: (LAUGHING) NEVER!

Me: Say it!

Nico: (LAUGHING) NO!

Me: SAY IT!

Nico: NEVER! (LAUGHS)

Qin: NICO IN THE NAME OF ALL HUMANITY SAY IT!

Nico: UNCLE! UNCLE! UNCLE!

Tyrone McGee: SAY WHAT!?

Nico: UNCLE UNCLE UNCLE!

We stopped and he calmed down.

Nico: Whew! Whew!

Rachel put on her jumpsuit. It was brown.

Rachel Lexxington: There.

Me: Cool.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Gluko: So, did you bond with Mevya while hiding from us?

Nico: We sure did. We had a nice talk and had M&Ms.

Me: Cool cool.

Then a familiar beep came.

Me: Zordon is calling.

I answered.

Zordon: Team Loud Phoenix Storm, my sensors indicate that Mariner Bay is about to be attacked by Bansheera.

Me: Oh man: We're on our way Zordon.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Bansheera, she's finally escaped from The Warp, and she's back once again for revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you've finally come crawling out of The Warp, Bansheera!

Me: Just like Zordon said.

Eli: Now, we can finally end her forever.

Lincoln: And send her to The Black Abyss for all eternity.

Lincoln sounded the silent alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Bansheera, she's finally escaped from The Warp, and she's back once again for revenge on us.

EVERYONE GASPED!

Carter Greyson: I knew Bansheera wouldn't stay dead for long! Now we can do away with her forever.

Me: You said it, Carter.

Nico: This is gonna be another awesome battle against another Power Rangers main villain. Alright, team, let's get to Mariner Bay.

Lincoln: Bansheera's days are finally numbered, now we can do away with her forever.

The previous group came.

Demyx: Can me, Dr. Viktor, Six Gum Gang, Dai Gui, Whiplash, Brain Freezer, Man Boy, Toiletnator, Brody and Diabolico go with you guys?

Wilbur: And who's the sick girl?

Verona sneezed.

Me: That's Verona. She's the Common Cold's daughter.

They gasped!

Dixie: Well I'll be shredded into applesauce and served on toast! I didn't know Common cold had a kid.

Me: We didn't either.

Dai Gui: Why do you guys smell like fish and Lori's farts?

Me: Don't fucking ask.

Naomi Necroshade: You don't want to know.

Nico: And yes you all can come with us.

Gravity Man: Nico, which Gene Slammer do you think you'll meet next?

Dixie: Another Elemental Hero?

Nico: Yep. Elemental HERO Bladedge next.

Me: Nice!

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The

Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figures were in the vision: it was Odahviing, Durnehviir, Krosulhah, Mirmulnir, Naaslaarum, Nahagliiv, Sahloknir, Shulkunaak, Viinturuth, Voslaarum, Vuljotnaak, Vulthuryol, Nafaalilargus, Kaalgrontiid, Mulaamnir, and Bahlokdaan from The Elder Scrolls, and they want revenge on Lincoln for absorbing Alduin. When we saw it, we knew it meant trouble.

Lincoln: Oh God, we got trouble!

Me: Oh crap, was that?

Lincoln: Odahviing, Durnehviir, Krosulhah, Mirmulnir, Naaslaarum, Nahagliiv, Sahloknir, Shulkunaak, Viinturuth, Voslaarum, Vuljotnaak, Vulthuryol, Nafaalilargus, Kaalgrontiid, Mulaamnir, and Bahlokdaan, the other dragons from The Elder Scrolls, and they want revenge on me for absorbing their leader, Alduin.

Anna Walker: Oh boy. Lincoln, I hope you absorb them.

Lincoln: I will, Anna. Months ago, I absorbed Alduin, The Dragon God of Time and assimilated his Magic, Great strength, Great mobility, Sharp teeth and claws, Fire breath, Ability to bring others back from the dead or Necromancy, Flight, Excellent fluency in Dovahzul, Ability to travel to and from Sovngarde at will, Control over a massive self-created fog made of souls, and Managing to devour and absorb the souls of those in Sovngarde. Now, it'll be the turn of Odahviing, Durnehviir, Krosulhah, Mirmulnir, Naaslaarum, Nahagliiv, Sahloknir, Shulkunaak, Viinturuth, Voslaarum, Vuljotnaak, Vulthuryol, Nafaalilargus, Kaalgrontiid, Mulaamnir, and Bahlokdaan, the other dragons from The Elder Scrolls.

Nico: With what they've done along with Alduin, they need to pay for what they've done. Alright, team, let's get going to Mariner Bay and end Bansheera forever.

Lincoln: Bansheera's time is finally up, now this is where she dies once and for all, and once we get done with her, you're next, Odahviing, Durnehviir, Krosulhah, Mirmulnir, Naaslaarum, Nahagliiv, Sahloknir, Shulkunaak, Viinturuth, Voslaarum, Vuljotnaak, Vulthuryol, Nafaalilargus, Kaalgrontiid, Mulaamnir, and Bahlokdaan.

Anna Walker: You evil dragons along with Alduin tried to destroy all of mankind and rule the realms, this is unforgiveable. It's time you pay for everything you've done.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to Mariner Bay to finally destroy Queen Bansheera once and for all, and once we send her to The Black Abyss once and for all, Anna Walker and Lincoln are going to take down Odahviing, Durnehviir, Krosulhah, Mirmulnir, Naaslaarum, Nahagliiv, Sahloknir, Shulkunaak, Viinturuth, Voslaarum, Vuljotnaak, Vulthuryol, Nafaalilargus, Kaalgrontiid, Mulaamnir, and Bahlokdaan, and Lincoln's going to absorb them.

We were off to Mariner Bay

We arrived.

Goof: Here we are.

Carter: Good to be back in Mariner Bay.

Dai Gui: Let's call Toyman.

Me: Good idea.

We did so.

Toyman: I'm ready guys.

Me: Boy I remember the first time we were here. That was when we first met you guys and helped with dealing with that scientist from the Goosebumps Book, Deep Trouble.

Blade Man: Is the Max Solarzord ready?

Ryan Mitchell: Yes it is.

Me: Great!

Dana Mitchell: I wonder how dad has been.

Me: We haven't seen him in 5 years.

Nico: It has been a while.

Connor McKnight: I hope we don't run into General McKnight.

Ymir: Why?

Me: Well funny thing. Coincidentally he and Connor share the same last name even though they hold no relation by blood.

Hannah Montgomery: And he also built my archenemies the Cyborg Rangers.

Brain Freezer: That's true.

Runt: So we can't entirely be mad at him.

Me: Yep.

We went to the Lightspeed Rescue Aquabase.

We arrived later.

Kelsey Winslow: Boy good to be back here again.

Me: You guys really missed this place haven't you?

Joel Rawling: We sure did.

Captain Mitchell: Well there's a bunch of good faces.

Dana Mitchell: Hey dad!

Ryan: Dad!

They hugged him.

Me: Hello Captain Mitchell. Good to see you again.

Captain Mitchell: You too J.D. Its been a while.

He saw Vypra.

Me: David we have a lot to talk about and its been 5 years since we saw one another. So much has changed since then.

Captain Mitchell: Tell me everything.

We went and did so.

Captain Mitchell: Wow! So Vypra and some of your enemies from the Legion of Doom and beyond became your friends?

Me: Yep.

Dana Mitchel: It's true dad.

Captain Mitchell: So let me get this straight. The people of Earth turned and chose Team Buktu over you guys twice?!

Stalker: Technically, those two incidents didn't take place on the same Earth.

Me: 2022's incident with Team Buktu happened in the prime universe.

Lincoln: The recent incident happened in the Lego Universe.

Vypra: It's true.

Lincoln: But rest Assured, Team Buktu is gone for good.

Me: Yep and you'll never see them again.

Xenia: Yeah.

Captain Mitchell: I'm glad for that.

I showed Ms. Merriweather the blueprints for the weapons and zords we made for the Lightspeed Rescue Rangers.

Ms. Merriweather: And J.D. these new weapons and zords you all made are phenomenal.

Me: Learned a lot from the best when we made them.

Ms. Merriweather: (LAUGHS) I'm honored.

Captain Mitchell: And Erica you faced Cyclopter and an army of Batlings all by yourself? That is absolutely astounding and impressive.

Chad Lee: We all were amazed she did that.

Captain Mitchell: That is amazing.

Erica: It sure is.

Gina Greyson: I agree there too. I was amazed myself.

Toiletnator: We also need you to tell us if you see any evil versions of the Underground girls' monster forms.

Ms. Merriweather: We'll be sure to keep an eye out.

Me: Good. But unfortunately we didn't come here to catch up on lost time. I'm afraid we got bad news. Queen Bansheera is back.

THEY GASPED!

Elena Validus: We're not kidding about this.

Ms. Merriweather: I thought she was gone forever in the Black Gates.

Me: So did we. But you heard about Xehanort being killed by us right?

They nodded.

Me: Good. Carter probably told you all about this before.

Captain Mitchell: Oh right! You have a new big baddie. The Anti-Monitor.

Me: That's right and he resurrected all of our most dangerous enemies.

Camie: Bansheera is back on Carter's day.

Me: It's also going to be payback time for Vypra too so it's partly her day to shine too.

Ms. Merriweather: I don't know what went down.

Me: Well Bansheera betrayed Vypra and killed her and now she wants revenge on Bansheera.

Vypra: It's true.

Diabolico: Turns out Bansheera was only using us to get her way.

Me: Yeah. I hate Bansheera as much as Vypra does.

Diabolico: You also remember me, right?

Captain Mitchell: How can I not Diabolico.

Diabolico: Good I'm glad you do.

Me: Bansheera is a truly heartless and honorless monster and that's why we are going to destroy her forever.

Lincoln: Alright, we're here in Mariner Bay. Now, before we go after Queen Bansheera, here's my battle plan against her.

Lincoln pulls up a hologram of Mariner Bay and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is Queen Bansheera, and she's escaped from The Warp to get revenge on us. She's out for blood thanks to what we did in killing her on the planet Tenochtitlanoia, and she's pulling out all the stops. She's got a massive horde of Batlings and Demon Warriors loyal to her, and she's planning an all-out invasion and attack on Mariner Bay.

Me: Oh boy. We better take the fight to Glaren so no one doesn't get hurt.

Qin: Good idea.

Poromon: Also, have there been any sightings of a haunted fire engine?

Captain Mitchell:...what?

Nico: It's just a story Luan made up.

Me: But when it comes to haunted vehicles like that it's pretty much no surprise. One time we met a haunted car from the Goosebumps Series.

Qin: Then a car possessed by the spirit of an old friend of Chandler's Great Great Grandfather.

Chandler: Yeah it's true.

Me: Then the 3rd time we met a haunted car possessed by the spirit of an old enemy of mine.

Captain Mitchell: That is crazy and silly.

Me: I know. Tell that to the mascots. Especially Horsea. She was like this. (Imitating Horsea) THE HAUNTED CAR IS COMING! IT WON'T STOP TILL WE'RE DEAD!

WE LAUGHED!

Horsea: I sure remember saying that don't I?

Maria: You were really scared.

Horsea: And it's not funny!

Me: Sorry Horsea. I was just telling how you said it.

Horsea: You're right.

But then the alarms went off.

Me: Uh oh! Trouble!

I looked at my scanner. It showed fires breaking out in the city!

Me: There's a disturbance in the middle of the city! There's fires breaking out all over the city!

Lincoln: And I just had a premonition! It's the work of Carter's Akuma, Demonfire Rescue Red! The Hypothetical Akuma of Carter Grayson and he is an insane firetruck that blasts and destroys buildings with intense fire. He was made because of Bansheera killing all of his friends and vowed to kill her no matter what with intense fire.

WE GASPED!

He showed a sketch of it and it was a REALLY NUTSY CUCKOO FIRETRUCK with a nasty mouth and blasting buildings with fire!

Me: HOLY SHIT!

Vypra: It wasn't a made up story after all!

Luan: OH MAN! I hate being right all the time!

Jungle Fury Camille: Wait. If this is an Akuma, then that means Luan's story wasn't real after all!

Poromon: Oh good. I was scared over nothing.

Me: It looked very convincing though.

Captain Mitchell: An Akuma? Like the fighter from Street Fighter?

Me: (LAUGHS) No! Lego Ocean Master said the exact same thing.

Marinette: These are actually bad guys made by Hawk Moth, my old archnemesis in Paris, France.

Me: We battle them on a daily basis and add them to the M.O.E.

Taskmaster: Carter? Is that you?

Demonfire Rescue Red: NOT ANYMORE!

He fired waves of fire and we absorbed it!

Me: GEEZ! This guy is going into the Book of Vile Darkness!

Lola: Good idea!

Toyman: So getting him to calm down is out of the question.

Me: Yep.

I fired waves of energy and water and blasted him down.

Toyman threw bombs and blasted him down.

Demonfire Rescue Red: My turn.

He fired massive blasts of fire and we absorbed it and I fired a blast of lava and blasted him down and he crashed!

Me: Take that!

I sealed him into the Book of Vile Darkness.

Me: There!

Skywarp: Someone get me a hose. I'm gonna teleport all over the place to put out these fires

Me: Coming at ya!

I teleported and got a fire hose from a truck.

Me: Pardon me sir. Need to borrow this.

I opened the hydrant and hooked it up and gave it to Skywarp.

I opened the hydrant and he blasted the fires.

They were put out.

Man Boy: There. No more fires

Me: Yep. Now lets go after Bansheera.

We nodded.

Me: (EYES GLOW BLUE) Time to end this.

Vypra: (EYES GLOW RED) Once and for all.

Nico: Lets do it!

Selflessness, Courage, and Trust) Bansheera has destroyed too many lives for the final time. This is where she dies once and for all.

We flew out, and we saw Queen Bansheera, and like Lincoln said, she has many massive hordes of Batlings and Demon Warriors causing havoc in Mariner Bay, and now, they are coming after us.

Bright Man: Got a few toys planned?

Toyman; You know me all too well

Me: Awesome.

We saw her.

Nico: There's Bansheera, and they're already coming after us.

Me: Well, that just makes things easier.

Lincoln: For me to suck out their energy. Let's do this.

Lincoln formed countless black energy balls with writhing tentacles around them and purple eldritch runes and Eldritch eyes around them from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he fired them at the massive hordes of Batlings and Demon Warriors, and then, the black energy balls hit the massive hordes of Batlings and Demon Warriors, and they had their life energy sucked out of them and they flowed into Lincoln as he grew even stronger than ever, and they dissolved into dust.

Then, The Loonatics summoned their Duel Monsters and blasted more Batlings and Demon Warriors and destroyed them.

Nico: Alright, let's get in there.

Lincoln: And end Bansheera for good.

Me: Time to take out the trash.

Adrian Morrigan went after Queen Bansheera and he fired extremely powerful blasts of black and purple-pink, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels, and they exploded as they hit her, and he also whacked her and blasted him with his staff. Then, he also attacked him by flashing the Strobulb in her face and blinded her, and the ring of Boos around the flashlight's head fired purple energy beams at her which hit her hard.

POW!

Tyler Maxwell punched Queen Bansheera hard in the face and he slashed her in the stomach with his gold-armored dragon claws, and he slammed her onto the concrete, and we saw the anger in his eyes: he was out for blood, and the skies turned black and red.

Lincoln, Super Brother, Carter Greyson, Nico, and I and the rest of us went after Queen Bansheera and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids,

Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Queen Bansheera, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Nico, and I and the rest of us attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and it was really pissing Queen Bansheera off even more.

Suddenly, Lincoln's massive white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings spread out and four halos of rainbow energy formed with intricate designs inside it behind him and a massive halo of gold energy with intricate designs formed above his head with intricate designs.

And my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings spread out and four halos of rainbow energy formed with intricate designs inside it behind me and a halo of gold energy with intricate designs formed above my head with intricate designs.

And Nico's enormous yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large yellow angel wings under his enormous yellow angel wings spread out and four halos of rainbow energy formed with intricate designs inside it behind him and a massive halo of gold energy with intricate designs formed above his head with intricate designs and they formed into a purifying field that hits Queen Bansheera and we all found ourselves not only in Heaven, but also, in space.

Ed Cowart proceeds to insult Bansheera!

Ed Cowart: Ok, I thought Morag, Fifi Dufus, and even that bug bitch Trakeena are ugly, but damn! You take first place in how fucking ugly you are! You are so fucking ugly that not even Raremon would come near you! Hell even all the animals would stay away from you! Any more uglier and you'd be mistaken for Shrek's great grandmother and

Ed Cowart threw explosive cherry pie at Bansheera then shaved off all the hair off Bansheera's head making her bald, then he made a fruit salad on top of her head complete with whipped cream and a cherry on top. Then, he covered Bansheera with honey and bird seeds and summoned pigeons to peck all over her, and then, Ed Cowart threw a giant pile of dynamite which was lit up at Bansheera which explodes. Then, Ed Cowart wedgied Bansheera and pulled her underwear over her head.

Ed Cowart: WEDGIE! And here's this! LEAF VILLAGE SECRET FINGER JUTSU!

Ed Cowart performs One Thousand Years of Death!

Ed Cowart: ONE THOUSAND YEARS OF DEATH!

Then, Ed Cowart turned Bansheera into a villain pretzel and threw her into a pool of liquid methane!

Ed Cowart: FIRE STYLE: FIREBALL JUTSU!

Ed Cowart fired a giant fireball at the pool of liquid methane which explodes and Bansheera really got burned badly!

Time for this to end.

Rachel was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Lorra. Verona didn't feel it because of her illness and she was back at the estate.

Rachel: No! We control the power! It doesn't control us.

They concentrated and reigned in the powers of their gene-slammer forms and they transformed and smashed and blasted and smashed Bansheera all over.

Qin: Take that!

Manaphy hopd over to her and bashed her in her head.

Qin fired fireballs and blasted her.

Xenia fired arrows and blasted her.

Varie fired water blasts.

Lori fired wind blasts.

Camie fired Aurora Blasts.

The blasts all smashed her all over.

Nico punched her and smashed her face in so hard and it sent her crashing into a rock!

Me: YEAH!

Qin: Nice one

Then Skulker, Robo Blaze, Dr. Light, Common Cold, Technus, Xaldin, Katnappe, Roquefort, Salami Swami and Waffle Woman came.

Nico: Skulker, Robo Blaze, Dr. Light, Common Cold, Technus, Xaldin, Katnappe, Roquefort, Salami Swami and Waffle Woman.

Queen Bansheera: You all will help me!

Their response?

Skulker, Robo Blaze, Dr. Light, Common Cold, Technus, Xaldin, Katnappe, Roquefort, Salami Swami and Waffle Woman: NO!

They smashed her down with a powerful punch!

Vypra: Nobody orders them around except me!

Me: You got that right!

Common Cold: Where's my daughter?

Nico: She's back at the Estate.

Skulker: That's good news.

Robo Blaze: You'll just have to see her tomorrow.

Me: If she is in better condition for it.

Dr. Light: (to Nico) We heard you fought Oni Chan.

Nico: We sure did.

Technus: (to Cyborg):You should take care of that Wobbufett

Cyborg: I will.

?: Cool!

A Figure came and it was Drill Master from episode 34 of Zeo!

Originally a monster from Adam's dream who battled alongside a Quadrafighter in land mobility, and was defeated by Tommy, Drill Master was built for real by the Machine Empire as one of the newly improved robot warriors that received the Neo-Plutonium Armor. He was destroyed in an underwater battle by Super Zeo Zord IV.

Adam Park: Drill Master!

Drill Master: Been a while rangers.

Me: I remember you! You were originally in a dream but then built for real.

Drill Master: That's right. Good memory.

Me: Thanks. And King Mondo is dead now.

Drill Master: I heard. Good riddance.

Me: Yep.

Drill Master: I think you guys took him out two days ago

Me: That's right. We did.

Nico: Yep.

Qin: That was fun.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

---

Skulker was first.

Skulker: (to Aqua) Nico's next rescue was on Twinkieiaira. What did he find there?

Aqua: It was a planet made of Twinkies and we were eating a lot of them! You should have seen what this place was like. It was a forest planet where everything was covered in Twinkies. Megan Kiraton loved them too and man did she eat a lot of them.

Skulker: WOW! That is cool!

Scorpiomon: It was! Also we battled Kagumi's Akuma, Oni-Chan. She was really fast and amazing. She had amazing teleportation skills and put up an amazing fight with speed and skill.

Brenda Loud: She was made because of Lila manipulating her way into Gabriel's mansion and she vowed to destroy Lila as Oni-Chan.

Twilight Sparkle: Lila really ruined a good chance.

Stellar Sparkle: Yeah no kidding there!

Harmony Sparkle: She'll get what's coming to her soon.

Starshine Sparkle: That is for sure!

Spyro: Lila is a monster that needs to be put down like a mad dog.

Skulker: I agree there! Lets do it!

Aqua used Skulker's ring and they fired waves of energy and magic and smashed them down.

Dr. Light was next.

Dr. Light: (to Kairi) The Anothers were the gene-slammers of Great Moth, Perfectly Ultimate Great Moth and Fossil Dragon Skullgios. Nico, Burst Man's team, Snipe Anteater's team, and the others did good battling them.

Kairi: They sure did and it was really cool! The Fossil Dragon Skullgios was Jim Crocodile Cook's sister Olivia and she is from Australia too. She is really cool herself.

Dr. Light: Wow! That is amazing!

Kairi: It is and the next Underground girl we met was Groundroach Rex. And her real name was Rachel Lexxington.

THEY GASPED!

Dr. Light: Wait you mean that street thief that robs people blind while they sleep!? Oh man! We heard so much about her. She is that quiet and crafty.

Kairi: I'm amazed you know about her.

Dr. Light: KNOW HER!? We were all told that She broke into the HIVE Academy and stole all their money while Brother Blood and the students were not looking!

Kairi: WHOA! That is very impressive she was able to do that!

Dr. Light: She didn't make a sound and just snuck in and swiped it all.

Kairi: Quiet as a mouse. Very impressive and amazing how she was able to get passed Brother Blood's psychic powers and the students unnoticed. Shanan said she was turned into Orchannian Blattodean Nauphoeta cinerean crabroach. They come from the jungle planet Orchannia. Even Sly Cooper complimented her on how she was able to do everything she did like that.

Evil Bright Man: That is very impressive! But what is her story?

Kairi: Well she was Born abandoned and raised on the streets and made her living as a street thief but only went after criminals. She got really good at being a master thief and struck when they were asleep and is as quiet as a mouse and leaves no clues behind. She built up a massive hidden loot and vowed to find her parents one day.

Dr. Light: WHOA! She is good! Sly really must've been impressed with her.

Kairi: He was. And her calling card is a cockroach with wings. She even gained Criminal Notoriety after that and made it to the top of the FBI, Scotland Yard, INTERPOL and the CIA's most wanted lists.

Dr. Light: WOW! That is impressive.

Kairi: It sure is. And we also met a Mega Beheeyem gene-slammer and you are gonna be shocked about this. She is actually a Human-Tholian hybrid. Her name is Lorra Loskene. Her mother is Commander Loskene of the Tholian Assembly. You remember her from Star Trek?

Dr. Light: Oh yeah! I remember her! She told the Enterprise to leave when one of their ships was in trouble.

Kairi: Yeah. The Tholians are very extremely territorial and do not take kindly to intruders on their land.

Dr. Light: That's right.

Zero: Yeah Also we met Nico's friend Serena Sparkman and she is beautiful and amazingly smoking hot.

Future Mai: She sure is and her lightning powers are amazing.

Sunset Shimmer: It's amazing that we are meeting so many of Nico's friends that are so beautiful.

Firestorm Shimmer: It sure is.

Sunset Shimmer (G5): Even Rei Miyamoto is jealous of their assets.

Pipsqueak: (British Accent) No kidding there!

Chalcanthite Aurora: (British Accent) That is for sure.

Sunburn: Wow! No kidding!

Dr. Light: Wow! What a rescue. And Rachel has the respect of all of us villains. Lets do this!

Kairi used the ring of Dr. Light and they fired waves of light and fire and smashed them down.

---

Robo Blaze was next.

Robo Blaze: (to Sora) I heard Lincoln's rescue was in Acme Acres. How was it?

Sora: It was really fun! We went to a place called The Toons and Humans Town/City, this place is one massive mega Metropolis city where humans and the legendary toons of animation history live. We went there and we were meeting a lot of people there, specifically those who are friends with The Looney Tunes, but we also got bad news from them: according to Rhubella Rat and Margot Mallard, it appears Roderick Rat and Danforth Drake along with all the Perfectoids A.K.A. Students of Perfecto Prep have broken out of prison and they still want revenge on us for ruining them and killing and banishing Xehanort to The Black Abyss last year. Well, we've had enough of them to last an eternity, we're going to take them down and Ace Bunny's going to show them that Actions have consequences as he tears them apart, and to add extra humiliation, we're going to damn them forever to an eternity of forced servitude in The Masters of Evil

Robo Blaze: GOODNESS! Well it's good you faced them and Vypra is going to make sure they are kept under control with us.

Massacre Wurm: I agree there on that.

Pakura: They are not worth killing after all they did.

Applejack: Nah they are as big a threat as a mouse wandering through a cheese factory.

Emily Douglas: Yeah that would be silly though.

Apple Star: I agree there too.

Wolf Moon Bloom: Also Babs told me about how Roderick and Rhubella smoke and it's not good for them.

Apple Bloom: Yeah blech!

Flashwing: That is for sure.

Robo Blaze: Boy we need to get them to stop doing that. But Patti and Selma smoke so they are the acception. Lets do it

Sora used the Ring of Robo Blaze and they fired waves of light, earth, rock, mud, boulders, meteors, lava, crystal, dust and apples and smashed them down.

Common Cold: (to Robin): Today was The next Skylanders Adventure. Who went this time? (SNEEZES!)

Robin: Bless you. And we went to Monster Marsh and went after Chomp Chest. Also Supergirl, Nikiya, Applejack, Apple Bloom, Apple Fritter, Candy Apple, Flashwing, Head Rush, Rubble Rouser, Doom Stone, Stone Man and Drill Man went in that one. We battled Chomp Chest and Chloe's Mayor Akuma. Her name was Queen Mayor.

THEY GASPED!

Common Cold: (SNEEZES) Oh man! Wait wasn't that the Akuma that caused Chloe in the Alternate Earth in the Cartwheel Galaxy to be exiled from Paris?

Robin: That's right. King Kai told us about what went down there because of her and how it lead her to be exiled. Nico and J.D. got through to her and told her about how she was hurting inside and all that. And we got the shock of our lives when she broke down and cried saying that she lost everything and how she became the most hated girl in all of Paris all because of her selfishness and everyone turning against her and more.

Common Cold: Oh man. Poor girl. She lost it all. (SNEEZES)

Robin: Bless you.

Common Cold: Thank you.

Blizzard Buffalo: But yeah we had a fun time in that one.

Dark Magician Girl: We sure did and it was great!

Chocolate Magician Girl: That was awesome.

Common Cold: (Sneezes) That's great! Also how did you find my daughter Verona?

Rarity: Oh the poor dear went through so much. She was turned into a Mega Reuniclus by Dark Gale and she has the flu. Poor girl.

Erica Tala: I've never seen anyone that sick before. We found her during the chase with Nico after J.D. and Naomi's date.

Sapphire Ocean: She splattered the Sector V KND members with her snot and got them REALLY SICK!

Common Cold: (SNEEZES) Oh man! Just like how I would have done back in the old days.

Sapphire Ocean: Yeah. They are back in the estate and Shadow Clones of Erica Tala and Carol and Pickle and Barley Barrel are working to help them out. Good thing we can never get sick now.

Common Cold: I can see that.

Sapphire Ocean: If I may ask, what lead you to get forever sick like this with the Common Cold, hence your name?

Common Cold: Well it's a virus. When I was with the Kids Next Door, I was working on a way to eradicate the common cold. But something went wrong and I caught it. And it made me so sick! I couldn't do anything! I was stuck at base doing nothing and it drove me insane. I became the Common Cold and vowed to make kids miserable like me after I went rogue.

Sapphire Ocean: Oh man! Wait you were in the KND yourself?

Common Cold: That's right. I was Numbuh 313 and worked for Sector X in Louisiana and I was transferred tothe KND Deep Sea Labs. I was in charge of the Bioweapons division.

Sapphire Ocean: That is rough! I'm sorry about that. Your daughter isn't doing much better. She looks worse than you with the Flu. Poor girl.

Rarity (G5): Yeah no kidding there.

Dioptase Angel Belle: Poor girl looks awful. Like she went through a warzone.

Sweetie Belle: Yeah that is for sure. Also the Common Cold is primarily caused by the Rhinovirus. You eradicate that you eradicate the flu too.

Gill Grunt: That is for sure.

Common Cold: That is hard work to do that. But I'm glad my daughter is all right. I was worried so much about her. Lets do it! (SNEEZES)

Robin: Bless you and also it's not every day we meet the children of you guys..

Common Cold: Thank you. And no it isn't.

Technus was next.

Technus: (to Cyborg) J.D. and Naomi Necroshade had a blind date. I bet it was fun.

Cyborg: They sure did. We went to a really good restaurant called the Mega Ramenhouse. It served Ramen in bowls as big as birdbaths. They were huge!

Technus: WOW! That is amazing!

Squidstrictor: It sure is and they had ramen noodles in both mouths and kissed by eating the noodle on both sides like how Lady and Tramp did and it was so adorable! Nico and the mascots cried in tears of joy for them.

Ice: (Scandinavian Accent) We then went to a great movie and it was fun. We saw the movie The Thing from 2011 and 1982 in a double feature. Scared us really bad. Kate showed us what happened to her during those times and MacReady did the same too. It was awful they went through all that.

Technus: OH MAN! That must've been really scary for them to see all that again!

Ice: It was and Catherine Norris saw what happened that lead to The Thing coming to Antarctica and more and it was scary for her. But she got some good answers on its origin and all that.

Technus: Geez! Wow! What about the chase? Where did Nico go for that one?

Ice: It was really strange and silly! First we went to a planet made of Hadari. That's rotten shark fermented in its own urine!

YUCK!

Technus: YUCK AND DISGUSTING! That's an Icelandic Dish. J.D. must've liked that one since he is part Icelandic.

Ice: So did Brynja because she is from Iceland herself and I did as well since I'm part Scandinavian. Also Carl Carlson did not like that one and he was from Iceland himself. The Second planet was a world made of Casu Marzu cheese. That is THE STINKIEST CHEESE IN THE WORLD!

GROSS!

Technus: Oh man! That must've burned your noses!

Ice: It did. And it's maggot-infested cheese from Sardinia. Also the last planet was the most grossest of them all. We went to a planet of Durian Fruit!

LIGHTHOUSE FOGHORN!

Technus: OH MAN! That is the stinkiest fruit in the world!

Rainbow Dash: OH IT WAS GROSS! It smelled as bad as Bulk Biceps gym socks and smelled worse than Lori's farts!

Lori: (Offscreen) I HEARD THAT!

Comet Thunder: OH MAN! Made my nose burn!

Sprite Thunder: Yeah! Nico was really hiding out in J.D.'s birdhouse like how J.D. normally does. Mevya and Jerry and Canary were there too and Nico said it was a great hideout.

OUR MAGIC AND POWER WENT INTO THE BLAST AND IT INTENSIFIED THE BLAST INFINITELY

Me: HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I intensified the blast to an incredible level of power and it overtook Bansheera's blast and destroyed it. The blast was so powerful and so devastating that it was more than enough.

Me: OMEGA SAGE ART: TAILED BEAST RASENSHURIKEN KAMEHAMEHA DOOMRAY!

I used the powers of all the 10 Tailed Beasts and combined them into a DEVASTATING blast that went into teh Kamehameha Wave and that had enough power to blow up 100 solar systems.

THE BLAST INTENSIFIED TO AN INCREDIBLY POWERFUL DEGREE!

(Death of Frieza, Cell and Buu theme plays)

Bansheera was being destroyed because of it.

Bansheera: THIS CAN'T BE HAPPENING! I AM BANSHEERA! I AM INVINCIBLE!

Bansheera was completely obliterated by the sheer power of the blast in an instant and there was nothing left of her. The blast went out into space and it went through a portal and it hit a planet I didn't like at all and obliterated it into nothing!

I powered down and I wasn't even in the least bit exhausted.

Me: It's finally over.

Piccolo: (Gasps) He did it. Bansheera' energy has completely vanished!

Vypra: At last. It's finally over!

And while all that was going on we made sure that Prince Olympius saw it, and when he saw it, he screamed out loud in pure demonic rage!

Prince Olympius: DAMN YOU ALL, TEAM LOUD PHOENIX STORM, ALONG WITH YOU AND THOSE DAMN TRAITORS, VYPRA! I WILL MAKE ALL OF YOU PAY FOR WHAT YOU DID!

We cheered as we holstered our weapons and powered down, and Vypra's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four large and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold crescent moon ring-shaped frame and embedded midnight blue gems behind the gold halo and second smaller halo of light behind her head and four large gold

Vypra: And this is goodbye, and good goddamn riddance forever, bitch!

Me: Damn straight, Vypra.

Nico: We've finally rid ourselves of Queen Bansheera once and for all.

We heard Lord Zedd's scream of anger inside The Book of Vile Darkness.

Nicole: Oh, shut up in there, Lord Zedd, or I swear I'll rip your soul apart and banish you to The Black Abyss myself!

Lincoln: The more we piss him off, the more unhinged he's gonna become, and we even pissed off her son, Prince Olympius, this'll let him know we're coming for him soon.
